MESSAGE OF THE CHAIRMAN BOARD OF GOVERNORS

I am immensely pleased to see talent, creativity and feelings of show-cased by young leaders through canvas of the College Magazine. I am certain that the Magazine provides readers with good account of events that have taken place at serene and peaceful environment of Petaro besides satiating literary pursuit of cadets. I felicitate Editorial Board of the Magazine for their literary toil in compilation of this year's issue.

I am also pleased on noteworthy achievement of the College in academic and extra-curricular activities. Cadets who brought laurels for their institution deserve special applauds. It is highly satisfying that the college under its able management has tremendously improved its infrastructure as well as academic results.

I consider College faculty central to all round grooming of young Petarians. It is their commitment and sincere efforts that college Alumni today has distinguished stature in the society. I urge and remind Petaro Alumni to reciprocate for promotion and image building of their Alma Mater.

I expect all to continue good work with zeal and zest. I specially stress upon College Faculty to accord special attention and work for character building of budding leaders and nurture them with patriotism as well as Ideology of Pakistan.

VICE ADMIRAL SYED ARIFULLAH HUSSAINI HI(M), T.Bt
Chairman Board of Governors, Cadet College Petaro.

COMKAR'S PROFILE

Syed Arifullah Hussaini, kit no. 7375/Ayub House joined Cadet College Petaro in 1973 in 8th class and left the college in 1978 after completing his Intermediate. He was born on 23 April 1961 and got married to Mrs. Farah on 1 March 1983. They have four children.

After leaving Petaro, Arif joined Pakistan Navy in 1978 and was commissioned in 1981 in the Operations Branch. He qualified the Surface Warfare Operation Course from USA, and the National Defence Course from China. He is also a graduate of the National Defence University, Islamabad. During his tenure with the Navy, he has held various command and staff appointments on sea billets. He has commanded PNS Zulfiquar and PNS Tariq. He has also served as the Assistant Chief of Naval Staff (Plans & FP), and Assistant Chief of Naval Staff (Personnel). Arif was promoted to the rank of a Rear Admiral on 2 January 2010 and appointed Commander of AUXMIN. In June 2013, he was appointed COMCOAST (Commander Coast), a position he retained until 2014. As COMCOAST, he commanded all units and establishments of Pakistan Navy along the coastal belt and creek areas. In addition, he headed the Special Services Group (Navy) and Pak Marines. During this period, he was also the Chairman Board of Governors of Cadet College Ormara, Baluchistan. In Aug 2014, Arifullah Hussaini was promoted to the rank of Vice Admiral and appointed COMKAR. He is also in charge of all training units of Pakistan Navy at Karachi. As COMKAR, he became the 37th Chairman of the Board of Governors of Cadet College Petaro. He has been the recipient of Sitara-e-Imtiaz (Military), Hilal-e-Imtiaz (Military) and Tamgha-e-Basalat awards. Arifullah Hussaini was a member of the Managing Committee of the Petarian Association in the mid-1980s.

COMMANDANT'S PROFILE

Commodore Mehboob Elahi Malik SI(M) belongs to the district Jhelum, Punjab. He completed his preliminary education from FG Model School Mangla Cantt and passed his HSC from FG College Mangla Cantt. He joined Pakistan Navy on 01 January 1985 and got his commission on 01 June 1987. His performance during initial training at PNA remained exceptional; wherein he won Chairman JCSC Gold Medal for the best academic results in final term, the sword of Honour in 1987 during his passing out parade for overall best performance and Quaid-e-Azam Gold medal for outstanding results in B.Sc (Hons) programme. He has also been honoured with Sitara-e-Imtiaz (Military) on the occasion of 23rd March 2014.

Throughout his naval career, Cdre Mehboob Elahi Malik SI(M) has served on various prestigious appointments. He has 11 years of sea service to his credit onboard various PN Ships. During his sea service he visited number of foreign countries on goodwill cruise onboard PN ships. He has the honour of commanding two naval ships, namely PNS TARIQ and PNS BAHAWALPUR. He also has the experience of Divisional Officer duties at Pakistan Naval Academy for 2 years. He served as Staff Officer (Electronic Warfare) in Operations Branch and Assistant Naval Secretary (Ops) at Naval Headquarters. He also served as Director Personnel Services (DPS) and Director Security at NHQ. He was awarded with CNS Letter of Commendation for his commendable services as DPS. He was promoted to his present rank on 15th May 2012 and served as Commodore Training Ashore (CTA) with COMMANDER KARACHI.

Cdre Mehboob Elahi Malik SI(M) is communicator and EW expert by profession in Pakistan Navy. He also has a rich experience of visiting and attending various short courses, seminars, workshops inland and abroad. He has done B.Sc(Hons) in War Studies from PNWC at Lahore. He holds double Master's degree in Management Sciences (MBA) from Bahria University Islamabad and National Security War Course (NSWC) from National Defence University Islamabad. Presently he is doing M.Phil programme in Management Sciences from Bahria University Karachi. The officer also has experience of teaching at PNA and Bahria University Karachi. During his appointment as CTA he had great experience of handling matters pertains to the Bahria Colleges, Cadets Colleges and Bahria Model Schools.

Commodore Mehboob Elahi Malik SI(M) joined Cadet College Petaro on 24 January 2014. He is a married person with two sons and two daughters.

We are very proud of our history, our values, our standing facilities and the high standards achieved by our cadets in all field of life. The college is always supported and strengthened by parents and lot of Petarians.

THE PRINCIPAL'S MESSAGE

Cadet College Petaro has a legacy of producing great writers and creative thinkers. "The Cadet" provides a forum where young cadets can show their skills and prove their metal. The process of learning at Cadet College Petaro never stops. The magazine gives great opportunity to the cadets to express their ideas and feelings in the form of articles, essays, stories, poems and short travelogues. Besides, it is also source of information about curricular as well as co-curricular achievements of the college.

In the modern era, the educational institutions are required to be student-centric where learners may develop their confidence and realize their talents, skills, abilities and potentials. The students are to be motivated and empowered to lifelong learning, critical thinking so as to become productive members of the global society. The institutions are required to identify and polish their talents and capabilities. Cadet College Petaro endeavors to provide a conducive learning environment and facilities.

Magazine surely reflects creative activities and academic outcome. The articles contributed by the cadets reveal an important step towards the achievement of innovation in the path of learning. The efforts made by college faculty to enrich performance level and the innovative writing skills of young cadets are quite praiseworthy. This would not only broaden the horizons of scholarly minds but also offer a platform to strengthen the pen and paper relationship. Moreover, it will highlight in promoting their personalities for their better future.

I would like to congratulate the editorial staff and the contributors for their meaningful endeavors towards the publication of this elite magazine. I'm optimistic that the standard of this magazine will be kept elevated with sincere dedication and sense of endless spirit.

As a head of institution, it has been in my top priority to boost my students, staff and have equipped them with modern technical aids i.e. ICT Computer labs, smart boards, multimedia, internet and laptops to meet updated educational requirements.

I have always looked forward to Federal Government, Sindh Government in general and Pakistan Navy in particular for their support and encouragement. Their response has always been upto my expectations.

COMMODORE MEHBOOB ELAHI MALIK SI(M)
Commandant & Principal,
CadetCollege Petaro

Editorial

"The Cadet" Magazine is the regular feature of Cadet College Petaro. This represents the pictorial gallery of different innovative skills of cadets. It almost covers all the angles of cadets' concealed talent in academics, sports and co-curricular activities.

This year, Commodore Mahboob Elahi Malik SI (M) with his capable guidance and rich experience has presented variable platforms to the college, in the pace of progress to its elevation. Initiating Pre-O level and Advance level in Cambridge system are the considerable achievements. He has also taken initiative to facilitate and furnish the cadets with an eye-catching accommodation at house level. His sincere efforts are quite matchless in renovation of Sick-Bay, new shops at Commercial Area, Quaid Hall, Labs, Employees' houses, Academic Block, New Library, Computer and General Science labs at Cambridge System, construction of Sports Complex, Exam Hall, "P" type Bungalows, Cafeteria and so on.

It is a matter of pride and honour to mention that this year Cadet College Petaro was the host of ICCSC Inter Cadet Collegiate Sports Contingent. Cadet College Petaro won the championship, while the Runners up trophy went to Steel Cadet College Karachi. Cadet College Petaro is maintaining its excellence of standard so as to cope with trends and requirements of modern age.

PETARO NEWS

Professor M. Zaffar Leghari

CHANGE OF COMMAND

Command of the Cadet College Petarô was changed on 23rd January 2014. Commodore MEHBOOB ELAHI MALIK SI (M) took charge as the Commandant & Principal of Cadet College Petaro from Commodore Muhammad Afzal. Since his inception, he has carried out all the affairs of the college with full dedication and spirit of commitment.

23rd All Pakistan Bi-lingual Declamation Contest 2014

23rd All Pakistan Bi-lingual Declamation Contest was organized by Cadet College Petaro on 25th October, 2014, in Quaid Hall. This time, like the previous year cadet college Petaro not only participated but competed for winning trophy, 23 renowned teams across the country took part in the contest. The program was conducted in two sessions. The first session was chaired by the Commandant & Principal Commodore Mehboob Elahi Malik SI (M). The second session was presided over by Advisor to the Chief Minister Sindh, Syed Murad Ali Shah. The proceeding of the function commenced with the recitation of the Holy Quran by Cadet Saad of Ayub House. The judges were introduced by Prof. Muhammad Zaffar Laghari. After the first session the guests were served with refreshment, later the second session began. The speeches of the second session were the highlights of the spectators. They were beautifully presented at the rostrum by the contestants. The speeches were highly effective, full of information and very decorative with chosen diction. The second session ended with the speech of last speaker of Cadet College Petaro. The worthy Commandant presented the College Crest, Ajrak and Sindhi Topi to the Chief Guest. Later, the Chief Guest addressed the audience. He applauded and appreciated the performance of various teams and admired the elevated standard of the college, displayed during the function especially the flawless discipline and well-organized policies made by the Principal for the upgrading of Education and Literary activities. He showed the contentment over the affairs and efforts, carried out by the Principal. Further, he added that subjects of politics and constitution of 1973 should be the part of Curriculum so that cadets may have the basic awareness of the same. In the end of the session the worthy commandant thanked the participating teams for their arrival from far flung areas of the country. The Principal also thanked the Chief Guest for sparing his valuable time from his busy schedule to

grace the function. Later the Chief Guest gave away the prizes to the winners. In the end, the Photo session of the winning teams and all the participants along with the Chief Guest took place.

THE RESULT IS AS UNDER

ABOUT THE HOUSE

Sachal House, the newly inducted 8th House of the College was established in 2012. The house name is after the name of famous *sufi* poet and saint Hazrat Sachal Sarmat. Sachal House is now a full-fledged House with the accommodation capacity of 140 cadets.

Accommodation

CLASS	Boarders	Day Scholars
VII	30	01
O-I	32	01
O-II	21	--
O-III	20	--

The House is located adjacent to the College Mess and at the back of Ayub House. It's very well built having a new 'H' structure with a House Master's office in the centre. The two-storeyed House has 11 dormitories each with the space of 12 to 14 beds. Besides has large ante-room for the in-house functions and recreational activities.

CIE O LEVEL RESULT MAY/JUNE 2014

The result this year in the Cambridge International Examination was simply the best. The number of A's and A*s was amazingly great. Our 41 cadets of two batches-O-II and O-III appeared in the CIE examination May/June 2014 and the result remained 100% pass.

The result details:

CHINESE LANGUAGE TEACHING CENTRE AT CADET COLLEGE PETARO-REFLECTION OF PAK-CHINA FRIENDSHIP

**Prof. Sharafat Ali Rajput,
Vice Principal and DOS**

Since establishment of diplomatic ties between the two countries China and Pakistan have developed an all season friendship which is based on equality, brotherhood and mutual cooperation. The relationship between Pakistan and China is a geo-political cornerstone for both the countries. The solidarity of views that we demonstrate is matchless by any relationship between two sovereign states.

This all can be understood with the idea of introducing Chinese Language for students of Sindh, with the courtesy and personnel interest of His Excellency President of Pakistan Asif Ali Zardari, a Chinese Language Centre was established at Cadet College Petaro in August 2012. It is pertinent to mention that the two main Chinese teachers Mr. Li Wenbiao and Mr. Shen Changliang are teaching cadets, making them to impart the proficiency in the Chinese Language. As this system started years back. Students are taking keen interest which is evident in their results.

Keeping in view promoting Chinese Language Government of Republic of China has designed different programme such as giving scholarship to the outstanding cadets of the college and Summer Student Exchange Programme. This year, Government of Republic of China has awarded a scholarship of worth 10,000 US Dollars to the shining stars of the college who qualified the Chinese Language Proficiency Test held on 11 October, 2014. The scholarship was awarded by the Vice-Consulate General at Chinese Consulate Karachi Mr. Mu Yong Peng while his visit to the college. His Excellency, at the occasion, inaugurated new Chinese Language learning and Cultural Centre.

It is matter of immense pleasure that Vice-Consulate General praised the efforts of the college administration and efforts of the cadets and ensures full support to the cadets of the college.

The unique thing is that China is going to be the main corridor of economic activities in the Asian Economy, so we must be hopeful for the future of our cadets as they are learning the Chinese language that will contribute a lot. According to the Consul General, Government of China, in future, will provide scholarship for higher studies for the cadets of the college.

To keep all points in view, we expect much more from the bounds and efforts that the Chinese Government is making for the cadets of the college and want to see our cadets to be the part of Chinese Universities in coming time, indeed, it is another corridor of opportunities for the cadets. Now, it depends on them how much they are taking advantage out of it.

MY MOTHER I LOVE YOU!

Cadet Fahad Aftab, Kit#13079 (LF)

To have helped a thousand,
But not herself,
She cares not
For herself,
Yet she mends so much,
With hands so soft,
And heart so long,
Although our life's she lead us
A beacon of hopes and glee,
Or rather from heaven did she descends,
Is the person whom I love the most.
Than anyone can comprehend
My dear Mother.
A true model Allah has sent to me
A person whom.
Through thick or thin,
At every minute near,
And every walking movement,
I feel the urge to say.
Ami I love you,
You are perfect in every way.

THE 13TH ALL SINDH INTER-CADET COLLEGES SPORTS CHAMPIONSHIP-2014

Farhan Ahmed, Sports Officer

All praise to Allah Almighty who has strengthened us to win the 13th All Sindh Inter-Cadet Colleges Sports Championship – 2014. This year Cadet College Petaro was the host and it was for the 9th time that Cadet College Petaro emerged as Champion. The credit of this ostentatious success goes to our Commandant and Principal Commodore Mahboob Elahi Malik SI(M) who has always been an inspiring force behind every success earned by our cadets in any field. Being a sportsman and a great sports lover, I witnessed every match/event of the championship despite having a very busy routine as Commandant & Principal of this great institution.

The championship was scheduled from 9 to 16 November 2014. The fixtures for the championship were drawn well before the start of the championship so as to overcome all ambiguities for the smooth and transparent conduct of the championship. It was by Allah's blessings upon us that Petaro turned inimitable and won Gold Medals in football, Basketball, Hockey and Shooting Ball including two Silver Medals in Athletics and Cricket.

The opening ceremony was held on the Sunday morning 9th November 2014. Major General Shahid Mahmood Kyani, General Officer Commanding (GOC), SFS Pak Camp was the Chief Guest on this auspicious occasion. The Commandant welcomed the Honourable Chief Guest and presented traditional gifts to the Chief Guest. The Chief Guest declared the championship OPEN and witnessed the march past of the contingents of the all the five Cadet Colleges of Sindh and also the opening Athletics event. In his address to the august gathering, he emphasized the role of sports in a cadet's life and praised the Commandant for holding and hosting the grand sports gala. During the course of the championship the former test Cricketer and former Captain of the Pakistan Cricket team Muhammad Yousaf, graced this event as a guest of honor and witnessed the Cricket match between Pakistan Steel Cadet College and Cadet College Petaro.

The championship was concluded on Sunday the 16th November 2014. Dr. Mujeeb-ud-din Sahari, Vice Chancellor, Sind Agricultural University Tando Jam, was the

CHAMPION: CADET COLLEGE PETARO

THE QUALITIES OF GOOD TEACHER

By Prof. Muhammad Zaffar Laghari

Teacher is a person who teaches learners. There are two types of teachers in first category become teacher by chance and others by choice. Their attitude is different and in my opinion, only those who become teachers by choice can become good teachers. Because the process of teaching is not an ordinary, it requires knowledge, skills, art and willingness to teaching. When a good teacher teaches, students feel comfortable and enjoy the process of learning. A good teacher is not one who is educated only; it is the person who has a lot of teaching experience and knows to communicate with students. A teacher must teach and let students know, that the only kind of discipline that works, is self-discipline; discipline to do your best, discipline to do your home work and listen to a teacher's instructions carefully, discipline to divide your time wisely, discipline to do your duty.

Teaching is one of the most complicated jobs today. It demands broad knowledge of subject matter, curriculum, and standard; enthusiasm, a caring attitude, and a love of learning, knowledge of discipline and classroom management technique; and a desire to make a difference in the lives of young students.

Good teachers are likely made up of a combination of hundreds of qualities that allow them do their job effectively. There is no denying that all teachers have their own unique blend of these qualities. Each teacher is different, but virtually every good teacher has the following:

A good teacher feels accountable.

A good teacher always feels accountable to his profession .A teacher cannot have double standards. He cannot preach for what he does not do himself for example he suggests his students for Namaz and himself does not offer it, will create double standards. Therefore, his role should exemplary so that students may follow him as a role model.

A good teacher feels compassionate.

A good teacher feels compassionate to his/her students. This attitude makes you to be compassionate for students to help them out in problems outside of school, and making the necessary adjustment to help them through those issues. A teacher must take outside factors into consideration. For example, if a student has just lost a loved one, the teacher should be sensitive to that and adjust accordingly or any other problem that needs some compassionate consideration for students. A teacher must be able to build cooperative relationships with others around them even if they do not necessarily like them.

A good teacher is creative.

A good teacher is creative about his/her students and the matter or subject he/she teaches. This enable a teacher to communicate whatever it happens in comfortable zone. It also enables him/her in shaping a lesson that is unique in style, engaging students in own way, and dynamic in boasting the morale of the students. In this way, a good teacher successfully grabs students' attention and makes them want to keep coming back for more learning.

A good teacher is dedicated.

A good teacher dedicates himself for teaching and sparing time for students. Teacher has to show up every day and spend the necessary time to provide his/her students with the best education.

On arrive early and stay late. They work parts of weekends and summer to ensure that they are prepared. When teacher is committed to students, it boasts student's morale for learning more.

A good teacher is forgiving.

A good teacher is always forgiving. He/she should forgive students for their mischief and some unwanted attitude. The impact of forgiveness is obvious upon students. Teachers must be able to get past hurtful actions or accusations quickly. They must not hold it against any student or let it impact how they teach in the classroom. The forgiving teachers get popular among students with this teacher feels comfortable with students.

A good teacher is generous.

A good teacher is always generous with students. He/she volunteers for extra assignments and/or giving money out of own pocket for classroom needs or individual student needs. For this enough money is not required but it is an initiative for any big move, but most teachers are willing to donate time and/or money to help out in areas where a need is recognized.

A good teacher is trustworthy.

A good teacher is trustworthy and believable to students. This quality of teacher for being able to get others around him/her to believe and trust in you and what you are doing as a result the confidence is achieved. A teacher must gain the trust of both their students and parents. Any distrust will negatively impact the classroom and process of learning.

A good teacher is willing to work collaboratively.

A good teacher is always sure about work and job to do. He/she welcomes work and his/her students for learning at any time. Their doors are open for learners to their classrooms and do what they want. Teachers feel that they are part of a school community, and even where that community can be flawed (and lots of schools are), so a great teacher should be willing to work to make the society a better place.

INDUSTRIALIZATION: A BLESSING OR A MENACE

Syed Qaisar Shah, Kit No: 10016 (L)

The human race is expanding continuously, so are their needs. On every passing day the necessities of life touch new heights. It's not possible to produce such an amount of products using natural means. Therefore, the plan had to be improvised. A solution had to be sought. It was the west who came up with the idea of mechanization or industrialization and employed mechanical means to manufacture goods and to meet the ever increasing demands of the human race.

The industrialization in literary terms means transformation of an agrarian society to an industrialized one. Such a change is accompanied by social change closely related with economic growth with technological innovations. Industry also reveals several forms of metallurgy. The new way of production boosted up the manufacturing of goods with multiplied outputs with less manpower. Using the raw materials and then processing them in a systematic way, with help of mechanical infrastructures and machines unveiled the new possibilities that lay beneath the dome of industrialization.

The first wonder of industrialization that strikes the eye is the speed at which things are developed. In past times when everything had to be done with hands, simple handicrafts took weeks to complete, and the consumer had to delay its commitments due to absence of tools. Things were postponed due to shortage of manufactured goods. The world business often stood at a standstill due to these petty reasons. This would often cause catastrophe in the emergence of a natural calamity or tragedy like droughts. The first blessing that come with the advent of industrialization is the speed and swiftness with which the requirements are met. Due to a systematic and a mechanical way, things started to manufacture virtually by themselves. Just start the system and then sit by and watch the work being done automatically.

Thanks to industrialization, this led to development of different engines which multiplied the manpower a thousand folds. Several fuel sources were discovered and were employed to serve in the better interest of society. Giant machines were built that made people's wildest imagination come to life.

Recycling is also one of the departments of industry which needs human appreciation. Things, previously, considered useless and waste, are now being processed and are brought forth anew. This has served mankind greatly, by slowing down their consumption of their reserves.

Today, a country's economic development is closely related to industry. What is of importance here is that an industrialized country enjoys an edge over an agricultural country. The edge has the petty difference between production costs of raw and manufactured goods while having a huge difference in their selling prices. Manufactured goods are more welcomed by the consumers round the globe and have a better value. Trade of a country now depends mostly on industry. This means better industry, better trade. Better trade, better economy, strong economy and strong country.

Needless to say, that I am in favor of industrialization. Though there are some problems often highlighted as Pollution, and decaying nature. But Just as everything must remain in equilibrium the industrial advance must be closely measured and ways must be sought as to where to dispose the waste materials. I am sure that innovative mind of man waffle able devise a proper solution to the problem. And, of course, one cannot feed machines with nothing, Therefore, raw materials are also a basic necessity. But, the skill still remains in turning them into something useful. That's exactly what the industry does.

INTERESTING CONFUSIONS

Cadet Nasir Hussain, Kit# 10030 (L)

- 1| Can you cry under water?
- 2| Do fishes ever get thirsty?
- 3| Why don't birds fall of trees when they sleep?
- 4| Why it is called building when it is already built?
- 5| When they say dogs food is new and improved, who tastes it?
- 6| If money doesn't grow on trees, why do banks have branches?
- 7| Why does round pizza is kept a square box?
- 8| Why doesn't give stick to its bottle?

TECHNICAL EDUCATION

Cadet A. Salam Lakhair, Kit#13045 (A)

In the present day of cut throat competition and hard struggle, traditional way of getting education is found insufficient for man to procure his livelihood. The number of people with general education is legion and all the various departments where these men can be provided all literally packed. Even the learned professions such as legal, medical and engineering are overcrowded and there is no hope even there. The unemployment problem therefore, is getting serious everyday and unrest and discontent are daily gaining ground.

How can these difficulties be removed? From the study of the prevailing conditions it appears that technical education alone is able to solve the bread problem to a considerable extent.

Technical education is the education which trains person in one of the different practical and useful ways such as carpentry, weaving, pottery, agriculture and all other similar things. The training of technical education gives us not merely a theoretical one but is based purely on a practical and scientific basis. So that one who receives this sort of training becomes thoroughly practical man. It is not necessary for them to hanker to service. By virtue of the education they have received, they can start independent business. In this way, technical education helps to remove unemployment.

Further, technical education is necessary to train up already working artisans. Pakistani artisans are mostly found uneducated. They have neither the capacity nor the intention to prove their methods of work and these being rather out of date in these days of rapid advancement. They can neither produce things of high excellence nor can they compete with the same articles of foreign manufacture. Technical education is aiming at teaching the scientific principles on which the various arts are based, enables those who receive this education to carry out up-to-date improvement and make their production cheap. Technical education thus, develops and improves indigenous trade.

In spite of the immense value of technical education, the attitude of educated people towards it is not what should be. To undergo a course of technical training is essential that manual work should be undertaken. Educated people are being given to ease to

comfort and having a false sense of prestige, feel ashamed to do anything by hand and hence their disinclination towards technical education of any sort. They would starve rather than engage themselves in this. Such is their mentality but happily enough. It is high time that people should take more and more interest in technical education to make our country strong economically and technically.

DO YOU KNOW?

Cadet Faaiz Ali Shah, Kit#14120 (J)

1. Your shoes are the first thing that people sub-consciously notice about you. Wear nice shoes.
 2. If you sit more than 11 hours a day, there's a 50% chance you'll die within the next 3 years.
 3. There are at least 6 people in the world who look exactly like you. There's 9% chance that you will meet one of them in your life time.
 4. Sleeping without a pillow reduces back pain and keeps your spine stronger.
 5. A person's height is determined by their father, and their weight is determined by their mother.
 6. If a part of our body falls asleep, you can almost always "wake it up" by shaking your head.
 7. There are three things that a human brain cannot resist noticing- food, attractive people and danger.
 8. Right-handed people tend to chew food on their right side
 9. Putting dry tea bags in gym bags or smelly shoes will absorb the unpleasant odor.
 10. According to Albert Einstein, if honey were to disappear from earth, humans would be dead within 4 days.
 11. There are so many kinds of apples, that if you ate a new one every day, it would take over 20 years to try them all.
 12. You can survive without eating for weeks, but you will only live 11 days without sleeping.
 13. People who laugh a lot are healthier than those who don't.
 14. Laziness and inactivity kills just as many people as smoking.
 15. A human brain has a capacity to store 5 times as much information as Wikipedia.
 16. Our brain uses same amount of power as 10 watt light bulb!
 17. Our body gives enough heat in 30 minutes to boil 1.5 liters of water!
 18. Stomach acid (conc. HCl) is strong enough to dissolve razor blades!
 19. Take a 10-30 minute walk every day and while you walk, SMILE.
- It is the ultimate antidepressant.

THE DANGERS OF SCIENCE

Cadet Asad Jahanzaib, Kit#10166 (LF)

The word "Science" has literally meaning of "the world of experiments observations". Failures are the important factors of science, because failure is the path of getting success. In science failure is the step towards success because Thomas Edison got the success after a thousand time failures but never considered it a failure but it is a way to get to the success. The world is created due to pairs, God has created the world so carefully, created male and female, North and South, up and down, electron and proton, failure and so the success. We cannot imagine the world if there were no pairs of each creation, particles and concept.

If there is positive side, there is always negative side because a coin has always two sides. Same is rule for the science, if it has enormous advantages and benefits along with dangers and disadvantages.

It has been known from the history that the main purpose of science was to serve the humanity, to bring safety and to live in a comfort zone. Every scientist is working on the above mentioned principle, but the problem starts when it has been used for undesirable purpose, the mighty powers used these researches and inventions for their own purpose as weapons are made to kill innocents. The weapon is one of the most dangerous inventions of man whose work is only to kill the living and to kill the humanity. Nations and countries start their wars, up to this day, this danger of science is killing the living in the form of different shapes like atomic bombs, axes, guns, poisons and many uncounted inventions are made by science which are killing the human beings and are menace to survivals slowly and gradually.

Today, the world is the game of weapons, it can be destroyed in a few seconds with the help of these manmade life taking inventions. Science and its applications are mostly utilized to kill humanity.

Along with this, there is another invention of science which is known as internet. Applications have been a kind of addiction for the humans. Research has proved that the youth, children and even the matures get affected by this. Especially the young

generation has been completely diverted to some bad ethics by this application of science.

In the end, we can conclude that science and its inventions had made life so conservative and brought the destruction of the world very near.

MIRACLES OF HOLY QURAN

Cadet Mursal Furqan, Kit#11036 (J)

1) Sea is mentioned 32 times in Quran

Land is mentioned 13 times in Quran

Sea (32) + Land (13) = 45...

If so,

Sea = $32/45 * 100 = 71.111\%$

Land = $13/45 * 100 = 28.889\%$

Sea (71.111) + Land (28.889) = 100%

Modern Science has recently proven that water covers 71.111% of earth while the land covers 28.889%.

2) Human Embryology (23:14)

3) Majority of ants in existence are feminine (27:18-19)

4) Salt water does not mix with fresh water (27:61)

5) The sun is called 'Siraj' which means 'source of light' while the moon is referred to as 'Muneer' which means 'Reflector of Light' (25:61)

6) Darkness in the depth of the oceans (24:40)

7) Water Cycle (30:48)

8) Gravity (56:33)

9) Drop in Oxygen as you ascend above the Earth (6:125)

10) Universe started with an explosion (41:11)

11) Universe is Expanding (51:47)

SWEET ARE THE USES OF ADVERSITY

Cadet Osama Basharat, Kit No: 11032 (LF)

Adversity can be defined as misery, affliction, tragedy, hardship, difficulty and any unfavorable or havoc situation of life. Adversity by nature is a great teacher. He who faces it and enhances real experience of life, he gets it zesty taste. There is mystery in misery which hides real lessons behind its thick curtains. A ship of life which sails smoothly in hardships, reaches the shore of success and triumph. He gets rubies that dive into depth of sea. Indeed, one who faces difficulties gets its unlimited uses and everlasting lessons.

People are afraid of adversities. They shun and avoid difficulties and want to lead a life of luxury and comfort. But, world's famous poet, dramatist Shakespeare, held a different opinion. To him, the uses of adversity are sweet. We are afraid of adversity. But, it has also many sweet uses. Adversity is a blessing in disguise. It is not a curse as is generally supposed.

Misfortunes make man. They are the real test of character. One who faces difficulties comes out of the encounter better and abler. Difficulties are good for man in the long run. One should not be afraid of them. Difficulties train and develop the natural faculties of a man. Just as herbs give out their sweet fragrance when they are crushed, so a man of real ability or virtue shines all the brighter when comes across with difficulties. So, we should not be afraid of difficulties but rather welcome them. They are like the bitter pills which the doctor gives his patient to cure him. Adversity is for own good. It may be bitter at the time, but its uses are really sweet.

Difficulties or obstacles are the ladders climbing on which we can achieve success. It is bitter truth that the path of success is full of thorns. Unless we cross it, success can never be ours. Our eyes must not be on the thorns but on goal. Thorns may give us pain but it is momentary. Once we achieve those goals, we will definitely forget about those pains. Nothing great can be achieved, or ever been achieved, without grappling with difficulties. All the great men are those who faced difficulties bravely and then overcame them. Those who lead a life to ease and comfort can never achieve much

Nothing is to be expected of such people, but everything is possible for those who have faced difficulties, have failed but have persisted themselves in spite of failure.

History is witness that all the great men of the world faced difficulties fearlessly and achieved wonderful success. If we peep through the pages of history, we will find people like Isaac Newton, a great scientist who was from a poor family. He was a posthumous child. He was clever and intelligent since his childhood but was not engrossed in school life. When he had stepped in university, he dedicated his being for mathematics and science. He had burnt candles of light and changes the world of science and technology. His laws gave a new soul to mechanics, physics and astrology. Almost three centuries are passed but Isaac Newton is known all over the world. Indeed, it was his passion and ardor against hardships which raised him like a Sun and enlightened entire world.

According to a verse of Holy Quran which says life is an examination. ALLAH examines mankind through various ways. He sends difficulties and hurdles in his follower's life and observes how his follower passes these hurdles. He looks that does his follower complain or surrender his will. He will cross his life with faith, optimism and smashes each adversity like a thrasher, he gets his goal. And, so are the countries which face difficulties and utilize their sweet uses, they are developed.

Difficulties vanish when they are faced boldly. They are like thieves that take at the first encounter. Everest was conquered by those who boldly faced the dangers in their way and did not falter in their attempts, in spite of initial failures. Columbus could discover America only because he faced the unknown wild oceans with confidence and courage and did not care for any difficulties. The entire human civilization is but a record of the exploits of those heroic souls who were undeterred by the difficulties that came in their way.

Conclusion:

"A pessimist sees the difficulty in every opportunity; an optimist sees the opportunity in every difficulty."

Undoubtedly, difficulties teach us that things which none can teach in this world. They make us aware, experienced, passionate, strong and humanitarian. Life is a process of learning and one learns a lot from hardships.

Abur Rahim Khan-i-Khana & His Peculiar Generosity

Jaydev Suthar, Lecturer in English

Abdul Rahim Khana-i-Khana (1556-1627), also known as Rahim was a poet in the times of Mughal King Akbar, and one of his main nine ministers (Diwan) in his court, also known as the Navaratans; he is most known for his Hindi couplets and his books on Astrology.

Akbar Rahim Khana-i-Khana was son of Akbar's trusted caretaker, Bairam Khan who had Turk ancestry. After Bairam Khan was murdered, his wife became the second wife of Akbar, which made Abdul Rahim Khan-i-Khana his stepson, and later he became one of his nine prominent ministers, the Navaratnas, or nine gems.

Abdur Rahim Khan-i-Khana is well known for his strange manner of giving alms to the poor. He never looked at the person he was giving alms to, keeping his gaze downwards in all humility. When Tulsidas (a famous saint of that time) heard about Rahim's strange method of giving alms, he promptly wrote a couplet and sent it to Rahim:

Aisi deni den jyu, kit seekhe ho sain

Jyon jyon kar oonchyo karo, tyon tyon niche nain

(Sir, where did you learn to give alms like this? Why you give gifts like this? Your hands are as high as your eyes are low.)

Realizing that Tulsidas was well 'Aware' of the 'Truth' behind creation, and was merely giving him an opportunity to say a few lines in reply, he wrote to Tulsidas in all humility:

Denhar koi aur hai, bhejat jo din rain

Log bharam hum par kare, taaso niche nain

(The Giver is someone else, bestowing, day and night. The world gives me credit: so down are my eyes.)

His two sons were killed by Akbar's son Jehangir because they were not in favour of Jehangir's accession to the throne at Akbar's death.

Apart from writing various *dohas* (couplets), Rahim translated Babar's memoirs, *Baburnama* from Chagatai language to Persian language, which was completed in AH 998 (1589–90). His command of Sanskrit was very good. He wrote two books on astrology, *Kheta Kautukama* and *Dwawishd Yogavali*.

His tomb is situated in Nizamuddin East on the Mathura road near Humayun's Tomb in New Delhi. It was built by him for his wife in 1598, and his body was placed in it in 1627. In 1753-4, marble and sandstone from this tomb was used in the construction of Safdarjung's Tomb, also in New Delhi.

THE WORD IS MOVING ALONG A SONG

Cadet M. Qasim Sammo, Kit#14071 (J)

Sun up in the morning
Time to get morning
Everything is living and is moving along
Water is to sprinkle
Stars are to twinkle
Everything is working let us sing a song
The earth, keeps us turning
Everything around us is moving along
We are learning on the days go on
Summer into the winter
Seeds turn to flowers
Everything continues as the song goes on
The Earth, it keeps turning
Everything around us is moving along
We're living and learning
Living and learning as the day goes on.

ARE WE MUSLIMS?

Cadet Talat Hussain, Kit#12034 (MQ)

It is a very important matter to be focused that why MUSLIMS are living their worst life in this whole world. There is no one to support us but the truth is that even we are not supporting ourselves. Our Holy Prophet (Salalaho Alaehe WaAlehi Wasalam) taught us that "All Muslims are like one body and when single part of a body feels pain then the whole body feels it", but very sorry to say that we are "FEELINGLESS" today. Thousands of our Palestinian family members died but we haven't done anything yet. O Muslims! Why your faith is so weak? Please remember the time of our Prophets and Sahabas, they never thought about their own requirements and Allah always helped them in every critical situation, in every battle Allah provided strength to Muslims. Every time Muslims succeeded just because they never teased anyone but accepts Allah. They knew that Allah will help them and that's how they conquered the world. Today, Allah has given us a chance to show this world that how strong we are but we are not availing this opportunity, we have a chance to unite again and to gain a mighty rock power in this whole world but we don't care what is Islam, what is our standard, what are our duties, because we are "FEELINGLESS". We don't care about our own family members, then what is our role in this world, what are we striving for? We are being treated brutally wherever we go and no one else is responsible for this position of Muslims but we ourselves are! America is playing a role of super power in this whole World but its power is useless in matter of Muslims!!! UNO assures to maintain peace in the whole world but when it is a matter of Muslims of Palestine, Burma, Kashmir etc they are silent! They are not interested to take any action against Jews. There are no restrictions for Israel. They are allowed to break any rule, and we Muslims have taken the duty to bear all their mischievous acts. Where is America now??? Where is UNO? Who will help us? And the answer is no one, except ALLAH! But our weakness is that we are dependent upon the support of these infidels but not interested to follow our ancient techniques through which we can even harness the Moon. It is a matter of shame for us that we got everything but we are doing nothing, even non Muslims are crying over the death of Palestinian Muslims but there is not a single tear in our eyes because we are "FEELINGLESS"! Non Muslims countries are protesting against this brutal situations and what we are doing in Pakistan? We are anxious to join long marches, we are happy to get distributed into political parties and to fight within ourselves, no matter what is

happening in Palestine but our politicians wanted to get superior to each other .One wants re-elections for his power and governance. One wants the people to fight with each other, to break all the rules of the country, to fight against the police. So everyone is indulged in his own priorities and have no interest in the topic that "WE ARE MUSLIMS" a single body!!! and look at the peak of irresponsibility that there are more than 57 Muslim countries in the whole world but Palestinians didn't ask any other country to help them they just said that "WE NEED PAKISTAN ARMY TO SAVE US", just look at the level of our carelessness. I know that my all these words are workless and no one is going to listen or to understand or to feel whatever I have discussed because we are "FEELINGLESS" It is just an appeal that please spread this message if possible. I am Still hopeful that there must be something good dwelling in the hearts of MUSLIMS.

MODERN ERA EXAM PAPER

Cadet Sarang Habib, Kit#12023 (L)

Time allowed: From sunrise to sunset

Instructions: Attempt all the questions, which carry equal marks, intelligent and poor students get out of the hall. Attach 5000/= with answer sheet;

Q1: Are these correct?

- | | |
|---------------------------|------------------------------|
| (i) Job without bribe | (ii) Success without copy. |
| (iii) Study without book. | (iv) Marriage without dowry. |

- | | |
|--------------------------------|--------------------|
| (i) Marriage | (ii) Engagement |
| (iii) The man you want to kill | (iv) Mother-in-law |

Q5: Write an application to your wife that you need 500/=

Q6: How to enslave a dangerous wife?

Q7: Disadvantages of studying without money?

EAST OR WEST, WHY PAKISTAN IS NOT THE BEST

Cadet Maroof Khoso Kit#13023 (L)

History is neither made in days nor destroyed in years, it takes a nation several years to develop itself. Almost a century ago, Allama Muhammad Iqbal encouraged a NATION with his poetry and sayings, and claimed that this NATION would rule the world if they follow what he said. He struggled for a bunch of people keeping a side his own interests. He knew that he would not live long to see his dream fulfilled. During the same times, another shining star of golden sparrow, Jinnah, also began his struggle to achieve freedom for a nation. Although he knew that his time was almost over, but he wanted to do something that would make him live forever in the eyes of the people of a NATION. That nation was none other but the Muslims of South Asia. Iqbal and Jinnah made a wonderful team to bring their dream of the freedom of Muslims and the creation of a separate Muslim state in the veil of the golden sparrow. Why did they work and sacrifice their lives for the people whom they did not even know, why did they spend their nights with high ranked officers of the then Sub-continent asking them just for a piece of land for the Muslims of South Asia to reside at, so that they can proudly say "this is our home land". Whatever may be the reason, but when they, our leaders worked day and night paying all the time completely selfless duties and not just filling their pockets with the money came from the sweat and blood of Muslim league workers and afterwards people of Pakistan, our dear motherland prospered day in day out.

What had happened now, why all the ways leading to the prosperity are closed? I have the answer. We can not only blame our politicians, our leaders and our high officials that they are grabbing our money. No. No. No. That is completely wrong. Have you ever thought that what WE, being the main pillar of this great nation, are doing to lead the country on its way to success?

This question arises that: **EAST OR WEST, WHY PAKISTAN IS NOT HE BEST?** According to a Hadith of Prophet Muhammad (P.B.U.H), "Allah does not change the fate of a nation till it does not try to change its own fate." Calling the IMAMs from Arabia or leading special prayers in "Haram Pak" for the betterment of Pakistan will surely not settle the affairs in our motherland. But we have to do the main part, we have to play the main role, we have to lead our nation, if we want to see OUR country excelling in all the fields. How Pakistan will be the best, is by working and caring by our own selves for our nation. May ALLAH make the people of Pakistan exert themselves in all the fields and make them work for their nation and make history! AMEN!

GAZA CHANGED EVERYTHING

Cadet Wasiqullah Khan, Kit#11059 (A)

After every blood episode of violence perpetrated by Israel, media spin doctors are often deployed with one grand mission: to absolve Israel of any responsibility in their acts of carnage.

The main staple of this Israeli strategy has been blaming the victim. Such a tactic is nothing new in the way so called 'Arab-Israeli Conflict' has been presented in western media, whose narrative has been closer to that of Israeli officials and media discourses than that of Palestine.

Specifically, since the Israeli siege on Gaza, following the democratic elections that brought humans to power in January 2006, Israel needed all of its hassabara sauvy, alongside that of its supporters in western countries and naming the enemies of Israel as Al-Qaeda.

Gaza, however, remained an exception. Israel's brutality there has reached unprecedented level, especially after Israel's Cast Lead Operation. Many predicted that the crimes in Gaza would turn the tide against Israel, but they didn't. Israel influence over the media was still tight enough. The advent of the Arab spring and the devaluing of human life, as happened in Syria, Libya and Egypt, somehow buried the Israeli crimes in Gaza, however temporarily.

But Israeli's latest war on Gaza amounted to genocide. The killing of fleeing children playing at the beach during a deceptive movement, destruction of the dozens of mosques and churches, the killing of the civilians hiding in the UN schools turned temporary shelter.

As the world was awakened to the level of devastation created by Israel in Gaza, many also became aware that such wrath is not independent from the fascism that has gripped Israeli society for years. In Israel, there is no longer room for dissent.

ROOTS OF TERRORISM

Cadet Khayyam Javed, Kit#13106 (J)

On 11th September 2001 two passenger planes of United Airway of USA were hijacked and hovered around as death-angel in the air over trade tower New York and Pentagon buildings of Washington DC. These two planes heading crashed with their targets and destroyed them. Several thousand innocent people were killed. The FBI investigators at first blamed the Palestine Arabs to be responsible for such act of terrorism but later charged Osama bin Laden the founder of a Jihad / holy war movement namely Al-Qaeda functioning inside the large manmade tunnels in the northern parts of Afghanistan. Led by mullah Omar to hand over Osama and declared them that they wanted to hang him in front of White House Washington. The Taliban government refused to do so. Then the British Prime Minister Tony Blair visited Pakistan on the advice of President Bush to talk with the Pakistan's president. By these talks, he urged Pakistan to lead US to her borders with Afghanistan and to step the supply of petrol & oil to the country. Then making a pact with opposite faction of Taliban government "Shumali Itehad" (northern alliance) the allied forces of UK and USA bombarded the military weak country of Afghanistan so fiercely that according to an estimate more than 60 thousand Afghan civilians lost their lives & the country changed into ruins.

In March 2003 side tracking the UN organization and general opinion of world countries including three big powers Russia, France & China, USA & British forces bombarded Iraq for 21 days that killed and injured several thousand people and occupied Iraq. During the period of few years millions of Muslims have been killed in Afghanistan and Iraq. Meanwhile taking advantage of the situation, India brought its armed forces supported with atomic weapons and missiles on the border of Pakistan and demanded Pakistan to hand over Azad Kashmir to them. For more than a year she kept her forces to stand by. Pakistan thus had been forced to move its forces to her borders. However, due to political pressure of USA and UK this war did not erupt. The Indian government forces however are killing, torturing and arresting the Kashmir people daily. Israel in the Middle East is killing, bombarding and torturing the Palestine as a daily routine. Under these circumstances, it is neither wise nor true to call the freedom fighters of Kashmir and the Palestine Arabs to be terrorists. In fact the governments of USA, UK, Israel and India are perpetrating naked state terrorism on the Muslims of the world. The UN is

paralyzed and cannot stop the evil designs of these governments against the Muslim world. It is funny that these governments are calling the freedom fighters of Kashmir and Palestine Arabs and in fact all the Muslims of the world in general to be terrorists. They are planning to destroy Syria, Iran and Pakistan in near future. May God help the Muslims of the world from the evil designs of new world order of USA supported by the expansionist British government.

WARNING

Cadet Rajesh Soni, Kit No: 13197 (J)

SCENE: A wife is waiting for her husband who is a software engineer.

Husband: (*Opening the door and entering inside*) Hi Dear! I am logged in.

Wife: Thank God that you have arrived. Have you brought the salary?

Husband: *Bad Command.*

Wife: But I told you about it in the morning.

Husband: *Syntax Error, abort, retry, cancel.*

Wife: Oh my God... Ok forget it. Tell me where is your salary?

Husband: *File in use, read only, try later.*

Wife: At least give me your credit card so that I may do some shopping.

Husband: *Sharing violations, Access Denied.*

Wife: I made a mistake marrying you.

Husband: *Data type mismatch.*

Wife: You are useless.

Husband: *By Default.*

Wife: Who was there in the car this morning?

Husband: *System unstable. Press any key to reboot.*

Wife: What is the relation between you and your receptionist?

Husband: *The only user with the right permission.*

Wife: What is my value in your life?

Husband: *Unknown virus.*

Wife: Do you love me or your computer?

Husband: *Too many parameters.*

Wife: I will leave you forever.

Husband: *Close all programs and login for another user.*

Wife: It is worthless talking to you!

Husband: *Shut down the computer.*

Wife: I am going now!

Husband: *It is now safe to shut down the computer.*

THE GHOST IN MY ROOM

Cadet Abdul Fattah, Kit No: 13131 (IQ)

This is the story that happened to me just last thursday. I was sitting at the edge of my bed playing Resident Evil on my PSP. I just got the game earlier that day. The game started getting interesting so I didn't want to stop unless I absolutely had to.

Anyway, I made it to about the middle of the game when I felt someone sitting next to me on my bed. Naturally I thought it was my mom coming in, to tell me, it was time to go to sleep. "A young boy needs his rest," She would say. Yeah right more like, "needs to beat the game."

I sat there for a while, still playing, when I realized she hadn't said anything to me yet. I didn't hear her leave, so I turned around. No one was there. It didn't matter that I could still feel someone sitting next to me.

Startled by the thought, I jumped out of bed and pressed my back against the wall. My PSP fell to the floor. I looked around the room, empty. Mom would never do something like that to me. I convinced myself.

Slowly I walked back to my bed, keeping my eye on the spot where my mom supposedly sat down. A lot of questions started stirring inside my head, but one stuck out more than the rest. Was it a ghost?

I made it over to the door and pulled it open just enough for me to peek through. "Mom?" I called out, "did you come into my room?" There was no answer. The lights were off. Everyone went to bed. I closed the door and turned back toward the bed. This is going to bother me all night.

The spot I thought my mom sat at began to rise, like someone had just moved from the seat. My head dashed around the room. Looking at every corner "this isn't real." I said inside my head.

I stopped, my eyes locked onto the corner of the room. Standing next to my dresser was a tall, black figure. It looked like a man. It felt as if he were looking right at me. Not in a bad way, but it wasn't good either.

I took a step forward towards the door and that's when it happened. The black ghost darted towards me in a haze and placed his right hand on my left cheek. What happened next scared the crap out of me. He opened his eyes and revealed two glowing hazel orbs. "Dad?"

My dad died about a year ago from a freak car explosion. Now, he's haunting me in my room. But there's one thing that bothers me, he doesn't feel like my dad.

WHERE HAVE OUR SMILES GONE

Cadet Usman, Kit No: P-14-730 (SL)

How can a man keep happy in this hectic time of life from which we all Pakistanis are passing through? Switching on TV one hears the news of bomb blast, deaths due to poverty, terrorist attacks in tribal areas and many like these. Moreover, now social networking sites are also loaded with such kind of new.

Even after the attack on Hiroshima and Nagasaki, how has Japan progressed so swiftly? Why is the rate of poverty in Japan so less than Pakistan? This is because they arose as one body after the World War II. They shared their sorrows and supported each other, if they wished. If they could have abandoned each other in the miserable condition and could have become each other's rivals, but they did not do so.

So we should rise as a exhibiting the characteristics which may inspire other nations and tart following our footsteps; a nation by which God will be pleased and shower, in short, if we want our smiles back then we should try to develop a clear conscience, a sound attitude, a positive character and a firm faith of God.

TICKING OF THE CLOCK

Cadet Hamza Ahsan, Kit No: 12171 (SH)

Akram was a busy person, busy as a bee he worked day and night to earn a living rather luxurious for himself regardless to the benefits of others. To impress his superiors and seniors he had to dance over the clock all the day and night long. Summers or winters, autumns or fall, he worked and worked no matter what at all. Then one day, he chose to stay at home in order to solve the problems that he had but some. To bunk a day at office was a great deal for him. Staying at home, he didn't know how to survive. He had a very bad habit of strictly being very punctual of time for some of his very good habits. Habits like having his double-cocoa coffee at sharp 6 am as to not let sleep pixie fall over him, having his breakfast with omelet with deep-toasted bread at 8 am, leaving for his office in his Ferrari F500 sharply at 9 a.m. So, today when he was at home, unfortunately, the servant had fever. Having no coffee and breakfast, his head was bursting like bomb. Increased tension, calls from office, he could bear no longer. In severe tension, the nerve of his brain busted and he landed in heavens. The chief angel asked him to narrate his life story, and thus he begun to tell the story of his greedy and miserable life. The angel reviewed his story and proved him guilty for hell. To seek refuge from hell, he had to get a paper signed from any living being to which he had tortured and harmed, but in a limited time spam of just an hour. He went on earth to seek forgiveness from his servant, but he refused, then to his own daughter to whom he had always hated. She said she needed all his property and bank balance to sign that piece of paper. Ticking along the clock, all the time allotted to him went by and now he was out of time. It was now very late for his daughter to accept his proposal. The time flew away like sand out of his hand. Unable to get it, he had to go to hell, but the chief angel said: "I am very pleased, that you sought forgiveness and for that I grant you heaven." There he slept in heaven's bed instead of oil pots of hell but woke up to see that he was all fine sleeping in his bed, sweating like an athlete. He understood that it was all a dream. He saw life like a sparkling and righteous beam of light changed his nature; he lived all his life happily ever after.

A Terrifying Dream

Kazi Sarmad Ali C-11021 (SL) Class: AS-1

As I pushed the old blood-stained door a huge bony skeleton of a spider trapped inside a cobweb, flew down towards me as I paused to switch on my flashlight. I screamed of terror. My heart almost came out of most. My eyes beamed to grow wide and they began to blink quickly. My hands felt trembled. A cool air came down to me making a chill run down my spine. The vivid black attic had tonnes of items hanging on the wall. I nearly ran wild while entering the room. The room was more a graveyard. A long unending stripe of red ran through the wall, from all sides. I spotted an ancient skeleton buried beneath torn and torpedo pieces of papyrus, a type of an early paper. My heartbeat went dead or it went dead fast I did not know. But my trembling feet moved on to witness certain more of these terrifying creatures. As I took a step, I felt warmth of someone approaching my back. After concentrating more and more, I came to know I was naked all over. A soft, silk woven hand of a girl smoothly glided though my long erect neck. My heart went up my mouth. I stood petrified. My hair stood straight. My fingers moved extremely fast. I slowly turned my neck to see who she was. Aaah! I yelled so loudly that even echo-sound speakers remained speechless. She was the one I saw in a horror movie a year ago.

Waking in a Moon Light

It was a bright beautiful night,
 when every where was moon light.
 The moon seemed on such a height,
 I wished to have there fast flight.
 The breeze was blowing left to right,
 making every item dance every site.
 On that calm and cozy night,
 There is love, serenity and no fight.
 The moon is there so are the stars,
 I am walking in a moon light.
 OH! What a luminous night,
 that I ask ye am I right? -

WANT TO BECOME A LOSER OR GOOD ONE?

Cadet Ibrahim Siraj Pasha, C-11008 (SL) Class: AS'1

Don't be fooled and trapped by the so-called and self-proclaimed champions and become LOSER. They are mostly hypocrites and fanatics and fanatics of any caste, creed, religion, community or country are lunatics, crazy, cunning and cruel. Their only thinking, intention and action is meant to cause harm and destruction.

They use the name of God, good, religion, humanity and peace to fool the people and achieve their evil designs and vested interests. This is how they trap the innocent people and make them helpless and slaves. This is how they become extremely powerful and influential.

So it is very important for us all to know and understand who the good and true people and leaders are and who are bad, crooks, cunning, corrupt, hypocrites and our committed enemies. The reality is that most of the so-called and self-proclaimed friends, champions of humanity, peace, democracy and justice are found as dark angels, harmful and destructive.

God likes and loves very much the good and true believers and true believers to help, support, promote, guide and lead them from the darkness to the light. We must read our holy books so that we all understand the true meaning of the messages and understand the enemies. All the prophets and preachers of the same divine message and preach the same message and do not confuse and mislead the people. Being The Cadet College Petaro particularly

Above, God has properly introduced Himself and clearly stated about human being. What is there more for us to understand? Yet we, Christians, Muslims and Jews, keep senselessly arguing, hating and fighting each other. All those who do this are they not the LOSERS? Yes, definitely they are. This is why we need to do self-accountability and strict monitoring in order to protect ourselves from becoming LOSERS.

What God likes and loves most is LOVE. So we need to promote love by all means in order to end hatred and defeat the real enemies on all fronts. Below, let's see what God has said in the holy Quran, one of the original holy books, about human beings. The Suras are all eye-opener for us. If we read with an open mind then only we can understand and fully enjoy the blessings. Now we have to decide whether we want to join and remain in the category of FANATICS & LOSERS or those LIKED & LOVED by God.

HOW HARD IS CHANGE TO COME BY!

Cadet Hamza Ali, C-11020 (SL) Class: AS'1

"RTK", a group found by an amateur, was an online group with a purpose. A purpose to bring "Revolution Through Knowledge". But, alas, a purpose discontinued. But why was it "discontinued"? Was it because the founder went out of money? Was it just because he was torn out? Or was it because the hardships he faced en route to change? These are some questions needed to be answered, questions that can mock anyone seeking experience.

Today's people is that they take everything for granted. They do not care about the things around them unless it specifically affects them. They ignore the needs of others who are not like them and have some potential, who think they ought to do something and those who could have brought some change. But these problems need to be tackled at once. We are in such desperate need for change that we are playing with ourselves. We need to change ourselves before we could change people.

The darkest places in hell are reserved for those who maintain their neutrality in times of moral crisis."(Dante Alighieri).

Was it because the founder went out of money? Was it just because he was torn out? Or was it because the hardships he faced en route to change? These are some questions needed to be answered, questions that can mock anyone seeking experience.

The problem with today's people is that they take everything for granted. They do not care for what is going on around them unless it specifically affects them. They ignore and look down upon others who are not like them and have some potential, who think they ought to do something and those who could have brought some change. But these problems need to be tackled at once. We are in such desperate need for change that we can afford time playing with ourselves. We need to change ourselves before we could even think of changing people.

"The darkest places in hell are reserved for those who maintain their neutrality in times of moral crisis."(Dante Alighieri).

THARPARKAR

Cadet Pawan Punhani, C-12020 Class O-III, Cambridge System

District Tharparkar is one of the most beautiful places of Pakistan. It is situated on south-east of Pakistan, and it occupies about 19638km² of the total population of the country. It also borders Pakistan and India with its tehsil called as Nagarparkar. Due to this reason, much of its population comprises of Hindus. However, it also comprises of other races too. Deserts don't get much popularity however, Tharparkar is not only popular before the tourists, but it is also popular for its minerals. Tharparkar comprises of coal, which not only gives a great financial support to the country, but it also decreases the burden of electricity from the country as it has constructed its own power plants. Recently, a thermal power plant is constructed at coal mine near Chachro tehsil, which supplies with 400 MW to the villages and cities.

Though Tharparkar is very beautiful, but its beauty becomes more visible in rainy seasons. After the rains Tharparkar becomes very greenish, which looks very beautiful. This attracts many tourists. Other than this, tourists are also attracted by sand dunes which make it more beautiful. "Gaddibhit" situated before Tehsil Mithi, is one of the tallest amongst the sand dunes. However, it also gets tourists attraction. Government has constructed many rest houses for tourists but, recently it has also constructed 3 star hotel on "GaddiBhit".

Tharparkar has many towns, however Mithi is the main center of the Tharparkar. Government has appointed many NGO's developing the district. However, it has also developed it by producing many government departments such Agriculture, Public health and Revenue departments etc. in Mithi, which makes this city more important than others. Others cities are Diplo, Islamkot, Chachro, and Chehlar etc.

Tharparkar has faced many droughts in the past however, recent drought has gave whole country a great shock. Due to malnutrition and starvation many people mainly comprising of children has been died. Many diseases are spreaded amongst the flocks which have also killed great number of them. However, these droughts have always hit the beauty of this place. But this place is still maintains its beauty.

WHAT'S UP MOM AND DAD!

Cadet Azhan-ur-Rehman
PC-009 (SL) Class: Pre O Level

We were born from a clot of blood
You never said oh crud"
You told us who should be our dad
Not the one who plays in the mud

You raised us up
We broke your cup
Injured your pup
Until we were to say what's up

Now we've grown up to own
Things to get you a thrown
So you never need a ban
Or more a single bone

We want you to sit up
Get you a million cups
Even more pups
So you can say what's up

Coz that what you deserve
For bringing the cure
Caused by love
In the form of a dove

Dedicated to the one
Who kept me from being sad
Don't be jealous people!
They are my Mom and Dad

MY MOTHER I LOVE YOU!

Cadet Syed Ahad Shah,
Kit#13130 (LF)

To have helped a thousand,
But not herself,
She cares not
For herself,

Yet she mends so much,
With hands so soft,
And heart so long,

Although our life's she lead us
A beacon of hopes and glee,
Or rather from heaven did she descends,
Is the person whom I love the most.

Than anyone can comprehend
My dear Mother.

A true model Allah has sent to me
A person whom.

Through thick or thin,
At every minute near,
And every walking movement,
I feel the urge to say.

Ami I love you,
You are perfect in every way.

TRUST YOURSELF; YOU CAN ACHIEVE ALMOST EVERYTHING.....!

Cadet Mahad Ali, C-11014 (SL) Class: AS'1

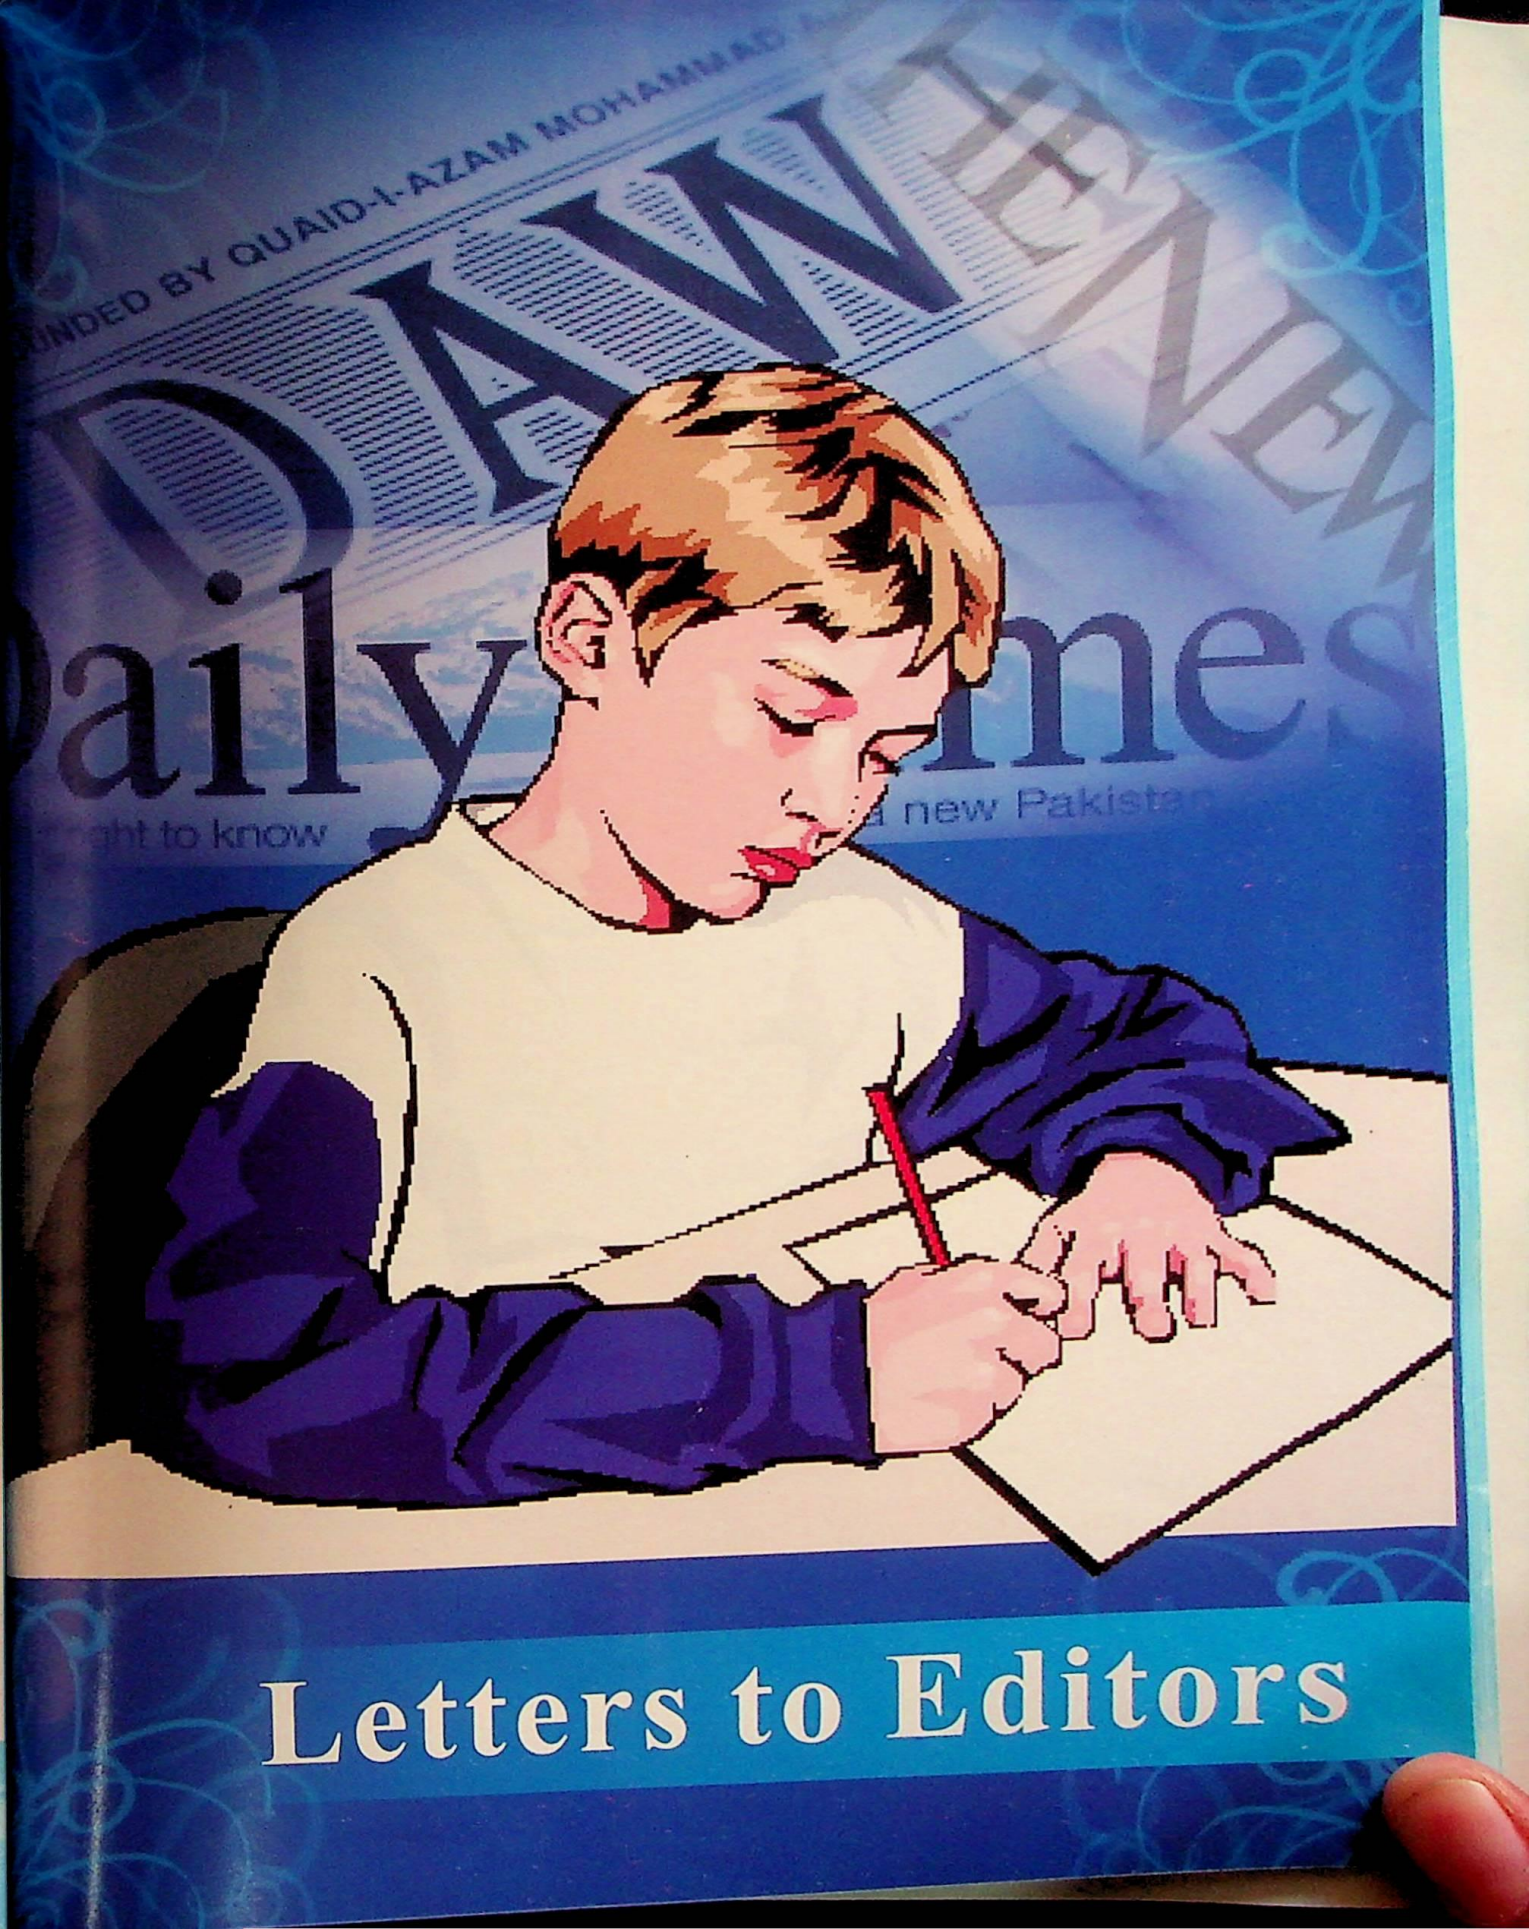

I made this quote my code of success and it really brought me what it promises. I give full credit of all my achievements till now, to this motivational line.

You must never limit yourself to certain height. There is always much to achieve and a space for improvement. The only thing one must need to discover in oneself is self-confidence.

All the famous icons in the history got fame out of their individual philosophy that eventually changed the world. Sir Isaac Newton discovered gravity. It was just a falling apple that boosted up his thinking. He had confidence on his thoughts. Many apples fell before but no only exceptional minds get prompted and peep into the depth of things. There are plenty of examples of such great minds who trusted themselves and made the difference.

Nelson Mandela is known for his long walk to freedom for the people of Africa. Why among thousands of sufferers, he raised his voice? He spent 40 years in imprisonment but never gave up his word and now he is renowned for his courage and determination. The key behind his struggle was confidence that gave him success.

We must see things around us thoroughly and fight the challenges with a confidence on our words and actions. Once we are determined, no any obstacle can turn us down. Thus, we can achieve almost everything.

Karachi attack: supporting army

THE attack on Karachi airport left 29 dead, including the seven who were trapped inside the cold-storage room. The relatives of the trapped people received desperate calls from their loved ones inside the cold storage room, asking for help.

The Civil Aviation Authority was immediately informed about the incident. Even then the rescue operation didn't begin on time.

The media coverage woke up the ministers who seemed to be in deep slumber. The defence minister didn't even know about the accident. He was informed about it during a press conference. This clearly shows the lack of responsibility. If we compare the same incident with the ferry sinking that left many dead in South Korea, Prime Minister Chung Hong-won took the responsibility of the accident, saying that the delay in the rescue operation resulted in the loss of lives.

Pakistan should learn from this and the ministers concerned should at least accept their failure instead of blaming each other.

Published in daily 'The News'

SAY NO TO DRUGS

People addicted to drugs come from different family backgrounds: people from affluent families; people living in slums; educated, illiterate, etc. They think that taking drugs would provide instant relief from their hectic life. This addiction is particularly worrisome for families living on daily wages. Drugs addicts end up squandering most of their rickety earnings on the drug use. This way they put not only themselves in trouble but their families as well. More often women bear the brunt of their husbands' addiction habits. They face torture, beatings and have to do the onerous task of rearing their children.

Those still using drugs should understand that they are ruining their lives, ruining lives of their wives and children and destroying their families. We all should play our part and persuade drugs addicts to fear God and respect the lives of their kith and kin.

BAD EDUCATION

The province of the Sufis is forced to undergo lack of a proper education system. The condition of Sindh's schools is terrible with no electricity and furniture. Apart from that, the teachers are often found missing from the school because of the much-criticised monthly pay without any checking of the attendance. And when once in a blue moon they are found in classrooms, they are busy in engaging students with odd jobs. This state of education in Sindh is killing any hope of a better nation. I think every child has a right to get the best possible education. The higher authorities must take immediate action to ensure basic education to every child.

Lahore Killings

THE Punjab Chief Minister has offered to step down if the judicial commission holds him responsible over violence in Lahore.

He has already been blamed for giving verbal orders to the police to torture the lawyers on October 1, 2010. Soon after this incident, the Supreme Court formed a judicial commission to submit its report.

The report of the judicial commission alleged that the Punjab Chief Minister, the Chief Justice of the Lahore High Court and the Punjab Chief Secretary issued orders for police to torture lawyers. Now Mr Sharif should resign because he has already been accused of ordering police to torture lawyers by the previous judicial commission.

The students keep suffering

Sir: I want to highlight the current issue being faced by Cambridge Board students who are doing their O and A levels. The students work hard to get good grades by burning the midnight oil. Afterwards, they go for the "equivalence certificate" issued by the Inter Board Committee of Chairman (IBCC) so that they can gain admission in Pakistani universities as demanded by most of them. Unfortunately, the students who get the equivalence certificate are punished by the formula that converts their marks. The current formula for conversion of grades to marks is not justified. It means that even if the candidates burn the candle at both ends to achieve an A grade in compulsory subjects, they cannot get more than 90 percent. Secondly, if a student is picking extra subjects they will not be awarded any credit for them in the equivalence certificate. O and A levels are the most competitive examinations that students give in a totally cheating-free environment compared to other local boards. In return the students are punished in the shape of the equivalence certificate. The IBCC should review the equivalence formula so that candidates can secure marks purely on their performance.

The Weary Traveler

I am a student in Petaro Cadet College and I live in Pano Akil, I have to travel often back home and this travel has made me realize how much our government needs to improve their performance. Actual travel time is five and a half hours from Hyderabad to Pano Akil, but due to pathetic condition of the roads it takes double the time. I wonder who is responsible for the time I waste while travelling? Is anyone taking responsibility for the bad conditions our roads are in while millions of rupees are allocated in the budget every year? Where does the money go?

There is little doubt that it is National Highway Authority and I feel ashamed when I pay Rs 150 to them while travelling on such horrific roads. The most pathetic condition is at Rohri, Khairpur and Moro as has been proved by innumerable accidents which occur every day. The worst accident happened recently killing 53 and leaving many injured on November 11, 2014. Finally an FIR was registered and 3 NHA officials were named responsible for the accident. No results have come, as usual, the NHA officials and the police of Khairpur, whose job is to arrest those NHA officials have done nothing. The concerned officials should be held responsible and taken to task.

(Letter to Editor by Cadet Wajih Iqbal, Kit No. C-12019 (SL) published in daily The News)

It is observed that Cambridge/O-Level students have an upper hand in terms of knowledge than their counterparts in the matric system. This is because of a good education atmosphere where cheating during examinations is out of question. Also because there is no money involved whereby a candidate can influence his or her examination result.

Despite all this, it is strange that Cambridge students are being discriminated against during admissions to Universities. The government should look into the possibility of adopting the Cambridge system in the country.

نماز هڪ بهترين عبادت آهي

نماز اسلام جي پنجن مکيه رڪنن منجهان هڪ اهم ۽ افضل ترين رڪن آهي. اسلام ۾ پنج وقت نماز پڙهڻ فرض آهي. توحيد جي ڪلمي کانپوءِ نماز جو درجو آهي جو گهنگار ۽ انڪار ڪندڙ اسلام کان خارج ٿي وڃي ٿو.

قرآن شريف ۾ سڀ کان وڌيڪ جنهن عبادت جو تاڪيد فرمايل آهي اها عبادت نماز آهي. حضرت محمد مصطفيٰ صلي الله عليه وآله وسلم جو ارشاد آهي ته اي مسلمانو! نماز قائم ڪريو ڇو ته نماز اسان کي ان ڳڻين برن ڪمن کان بچائي ٿي ۽ نبي ڪريم صلي الله عليه وآله هڪ حديث شريف ۾ نماز کي مؤمن جو معراج قرار ڏنو آهي ۽ پاڻ ان تي پابنديءَ سان عمل ڪري ڏيکاريو آهي.

پنهنجي زندگيءَ جو حق ادا ڪري ٿو سراپا عاجزي ذريعي پنهنجي خالق ۽ مهربان مالڪ جي محبت حاصل ڪري ٿو ۽ پنهنجي پاڻهار سان هم ڪلاميءَ جو شرف حاصل ڪري ٿو. نماز جا ڪيترائي روحاني، جسماني ۽ اخلاقي فائدا آهن جيڪي انسان لاءِ ضروري آهن. نماز پڙهڻ سان جسم پاڪ رهي ٿو، ڪپڙا پاڪ ۽ صاف رهن ٿا. بدن چست ۽ تندرست رهي ٿو ۽ نمازي ماڻهوءَ کي معاشري ۾ عزت ۽ پيار پيرين نگاهن سان ڏٺو وڃي ٿو ۽ روح کي وڏي سگهه عطا ٿئي ٿي جنهن ڪري هو هر وقت روحاني تسڪين سان مالا مال رهي ٿو. نماز انساني مساوات جو نمايان مثال آهي جنهن جو مثال ملڪ توڙي دنيا جي ٻئي ڪنهن به مذهبي تعليم ۾ نٿو ملي.

نماز انسان کي وقت جي پابندي سڀڪاري ٿي ۽ نظم و ضبط پيدا ٿئي ٿو. هڪ امام جي اڳواڻيءَ ۾ پنهنجي حقيقي پاڻهار اڳيان سر بسجود ڪهڙو نه بهترين عمل آهي. مقصد ته نماز ڪيترن ئي ديني فائدين واري شيءِ آهي ان ڪري نماز جو هر هنڌ ۽ هر هر ذڪر ڪيو وڃي ته ايتري قدر جو جنگ جي حالت ۾ نماز معاف نه آهي ۽ بيماريءَ جي صورت ۾ به نماز اشارن سان ادا ڪرڻي آهي.

حضرت امام حسين عليه السلام ڪربلا جي ميدان ۾ تلوارن هيٺان نماز ادا ڪري ثابت ڪري ڏيکاريو ته نماز جي ڪيتري اهميت آهي ته اسان نماز جو خيال رکون ۽ هر حالت ۾ هميشه پنج وقت نماز ادا ڪريون.

سڀني عبادتن ۾ خدا کي سخت پياري آ نماز
نفس نافرمان جي قاتل ڪتاري آ نماز
نماز جو پڙهي دل جي خشوع سان ٿو
ٿي سج سچ ان جي لاءِ نياري آ نماز

والدين چير چانو آهن

والدين الله تعاليٰ جي طرفان هڪ انمول تحفو آهن. جيڪو حضرت آدم عليه السلام کان وٺي مسلسل هلندو پيو اچي. والدين اهي هستيون آهن جيڪي ڏونگر کي ڌاري، ريگستانن کان پار ڪري به پنهنجي اولاد کي هر سڪ ۽ سُڪون ڏيندا آهن.

والدين لاءِ چيو ويندو آهي ته هر اهو مجبور شخص جيڪو والدين کان محروم ٿي ويندو آهي، ان جي لاءِ دعائن جا دروازا بند ٿي ويندا آهن. والدين هڪ اهڙو رشتو آهي، جيڪو پل پل پنهنجي اولاد لاءِ دعائون گهرندو آهي. والدين لاءِ حضرت محمد ص جن فرمايو ”بدنصيب آهي اهو شخص جيڪو والدين کان دعا نه گهرندو آهي ۽ ٻين کي چونڊو آهي ته منهنجي لاءِ دعا ڪجو“.

والدين اهي شخصيتون آهن، جيڪي هر ڏک سُڪ، سُور درد سانڍي به پنهنجي اولاد کي ڪامياب ٿيڻ ۾ سندن هر مدد ڪندا آهن اڄڪلهه هن دنيا ۾ ٻيو ڪوبه ڪنهن سان سچي محبت ۽ سچو پيار ڪونه ٿو ڪري سواءِ ان والدين جي، جن جو پيار ۽ محبت لالچ ۽ ٻين سڀني شين کان پاڪ هوندو آهي حديث شريف ۾ آيل آهي ته:

الجنة تحت الاقدام الامهات ترجمو: جنت ماءُ جي قدمن هيٺيان آهي

والدين پنهنجي اولاد سان ايترو ته پيار ڪندا آهن جو دنيا ۾ ڪٿي به مثال نه ملندو پوءِ چونه اهي والدين پڪي پرندا، گڏهه، گهوڙا هجن انهن کي پنهنجي اولاد پياري هوندي آهي. اهي به پنهنجي اولاد سان اٿاهه الفت ڪندا آهن.

قرآن پاڪ آيت ۾ آيل آهي ته ”جڏهن توهان جا والدين پوڙهائپ واري عمر تي اچي رسن ته انهن کي جيتوڻيڪ اُف به نه چئو. پر افسوس صد افسوس جو اڄڪلهه جا نوجوان پنهنجي والدين سان ڪيڏو نه پرو ورتاءُ ڪن ٿا.“

پاڻ ڪريم ص جن جو هڪ ٻئي جڳهه تي فرمان آهي ته ”جيڪو شخص صبح صبح جو ماءُ جي نوريري چهرې جو ديدار ڪري ته ان کي هڪ حج ڪرڻ جيترو ثواب ملي ٿو“ ”دعائون“ ۽ ”يقين“ نظر ته ڪونه ايندا آهن پر ناممڪن کي ممڪن بڻائي ڇڏيندا آهن، جيڪي اسان کي هميشه والدين کان ئي حاصل ٿيندا آهن. ماءُ لاءِ چيو ويندو آهي ته ”ماءُ جي دعا، جنت جي هوا“.

اسان جي والدين جي لبڻ تي ۽ دل مان نڪرندڙ اها ڳالهه آهي ته ”ڏک سُڪ نپائي وينداسين شال تون آباد هجين“. اسان کي گهرجي ته اسان پنهنجي والدين جي فرمانبرداري ڪريو ۽ سندن حڪمن کي ڪڏهن به ٻني پويان اڇلائي يا ڪن لاتار نه ڪيون بلڪه پنهنجي والدين جي خدمت ڪري دعائون وٺي پنهنجي زندگي کي بهتر بڻايون.

 اصل انقلابي هي استاد آهن.
 جڳ ۾ جيئي استاد اسان جو
 مٺو کير پيئي استاد اسان جو

ان ڪلاڪ سمهڻ ڏکيو ڪم ٿيو پوي جو ان دوران سج آڏي رات جو ٻارهيون بجي ڌاري لهي وري تن ڪلاڪن بعد اڀريو وڃي ٿو.

مون کي سٽيلڊن ۾ رهڻ جي پهرين رات ٿي ياد اچي. مٿي يا جون جو مهينو هو يعني ڏينهن وڏا هئا ۽ راتيون مختصر. مون وٽ ان رات نه واچ هئي نه گهڙيال. سمهڻ مهل مون کي اهو ڏيان ۾ نه آيو ته دريءَ جا پٽڙا ڏٺي سمهڻ ڪپي. ڪراچيءَ کان سفر ڪري پهتو هوس ۽ سخت ٿڪل هوس. سو ڏهين بجي ڌاري پاسي کان سج مٿي چڙهي آيو هو ۽ سڄو ڪمر واس ٿي ويو هو. ان وقت جيتوڻيڪ ايجان صبح جا پنج ٿيا هئا پر واچ نه هجڻ ڪري مون کي ائين لڳو جڻ منجهند جا ڏهه يارهن ٿي ويا هجن. مون کي ڏاڍو افسوس ٿيو ته اڄ پهرين ڏينهن ٿي مون کان يونيورسٽي جا ڪلاس مس ٿي ويا.

پر جڏهن دريءَ کان ٻاهر نگاهه ڪيم ته اهو ڏسي وائڙو ٿي ويس ته نه روڊ تي اها ڏينهن واري ٽريفڪ هئي ۽ نه دڪان ڪليل نظر آيا. دڪانن اڳيان ٻه رول ڪتا ۽ پارڪ جي بينچ تي هڪ ٻلي گهاٽي ننڊ ۾ سٽي پئي هئي. مون کي طلسماتي ڪهاڻين جي رات ياد آئي جنهن ۾ جادوگر سڄي شهر کي بيهوش ڪري ويو هجي. ٻاهر نڪري ورائڊي ۾ لڳل گهڙيال کي ڏٺم ته ڳالهه سمجهه ۾ اچي وئي ته سج ته ڪوئين يا چئين بجي اڀري ويو آهي پر ڪانٽا ڇهه جو وقت پيا ڏيکارين. يعني ايجان نيرن ۾ به ڪلاڪ آهي ۽ يونيورسٽي وڃڻ ۾ ته ٻه ڪلاڪ آهن. هنن اتراهن ملڪن جي اونهاري ۾ اهو فرق آهي ته جتي اسان وٽ اونهاري ۾ سخت گرمي ٿئي ٿي اتي هنن ملڪن جو اونهارو بيحد ٿڌو ۽ فرحت بخش رهي ٿو. بلڪ اونهاري ۾ ئي هن پاسي بهار ۽ زندگي نظر اچي ٿي. سياري جي ٿڌ ۾ ٺوڙها ٿي ويل وڻ هڪ دفعو وري ڇهڇ ساون پنن سان پرڄيو وڃن.... پارڪ گلن سان پرڄيو وڃن.... ڏکڻ ڏي يعني آفريڪا، آسٽريليا، وينڊي سنڌ، ڪڇ، گجرات ڏي لڏي ويل ڪونجون، هنجر، آرڙيون، تلور نيرڳ، لنج، چيڪلا وغيره موٽي اچن ٿا.... چوڌاري ماڻهو گهمندي ۽ ڳالهائيندي نظر اچن ٿا. هن پاسن جو سيارو اداسي ۽ مايوسي وارو ٿئي ٿو. سخت سيءُ ڪري هر ڪو گهر ۾ قيد ٿيو وڃي چوڌاري برف باري ۽ اونڊاهه جو ڏيک رهي ٿو. سياري جي موسم ۾ عورتون ته تمام گهڻيون پر مرد به ڊپريشن جو شڪار رهن ٿا. خودڪشين جو انگ به سياري ۾ گهڻو رهي ٿو.

هنن ملڪن جي اسان لاءِ هڪ ٻي حيرت ۾ وجهندڙ ڳالهه اها آهي ته هن پاسي اونهاري ۾ به ايتري ٿڌ ۽ ٿڌيون هوائون لڳن ٿيون جو پنڪي جي ضرورت ٿي نٿي پوي. هن پاسي جي ملڪن ۾ توهان کي نه ٽيبل فين نظر ايندو ۽ نه چٽ وارو پنڪو. بسين جون دريون هميشه لاءِ بند رهن. سٽيلڊن، ناروي ۽ فنلئنڊ پاسي جي ڪيترن ماڻهن پنهنجي سڄي زندگي فتن ڏٺو ٿي ڪونهي جيئن ملائيشيا جي ڪيترن ماڻهن ڪڏهن هڪ دفعو به سٽيٽر يا ڪوٽ پاتو ناهي جو ملائيشيا ۽ انڊونيشيا جهڙن ملڪن ۾ جيڪي خط استوا وٽ آهن، ڪڏهن سيءُ ٿئي ٿي ڪونه. ٻارهوئي موسم گرم رهي. رکي رکي مينهن پوي جنهن ڪري گرمي ڪجهه گهٽ ٿئي.

لياقت هائوس

اتر يورپ جو سيارو ۽ اونهارو

دنيا ۾ ڪي ملڪ ۽ قومون پنهنجي مذهب مطابق سج يعني Solar ڪئلينڊر کي فالو ڪن ٿيون ته ڪي چنڊ يعني Lunar ڪئلينڊر کي فالو ڪن. جيستائين گرمي ۽ سردي جي ڏينهن جون موڪلون آهن يا فصل پوکڻ لڻڻ جون تاريخون آهن اسان مسلمان شمسي Solar ڪئلينڊر مطابق هلون ٿا باقي مذهبي ڳالهين حج، رمضان وغيره لاءِ اسان قمري (Lunar) ڪئلينڊر کي فالو ڪريون ٿا جنهن جي سال ۾ 15 ڏينهن گهٽ ٿين ٿا.

شمسي ڪئلينڊر سان ڪرسمس ڊي جهڙيون تقريبات هر سال ساڳئي موسم ۾ اچن ٿيون. پر اها سني ڳالهه آهي ته رمضان وغيره قمري سال مطابق ٿئي ٿو ته مثال طور رمضان سال نومبر ۾ ٿئي ها ته اسان وٽ پاڪستان ۾ يا ايجان مٿي اتر ۾ روس، ترڪي، پولنڊ، جرمني جي رهاڪن لاءِ روزا هميشه ٿڌا ۽ ننڍا (5، 6 ڪلاڪن جا) هجن ها ۽ ڏکڻ اڌ گول جي ملڪن جو مٿي، روڊيشيا، ارجنٽائين، آسٽريليا وغيره ۾ هميشه گرم ۽ گهڻن ڪلاڪن (15 کان 20 ڪلاڪن) وارا هجن ها.

اسان وٽ اونھاري ۽ سياري ۾ ڏينهن رات جو ڪو وڏو فرق نٿو ٿئي. مثال طور جون جولاءِ ۾ وڏو ڌرتي 14 ڪلاڪ جو ڏينهن ٿئي ٿو. پڙهندڙن جي Idea لاءِ هتي هڪ مهيني ”جون“ جي 23 تاريخ ڪجهه اتر قطب کي ويجهو ملڪن ۾ سج اڀرڻ ۽ لهڻ جا وقت لکان ٿو. ماروي - سج جو اڀرڻ صبح جا 4 ۽ لهڻ رات جا 11 يعني 19 ڪلاڪ سج رهي ٿو ۽ سج لهڻ کانپوءِ به ڪلاڪ ٻه روشني رهي ٿي. يعني رات واري اونداهه فقط 3 ڪلاڪ مس ٿئي ٿي. الاسڪا (آمريڪا) ۾ ساڍي چيئن بجي صبح جو سج اڀري ٿو ۽ 12 بجي اڌ رات جو لهي ٿو. يعني سج لهڻ کانپوءِ رهندڙ روشني کي ملائي تقريباً 21 ڪلاڪ ڏينهن رهي ٿو باقي 3 ڪلاڪ کن رات واري اونداهه.

آئيس لينڊ بئٽ اڃا گهڻو اتر ۾ آهي. اتي اونھاري ۾ يعني هن جون جي مهيني ۾ سج صبح جو 3 بجي اڀري ٿو ۽ 21 ڪلاڪن بعد 12 بجي اڌ رات جو غروب ٿئي ٿو جنهن بعد ڪلاڪ ٻه روشني رهي ٿي يعني هتي 23 ڪلاڪ کن ڏينهن لڳو بيو آهي باقي ڪلاڪ کن اونداهه مس آهي.

اهڙن ملڪن ۾، جيئن آئون پڙهائي دوران سٽيڊن ۾ رهندو هوس يا نوڪري دوران ناروي ۽ فنلنڊ جهاز وٺي ويندو هوس، ماڻهو اسان وانگر اونداهه ٿيڻ تي نه سمهن نه سج اڀرڻ تي اٿن. هو گهڙيال جي سئين مطابق سمهن ۽ اٿن - ناروي، ڊنمارڪ، سٽيڊن، فنلنڊ پاسي توهان کي گهرن جي درين تي به پڙدا نظر ايندا. هڪڙا سنهڙا سونهن لاءِ پيا انهن جي پٺيان ٿلها تڪي رنگ جا. اونھاري ۾ ڏهين بجي رات جو پڙدا ڏٺي ڪمري ۾ اونداهه ڪري سمهڻو پوندو آهي ڇو جو ٻاهر سج چمڪندو رهي ٿو. بنا پڙدن جي رات وارا ڇهه

علمِ رِيءَ انسان!!

علم عربي ٻوليءَ جو لفظ آهي جنهن جي معنيٰ آهي ”ڄاڻ“ يا ”معلومات“ علم نه فقط حيوان کي انسان بڻائي ٿو. بلڪ انسان کي اونداهيءَ مان ڪڍي سوجهري ۾ آڻي ٿو. جيڪڏهن انسان کي اشرف المخلوقات جو لقب مليو آهي ته فقط علم جي ڪري اسان جي پياري نبي حضرت محمد مصطفيٰ صلي الله عليه وآله وسلم کان علم بابت روايت آهي ته ”علم حاصل ڪرڻ هر مسلمان مرد توڙي عورت تي فرض آهي.“ مطلب ته علم حاصل ڪرڻ هر مسلمان تي فرض آهي. ان مان اهو ثابت ٿئي ٿو ته علم جي ڪيڏي وڏي اهميت آهي. علم هڪ اهڙي دولت آهي جيڪا وڌيڪ خرچ ڪرڻ سان وڌي ٿي. علم نه ڪو چورائي سگهي ٿو نه ٿي وري خريد ڪري سگهي ٿو. علم حاصل ڪرڻ لاءِ محنت تمام ضروري آهي. اسان جي پياري نبي حضرت محمد مصطفيٰ صلي الله عليه وآله وسلم علم بابت اهو پڻ فرمايو ته علم حاصل ڪيو پيڻگهي کان قبر تائين. ان جو مطلب آهي ته توهان پوري زندگي علم حاصل ڪيو ڇو ته علم ڪٽڻ وارو ناهي. علم جيترو وڌيڪ ايترو وڌيڪ فائدو اسان جي پياري نبي حضرت محمد مصطفيٰ صلي الله عليه وآله وسلم جن فرمايو ته مان علم جو گهر آهيان ۽ علي رضه ان جو دروازو آهي ان مان اهو ثابت ٿئي ٿو ته علم جي ڪيڏي اهميت آهي. حضرت محمد مصطفيٰ صلي الله عليه وآله وسلم پاڻ کي علم جو شهر سڏيو آهي. علم نه فقط حاصل ڪيو پر ان تي عمل پڻ ڪيو. عمل کان علاوه علم جو ڪو فائدو نه آهي.

حضرت محمد مصطفيٰ صلي الله عليه وآله وسلم کان روايت آهي ته علم حاصل ڪيو پوءِ پلي ان لاءِ توهان کي چين به ڇو نه وڃڻو پئي. ان حديث جو مطلب آهي ته علم حاصل ڪرڻ لاءِ توهان کي هر قسم جي مصيبت کي منهن ڏيڻو گهرجي. پلي پوءِ توهان کي پرديس ڇو نه وڃڻو پوي. انهن سڀني حديثن مان ثابت ٿئي ٿو ته علم جي اهميت تمام گهڻي آهي. سنڌي ۾ علم بابت هڪ چوڻي مشهور آهي ته علم انسان جي ٽين اک آهي. جيڪا انسان کي حق ۽ باطل ۾ فرق ڏيکاري ٿي. هڪ سياڻي ماڻهو چيو آهي ته:

علم جي قلم جي مس شهيدن جي خون کان بهتر آهي مگر اهو تڏهن جڏهن عالم حق ۽ سچ لاءِ قلم کڻي. ان لاءِ اسان کي گهرجي ته اسين پوري زندگي علم حاصل ڪريون. جيئن هميشه هن دنيا مان سٺن ڪمن لاءِ سڃاتا وڃون ڇو ته علم رِيءَ انسان جو ڪوبه مُلھ ڪونهي.

بيربل وزير جي ڏاهپ

هڪ دفعي جي ڳالهه آهي ته بادشاهه اڪبر پنهنجي دربار ۾ ويٺو هو. بادشاهه سان گڏان جا سڀ وزير دربار ۾ حاضر هئا. بادشاهه وٽ هڪ شخص حاضر ڪيو ويو جنهن ڪوڙ ڳالهائي هڪ ٻئي شخص کي لٽيو هو. بادشاهه ان کي سزا ڏني ۽ پنهنجي وزيرن سان گفتگو ڪيائين. ان دوران بادشاهه چيو ته مون کي پنهنجي ملڪ ۾ ڪوڙ ڳالهائڻ وارا نه ڪين ۽ سڀني وزيرن کان پڇا ڪيائين ته توهان مان ڪو ڪوڙ ڳالهائيندو آهي ڇا؟ سڀني وزيرن چيو ته اسان ڪوڙ نه ڳالهائون آهي بلڪ پنهنجي پوري زندگي ۾ ڪوڙ نه ڳالهائون آهي. پر بادشاهه جي سڀ کان عقلمند وزير چيو ته مان ڪوڙ ڳالهائون آهي انهيءَ تي بادشاهه حيران ٿي ويو ته بيربل پنهنجي زندگي ۾ ڪوڙ ڳالهائون آهي ته ان تي بيربل جواب ڏنو ته ڪڏهن ڪڏهن اسان کي ڪوڙ ڳالهائڻو پوندو آهي. ته بادشاهه ان تي ناراض ٿي ويو ۽ چيائين ته مون کي پنهنجي دربار ۾ ڪوڙو وزير نه ڪي ۽ پوءِ بيربل کي دربار مان ڪڍي ڇڏيائين.

ڪجهه مهينن کانپوءِ بيربل دربار ۾ حاضر ٿيو ۽ بادشاهه سان ڳالهه ڪندي چيائين ته مون کي هڪ فقير سونا سنگ ڏنا آهن ۽ چيو آهي ته هي سنگ جيڪڏهن ڪنهن ملڪ جي سڀ کان بهترين زمين ۾ پوکيا وڃن ته اتي سونو فصل ٿيندو. بادشاهه بيربل جي ڳالهه مڃيندي پنهنجي غلامن کي چيو ته سڀ کان پلي زمين ڳوليو ٻن ڏينهن کانپوءِ بادشاهه پنهنجي سڀني وزيرن سان گڏان جاءِ تي ويو ۽ بيربل به اتي موجود هو. بادشاهه چيو ته هاڻي اسان پوکي شروع ڪيون ته ان تي بيربل جواب ڏنس ته بادشاهه مان توهان کي هڪ ڳالهه ٻڌائڻ پلجي ويس ته هي سنگ اهو ماڻهو پوکي سگهي ٿو جنهن پنهنجي سڄي زندگي ۾ ڪوڙ نه ڳالهائون هجي نه ته سونو فصل نه ٿيندو. بادشاهه جواب ڏنس ته ٻين وزيرن ڪوڙ ناهي ڳالهائون جڏهن بادشاهه انهن کان پڇيو ته انهن چيو ته اسان ته ڪوڙ ڳالهائون آهي ۽ اسان توهان کان معافي ٿا وٺون انهيءَ تي بادشاهه حيران ٿيو ته هنن مون سان ڪوڙ ڳالهائون آهي. ان تي بيربل بادشاهه کي چيو ته توهان چو نه ٿا پوکيو توهان ته ڪوڙ ناهي ڳالهائون ته ان تي بادشاهه به حيران رهجي ويو ۽ پاڻ به قبول ڪيائين ته مان به ڪوڙ ڳالهائون آهي. ان تي بيربل چيو ته هي سنگ مون کي ڪنهن فقير نه ڏنا آهن پر هي ته مان پاڻ ٺهرايا آهن ته جيئن توهان کي احساس ٿئي. اها ڳالهه ٻڌي بادشاهه ڏاڍو خوش ٿيو ۽ بيربل کي وڏو انعام ڏنائين ۽ ان کي پنهنجي دربار ۾ اهائي حيثيت واپس ڪيائين.

عمر، ابوبڪر، عثمان غني، بيبي خديجه ۽ بيبي عائشه ۽ ساڍا ست هزار (7500) اصحابن ۽ ٻين عظيم هستين جي روشن مبارڪن جون زيارتون ٿيون. هن رحمت ڀري سفر ۾ جيڪو دل کي لطف آيو ان جي ڇا ڳالهه ڪجي، ته ڪنهن کي به ڪٿي آيو هجي. 19 جولاءِ 2014ع تي سعودي عرب جي تائيم مطابق 4 وڳي ۽ پاڪستاني 6 وڳي اسان جي فلائيت جڏهه کان ڪراچي اڏام ڪئي ۽ پاڪستاني 9 وڳي جناح ٽرمينل تي پهتاسين جتي اسان جي رشتيدارن اسان جو وڏي احترام سان آڏر پاءُ ڪيو. هي حسين لمحا ياد ڪرڻ سان دل بهار بهار ٿي وڃي ٿي. شل الله پاڪ اسان سڀني مسلمانن کي بار بار پنهنجي ۽ پنهنجي پياري رسول صه جي درجي زيارت عطا فرمائي. (آمين)

مولا گهماءُ مون کي مدينو
گناهن کان صاف ٿئي سڀني

---XXX---

هڪ سچو رشتو

ماءُ هڪ عظيم شخصيت آهي. ان جو پيار ايتري ته اهميت رکي ٿو جو انسان جي اوتري سوچ ئي ڪونهي. انسان جو رت ان جي ماءُ سان مليل آهي يعني ان جو رت ماءُ جو رت هوندو آهي. هن دنيا ۾ ماءُ جيترو پيار انسان کي ڪوبه نه ڏئي سگهندو آهي. ماءُ پنهنجي پڇڙي لاءِ سر ساهه قربان ڪندي آهي. ماءُ پنهنجي پڇڙي لاءِ راتين جون نندون ڦٽائيندي آهي. اگر هڪ ماڻهو پنهنجي ماءُ جا پيرن تي هٿ لاهيندو آهي سمجهو ته ان جنت کي هٿ لائو. ماءُ چاهي مسلمان هجي چاهي غير مذهبي هجي ان جي عزت ۽ پيار هميشه بلند هجي ۽ ان جو سر نه توهان جي غلطي سان جهڪي قرآن ۾ لکيل آهي ته ”اگر توهان جي ماءُ ضعيف ٿي وڃي ان اڳيان اُف نائين نه چوڃي“ ان ڪري چوندا آهن ته ماءُ جي پيرن هيٺان جنت آهي.

پلي پار ڏانهن پيرو

ڪنهن شاعر اهو ڪيترو نه خوبصورت چيو آهي ته ”مولا مدينو ڏيکار پوءِ پلي مار“ منهنجي هن خوبصورت سفر جي شروعات 18 جون 2014ع کان ٿي. جيڪو ڪراچي جناح ايئرپورٽ کان شروع ٿيو ۽ اسان جي فلائيٽ رات جو 10 وڳي هئي جنهن ۾ مان ۽ منهنجا گهروارا سفر ڪرڻ وارا هئاسين ۽ اسان جو هي سفر اسان کي حقيقي ڪائنات جي خالق جي گهر جي زيارت ڪرائڻ واري هئي. الله جي فضل و ڪرم سان اسان ڪراچي ايئرپورٽ کان پنهنجو احرام پاتوسين. اسان جو هي دل کي وڻندڙ سفر خير سان شروع ٿيو ۽ نيڪ تن ڪلاڪن کانپوءِ پاڪستاني 1 وڳي ۽ سعودي عرب جي ٽائيم مطابق 11 وڳي جڏهن ايئرپورٽ تي پهتاسين جتي اسان 2 ڪلاڪ جڏهن ايئرپورٽ جي ويٽنگ روم (Waiting Room) ۾ انتظار ڪيوسين ۽ ان کانپوءِ اسان مسافرن جي چيڪنگ شروع ٿي ۽ پوءِ اسان جو سفر جڏهن کان مڪي طرف شروع ٿيو جيڪو لڳ ڀڳ 180 ڪلوميٽر آهي ۽ دل ۾ (الله لاءِ) جون صدائون هيون. خير سان 5 وڳي مڪي جي مليل هوٽل ۾ پهتاسين جتي الله جي ڪرم سان وضو ڪرڻ کانپوءِ پنهنجو رخ مسجد حرام (حرم پاڪ) جي طرف ڪيوسين خوشيءَ جي ڳالهه اها آهي ته هن مقدس سفر ۾ مون سان گڏ اسان جو سڄو خاندان هو. وڏن جو چوڻ آهي ته خانءِ ڪعبه تي پونڊڙ پهرين نظر ۾ جيڪا دُعا گهري وڃي قبول ٿيندي آهي. اسان جو هي مقدس سفر منهنجي والد صاحب جي خانءِ ڪعبه تي پونڊڙ پهرين نظر جي صدقي آهي جيڪا منهنجي والد صاحب پوئين عمري ۾ خانءِ ڪعبه تي پونڊڙ پهرين نظر ۾ دُعا گهريائون الله جي فضل و ڪرم سان اسان پنهنجو پهريون عمر و بهترين ۽ عاجزيءَ سان تڪميل ڪيوسين ۽ عمري جي هر سنت پوري ڪئي ۽ 6 ڏينهن کانپوءِ اسان مديني ڏي روانا ٿياسين. مڪي کان مديني جو سفر تقريباً 6 ڪلاڪن جو آهي. ۽ سفر دوران هڪدم منهنجي دماغ ۾ خيال آيو ته ڪيترين ئي مشڪلاتن ۽ مصيبتن کي منهن ڏيندي اسان جي پياري نبي صه هن رستي تي پيرين پنڌ سفر ڪيو آهي. اسان الله جي ڪرم سان مديني پهچندي ئي مغرب ٽائيم مسجدِ نبوي جي زيارت ڪئي. بزرگن جو چوڻ صحيح آهي ته (مڪو مڪو آهي) ته (مدينو به مدينو آهي) الحمد لله! روضي رسول صه جي چارين تي نظر پوندي ئي اسان جا دل جا سڀ ارمان پورا ٿي ويا ۽ نيون اميدون پيدا ٿيون. هتي اسان حضرت

هتي کاڌي جي لحاظ کان هڪ شيءِ مشهور آهي. جنهن جون نالو آهي ”پيهون“ کاڌي ۾ هي مٺي جي طور استعمال ٿينديون آهن ۽ گهرو توڙي صنعتي لحاظ کان تيار ڪيا ويندا آهن. پيهون پوري سنڌ ۾ شوق سان کاڌا وڃن ٿا پر ٽنڊي محمد خان جا ٺهيل پيهون معيار جي لحاظ کان وڌيڪ پسند ڪيا ويندا آهن.

ڀلاري ۽ ڀاڳ واري سنڌ جي سرزمين، اوليائن ۽ درويشن سان ڀري پئي آهي. اهڙي طرح ٽنڊي محمد خان جي جهولي به وڏن وڏن بزرگن، درويشن ۽ ولين جي ڪري سڌا سائي آهي. انهن الله جي نيڪ بندن پنهنجي تعليمات ۽ ڪرامتن ذريعي انسانڌات کي دلي ۽ روحاني سکون عطا ڪيو ۽ انهن ايمان جي قوت فراهم ڪئي. انهن نيڪ ۽ پاڪ هستين ۾ حضرت شاهه عبدالڪريم بلڙي وارو، سيد عبدالفتاح شاهه، سخي مرتضيٰ شاهه، سيد نظر محمد شاهه، دولهه، سيد سلطان شاهه، سيد ملوک شاهه، شهيد بابا سپاڳو فقير، شيخ فريد ۽ ابراهيم شاهه وغيره آهن.

ڀاڻهياري سر بهڙو، جر تي پڪي جيئن
اسان سڄڻ ٿيئن، رهيو آهي روح ۾
(شاهه ڪريم رحا)

ڏاهن جا قول

- * دنيا ۾ جيڪي به مشڪلاتون آهن، ان جو سبب خراب ماڻهن جي ويڙهه نه، پر سٺن ماڻهن جي خاموشي آهي. (نيپولين)
 - * آءٌ ٿورائتو آهيان سڀني انهن ماڻهن جو جن مون کي ”نه“ چيو جنهن سبب مون هر ڪم پاڻ ڪيو. (آئنسٽائن)
 - * جيڪڏهن اوهان جي سڀ کان وڏي ڪمزوري دوستي آهي ته پوءِ اوهان دنيا جا مضبوط ترين شخص آهيو. (ابراهام لنڪن)
 - * اسان سڀني کي ڀائرن جيڪان رهڻ گهرجي يا وري چرين جيڪان هڪٻئي کي ماريوندا رهون (مارتن لوٿر)
- (چونڊ: ڪيڊٽ بلال ڪٽ نمبر 13135)

ٽنڊي محمد خان جي آبادي هن وقت تقريباً ڇهه لک آهي. جن مان 90 سيڪڙو سنڌي ڳالهائيندڙ جڏهن ته باقي 10 سيڪڙو اردو، سرائيڪي، پشتو ۽ پنجابي ٻوليون ڳالهائون وڃن ٿيون. مذهبي لحاظ کان هتي اڪثريت ۾ مسلمان ۽ اقليتن ۾ هندو ۽ عيسائي رهن ٿا. تعليمي لحاظ کان ٽنڊو محمد خان گهڻو اڳتي نڪري ويو آهي. هتي گورنمنٽ بوائز اسڪولن ۽ گرلز اسڪولن سان گڏوگڏ بوائز ۽ گرلز ڪاليج پڻ آهن. انهن کان علاوه پرائيويٽ اسڪول ۽ ڪاليج به وڏي تعداد ۾ موجود آهن. نهايت فخر سان اها ڳالهه به قابل ذڪر آهي ته هاڻي اتي هڪ ميڊيڪل ڪاليج جو قيام به ٿيو آهي، جنهن جو نالو ”انڊس ميڊيڪل ڪاليج“ آهي. هي ڪاليج سنڌ يونيورسٽي سان افيليئيٽڊ (Affiliated) آهي. منهنجي شهر ٽنڊو محمد خان جي موسم انتهائي وڻندڙ آهي. هي هڪ زرعي ۽ صنعتي شهر آهي. هتي جون زمينون نهايت ئي زرخيز آهن. هتي ڪمند، ڪيلو، چانور، ڪپهه ۽ سبزيون پوکيون وينديون آهن.

صنعتي لحاظ کان ٽنڊو محمد خان ۾ 5 شگر ملون آهن. تن مان هر هڪ فوجي شگر مل، آبادگار مل، فاران شگر مل، سيري شگر مل ۽ انصاري شگر مل آهن. ڪمند ۽ ڪنڊ جي گهڻي پيداوار جي ڪري هن شهر کي سنڌ جي ”شگر ڪين اسٽيٽ“ به چيو ويندو آهي. ان کان علاوه رائيس ملز ۽ فلور ملز جو به ڄار وڇايل آهي. سڀ کان مزي واري ڳالهه اها آهي ته هي شهر ڦليلي واه جي ٻنهي ڪنارن تي آباد آهي، جنهن جي ڪري شهر جي خوبصورتِي ۾ وڌيڪ اضافو ٿئي ٿو.

ٽنڊو محمد خان جو ذڪر ٿئي ۽ هتان جي ”اجرڪ“ جو ذڪر نه ٿئي اهو ممڪن نه آهي. ڇو ته هن صنعت يعني اجرڪ سازي کي سڄي سنڌ ۾ ٽنڊي محمد خان اجرڪ سازي جي ڪري مشهور آهي. نهايت بهترين ۽ خوبصورت اجرڪون هتي تيار ٿين ٿيون. اجرڪ سازي سنڌ جي ثقافت جي تمام اهم صنعت ليکي وڃي ٿي، اجرڪ سازي جو ڪم اصل ۾ مصر خان شروع ٿي مسلسل سفر ڪندي سنڌ ۾ پهتو ۽ سنڌ ۾ سڀ کان وڌيڪ ۽ سهڻيون اجرڪون ٽنڊي محمد خان ۾ ٺهن ٿيون. ٽنڊي محمد خان ۾ اجرڪ ٺاهڻ جا 12 ڪارخانا موجود آهن.

معدني وسيلن جي لحاظ کان به هي ضلعو مالا مال آهي. هتي تيل ۽ گيس جا وڏا ذخيرا موجود آهن، جن جو شمار ملڪ جي وڏن معدني وسيلن ۾ ٿئي ٿو. ٽنڊي محمد خان جي آئل فيلڊن ۾ بخاري آئل فيلڊ، چلگري آئل فيلڊ، سعيد نور آئل فيلڊ، خاصخيلي آئل فيلڊ، تنگڙي ۽ لاکاٽ آئل فيلڊ اچي وڃن ٿيون ان کان علاوه گيس فيلڊون به گهڻي تعداد ۾ موجود آهن.

جناح هائوس

ڳالهيون منهنجي ڳوٺ جون.....

سنڌ جي سونهن سوڀيا جو ته ڪو مثال ۽ مُله ڪونهي. سنڌ سراپا سونهن آهي. منهنجي شهر ٽنڊو محمد خان جو شمار سنڌ جي اهم شهرن ۾ ٿئي ٿو جيڪو پاڪستان جي (سنڌ) جي ڏاکڻي پاسي آهي. هن جي اُتر ۾ حيدرآباد ۽ ٽنڊو الهيار ضلعا، ڏکڻ اوڀر ۾ بدين ضلعو ۽ الهندي پاسي ۾ ضلعي ٺٽي سان ملي ٿو. اُتر اوڀر ۾ سنڌو ۽ درياءُ اٿس. حيدرآباد شهر ٽنڊي محمد خان کان 35 ڪلوميٽرن جي مفاصلي تي آهي.

ٽنڊو محمد خان پهريائين حيدرآباد ضلعي جو تعلقو هو. ٽنڊو محمد خان کي ضلعو بنائڻ هتان جي ماڻهن جي پراڻي خواهش هئي ۽ اها خواهش تڏهن پوري ٿي جڏهن سنڌ ۾ ان وقت جي وزير اعليٰ جناب ارباب غلام رحيم سنڌ ۾ وڌيڪ ضلعن ٺاهڻ جو اعلان ڪيو ۽ آخرڪار پنهنجي خوبصورت جاگرافيائي بيهڪ، ادب، ثقافت، تعليم ۽ وڌندڙ آدم شماري جي ڪري 2005ع ۾ ٽنڊي محمد خان کي ضلعي جي حيثيت ڏني وئي. ضلعو ٽنڊو محمد خان ٽن تعلقن ٽنڊو غلام حيدر، بلڙي شاهه ڪريم ۽ تعلقو ٽنڊو محمد خان تي مشتمل آهي. ضلعو ٿيڻ سان جتي انتظامي لحاظ کان وڏيون تبديليون آيون اتي تعليمي لحاظ کان به وڏو انقلاب آيو. ميڊيڪل ۽ انجنيئرنگ ڪاليجن ۾ هتان جي شاگردن کي وڌيڪ سیتون مليون، جنهن ڪري وڌيڪ ٽيلنٽ اُڀري سامهون آيو.

تاريخ جي جيءَ جهر وڪڻڻ ۾ جهاتي پائڻ سان اها خبر پوي ٿي. ٽنڊي محمد خان تي اهو نالو هن شهر جو بنياد وجهندڙ ٽالپر خاندان جي چشم و چراغ مير محمد خان جي نالي پٺيان پيو. مير محمد خان 1791ع ۾ هن شهر جو بنياد وڌو. شروع ۾ ننڍڙي ڳوٺ پوءِ ننڍڙي شهر مان ٿيندو جلد ئي پنهنجي آباد زمين، سرسبز باغن ۽ موافق آبهوا جي ڪري گهڻو مشهور ٿي ويو. هن شهر جي قائم ٿيڻ جي ڪجهه سالن کانپوءِ 1809ع ۾ هڪ انگريز محقق سر هينري پاٽيچرس هتي آيو ۽ ٽنڊي محمد خان جي خوبصورتِي، هنر، شادابي، دلفريب نظارن ۽ پُرسڪون پٺيان کان ڏاڍو متاثر ٿيو ۽ ڪجهه وقت هتي قيام ڪيائين. هتان ويڃڻ کانپوءِ هن جيڪا تاريخ لکي ان ۾ هن شهر جي پرپور تعريف ڪندي لکيائين ته هي لاڙ جو نهايت ئي سڪيو ستابو شهر آهي، جتي ڦليلي جي ٻئي طرف ٻيلي، گلن ۽ جانورن جي موجودگي هن شهر کي وڌيڪ خوبصورت بنائي ڇڏيو آهي.

لطيف سرڪار جي نگرِيءَ تي گهاريل ڪجهه گهڙيون...

شاهه عبداللطيف ڀٽائي رح اسان جي سنڌ جو هڪ مشهور صوفي شاعر ٿي گذريو آهي. شاهه صاحب جي مزار ”ڀٽ شاهه“ ۾ آهي. ڀٽ شاهه هڪ مشهور شهر آهي جيڪو هالا ۽ مٽياري جي وچ ۾ واقع آهي اها ذوالحج جي 14 تاريخ هئي رات جا 7:30 ٿي رهيا هئا ۽ ڪاليج واپس اچڻ ۾ 3 ڏينهن باقي هئا. مون ۽ منهنجي ڀاءُ سوچيو ته هن موڪلن ۾ ڪيڏانهن گهمڻ نه ويا آهيون. چون اڃ ڪيڏانهن گهمڻ جو خيال ڪجي آخر صلاح ڪرڻ کانپوءِ سوچيوسين ته اڃ 14 هين جي رات آهي چون شاهه صاحب جي مزار تي حاضري ڀري اچون. بابا کي چيوسين ته بابا به مڃي ورتو. پوءِ ته اسان گاڏي تي نڪري پياسين. تقريباً رات جو 10:00 بجي اسان ڀٽ شاهه تي پهتاسين. اتي پهچي ڏٺوسين ته مارا چڙ ته اڃ سڄي سنڌ ئي اتي گڏ ٿي آهي. پوليس رستا بند ڪري ڇڏيا. اسان جيئن تيئن ڪري اندر پهچي وياسين.

شاهه صاحب جي مزار تي پهچڻ کان پوءِ اسان کي ڏٺو ته ڇا امير ڇا غريب سڀ ميدانن تي چادرون وڇائي ويٺا هئا. ڪو فڪر نه ۽ نه ئي ڪو گرمي جو احساس. ماڻهو ائين ئي رليون وڇائي ستا پيا هئا. پهريان ته اسان کي اندر وڃڻ جي جڳهه ئي نه ملي ان ڪري اسان سوچيو ته پهريان گهمي اچون. ان ڪري اسان پهريان بازارا ڏانهن هليا وياسين. بازار ۾ ڏاڍي رش هئي. بازار ۾ عورتون ۽ ٻار وڏي تعداد ۾ هئا. خاص طور تي عورتون چوڙيون، ميڪ اپ ۽ مهندي وٺي رهيون هيون. رستي ۾ سان کي پڙن وارو دڪان نظر آيو. اسان سوچيو ته هڪ پڙ ورتو وڃي. ان کانپوءِ اسان واپس مزار ڏانهن رخ ڪيو.

اوڏي مهل رات جا 12:30 ٿي رهيا هئا پر اڃ رش گهٽجڻ جو نالو ئي نه هو. اسان کي واپس وڃڻو هو ان ڪري ڪوشش ڪري ان کانپوءِ اندر پهتاسين. مزار ۾ ڏاڍي رش هئي. اسان سور هاتي فاتحه پڙهي ٻاهر نڪتاسين ته ڪلام (لطيف رح جا بيت) شروع ٿي ويو. ڪلام شروع ٿيندي ئي تمبوري جو آواز اچڻ لڳو. آواز تي چار پنج عورتن جا وار کلي ويا ۽ انهن تي فقيرن (جن) قبضو ڪري ورتو. مان اهو منظر ڏسي حيران ٿي ويس. ان کانپوءِ اسان سوچيو ته هاڻي واپس وڃڻ گهرجي ۽ پوءِ اسان واپس گهر موٽي آياسين. ان سان گڏ ئي گڏاها رات مون لاءِ هڪ اهم ٿي وئي. پوءِ مون کي به احساس ٿي ويو ته لطيف رح ڪيڏي نه سٺي زندگي گذاري هوندي جو اڃ تائين ماڻهوان کي ياد ڪن ٿا. تڏهن لطيف سرڪار به ته سچ چيو آهي ته:

ماڻهو سڀ نه سهڻا، پڪي سڀ نه هنج
ڪنهن ڪنهن ماڻهوءَ منجهه اچي ٿو بهار جي

ڦل هڪ ڏينهن ضرور ملندو تون مايوس ڪڏهن به نه ٿجانءِ“. جڏهن ڪاشف پرنسپل جي واتان اهي لفظ ٻڌا ته سندس چهري جي رونق ئي وڌي وئي. سندس چهرو گلاب جي گل جيان تڙي پيو. ڪجهه سالن کان پوءِ جڏهن ڪاشف بي اي جو امتحان پاس ڪيو ۽ نوڪريءَ جي تلاش ۾ هو تڏهن ساڳئي پرنسپل کيس پنهنجي آفيس ۾ گهرايو ۽ هڪ لفافو هن کي ڏيندي چيائينس ”اچي پت هي وٺ“

”سائين هي... هي... وري ڇا آهي؟ ڪاشف پرنسپل کي چيو“

پرنسپل پيار مان ڪاشف کي چيو ته ”پت! هي تنهنجي ماستريءَ جو آرڊر آهي“.

ڇا... ڇا... سائين هي منهنجي ماستريءَ جو آرڊر آهي؟“ ڪاشف عجب مان پرنسپل کي چيو“

پرنسپل ڪاشف جي ڪلهي تي هٿ رکي چوڻ لڳو ته ”ها پت، مان ڄاڻان ٿو ته توکان وڌيڪ علم جي اهميت جو احساس ڪنهن کي ٿي سگهي ٿو تون ته اهڙي لات آهين، جنهن مان هزارين ڏيڻا روشن ٿي سگهن ٿا.“

ڪاشف ٿورو مشڪندي پرنسپل کي چوڻ لڳو ته ”سر اوهان جي وڏي وڏي مهرباني جو اوهان منهنجي لاءِ ڪوشش ڪئي“. ”نه پت، مون تولاڻ ڪوشش نه ڪئي آهي، دراصل مون هزارين ٻين ٻارن لاءِ ڪوشش ڪئي آهي، جن کي تون روشن ڏيڻو بڻائيندين.“

ڪاشف جي اکين ۾ ڳوڙها تري آيا، هن هيٺ جهڪي پرنسپل صاحب جي پيرن کي چڙهي ۽ پير عظم ٿي چيو. ”سائين توهان جي مهرباني جو توهان مون کي ان لائق سمجهيو، مان توهان جي ان مشن کي جاري رکندس“. پرنسپل صاحب اٿي کيس پيار مان سيني سان لڳايو.

---XXX---

حضرت علي ڪرم الله وجهه جن فرمايو

- * سڀ کان وڏي بهادري ”صبر ڪرڻ آهي.“
- * سڀ کان وڏي تفريح ”مصروفيات“ آهي.
- * سڀ کان وڏو تحفو ”درگذر/معاف ڪرڻ آهي.“
- * سڀ کان وڏو سرمايو ”خود اعتمادِي“ آهي.
- * سڀ کان وڏي بلا ”نااميدي“ آهي.
- * سڀني کان وڏو استاد ”تجربو“ آهي.
- * سڀني کان وڏو راز ”موت“ آهي.

محنت جو ڦل

امان او امان! مان به اسڪول ڏي پڙهڻ ويڃان. جڏهن ننڍڙي ڪاشف جي نظر اسڪولي ٻارن تي پئي ته ڊوڙي اچي هن پنهنجي ماءُ کي چيو. ماڻس ڪيس ڳلن تي چميون ڏيندي چوڻ لڳي ته ”ها منهنجي هيئن جا نار تون سدا اسڪول پڙهڻ وڃ، پر پت ڏس، اڃا ڪجهه وڏو ته ٿي نا.“

”ها امان، پوءِ مون کي بوت به وٺي ڏيندين.“

وري ڪاشف پنهنجي ماءُ جي سامهون اچي چيو سندس ماءُ پيار سان سندس مٿي تي هٿ گهمائيندي چوڻ لڳي ته، ”ها پت، پوءِ توکي بوت به وٺي ڏينديس.“

جيئن ته ڪاشف جو پيءُ اڳي ئي هن دنيا کي ڇڏي ويو هو. باقي سندس ماءُ هئي، جيڪا سلائيءَ جو ڪم ڪندي هئي، جنهن مان گهر جو خرچ ۽ ڪڏهن ڪڏهن ننڍڙي ڪاشف جي بيماريءَ جو به علاج ڪرائيندي هئي.

جڏهن ڪاشف ڇهن سالن جو ٿيو ته سندس ماءُ ڳوٺ جي پرائمري اسڪول ۾ داخل ڪري آئي، جتان هي بالڪ سنن نمبرن سان پنهنجون پاس ڪري آيو ۽ پوءِ هاءِ اسڪول جي طرف وڌيو. جڏهن هن گلاب جي گل انگريزي اسڪول ۾ پير پاتو ته هي پهرين کان سخت محنت ۽ ڪوشش ۾ لڳي ويو آخر اڳتي هلي سڄي اسڪول کي مهڪائي ڇڏيو سڀني استاد شاگرد هن ڏي عزت ڀرين نگاهن سان ڏسڻ لڳا ۽ انهن کان سواءِ پرنسپل به ڪيس اهڙي ذهانت، هوشيارپ ۽ سادگي کي ڏسي مٿس پيار ۽ شفقت ڪرڻ لڳو.

هن کي جڏهن استاد ۽ شاگرد گهڻو پيار ڪرڻ لڳا ته هي مسڪين ٻارڙو وڌيڪ محنت ۽ مشقت ۾ لڳي ويو.

آخر جڏهن ڪاشف بورڊ جو امتحان ڏنو ته هن انهيءَ امتحان ۾ به سموري اسڪول ۾ فرسٽ نمبر ڪيو. ٻئي ڏينهن تي جڏهن پرنسپل کي خبر پئي ته ڪاشف سڄي اسڪول ۾ فرسٽ پوزيشن ڪٽي آهي ته پرنسپل ڪاشف کي پنهنجي آفيس ۾ سڏرايو ۽ چوڻ لڳو ته ”پت ڪاشف، هي وٺ سؤ روپيا ۽ اهو پت تنهنجو انعام آهي.“

ڪاشف پنهنجن نرم هٿن ۾ پرنسپل کان سؤ روپيا ورتا ۽ پاسي واري ڪيسي ۾ رکيا. وري پرنسپل تائين ڪاشف کي چوڻ لڳو ته ”پت ڪاشف! توکي تنهنجي انهيءَ ”محنت جو

اصل وڃي ٿيا خير.....!! اسان گهر وڃڻ جي ڪري پنهنجا وارَ وڏي حفاظت سان وڏا ڪيا هئاسين پر ان ڏينهن تي اسان تنهي دوستن کي گنجو ڪيو ويو. پهريان ته ڏاڍو سرمايوسين پر ڪيڊٽ ته مخلوق ئي عجيب آهيون، سو اسان کي شرم ٿيو ته ڏيهه ڏٺو اڃا وري فخر سان گهمڻ لڳاسين.

اسان هن ڪاليج ۾ گهڻو ڪجهه حاصل ڪيو آهي ۽ گهڻو ڪجهه سکيا آهيون. پنهنجون ذميواريون سنڀالڻ سکياسين ته وري زندگي گذارڻ جو طريقو به سکياسين. اسان کي هتي والدين جو پيار ڏيندڙ استاد به مليا ته وري ڀائرن جيتري محبت رکندڙ دوست به مليا. اسان کي ڪا خبر ئي نه پئي، نه ئي ڪو تصور رهيو ۽ نه ئي ڪڏهن سوچيو به هئوسين ته هي وقت ائين گذري ويندو ۽ اسان جي زندگي جو انمول وقت ثابت ٿيندو. اسان کي احساس ٿي چڪو هيو ته اسان سڀ پاڻ ۾ هڪ ئي گهر جا فرد آهيون ۽ هي ڪاليج اسان جو ڄڻ پيارو گهر. ڪا خبر ئي نه پئي ته اسان ڪيئن پنهنجا ڏکيا ۽ سُڪيا ڏينهن گذاري چڪاسين. اسان دوست هڪٻئي جي ڏک ۽ سک ۾ گڏ رهياسين. هن ڪاليج جي محبت ۽ پيار اسان جي دلين ۾ سمائجي ويو آهي. خبر ئي نه پئي ته ڪيئن اسان جا چار سال گذري ويا ۽ اسين پارهين ڪلاس ۾ اچي پهتاسين ۽ ساڳيون ئي چار پٽيون اسان جي به ڪلهن تي لڳي ويون.

وقت پنهنجي رفتار سان گذري رهيو آهي. هاڻي جڏهن اسان ڄاڻون به ٿا ته اسان کي وڃڻو آهي، پر ان جي باوجود به اسان پنهنجي هن گهر کي ڇڏڻ لاءِ دل ڏي طرح تيار نه آهيون. پر وقت اچي ويو آهي ته اسان پنهنجي هن گهر، هوائن، باغن، رستن، ڀائرن ۽ والدين جهڙو پيار ڏيندڙ استادن کي الوداع چونڊاسون. مون کي اڄ به ياد آهي ته پوئين سال منهنجي هڪ سينئر ويندي هي الفاظ چيا هئا.

”يار توهان کي هن وقت جو احساس تڏهن ٿيندو جڏهن هي وقت توهان تي به ايندو هتان جدا ٿيڻ جو ڏک ڪنهن پنهنجي عزيز کان جدا ٿيڻ کان به وڌيڪ آهي ڇو ته هڪ پاسي هو عزيز هڪ جدا ٿو ٿئي پر هتي ته الائي ڪيترا ڀائر ۽ دليون ٿيون جدا ٿين.“

سو هاڻي دوستو هي وقت اسان تي به اچي ويو آهي الفاظ چوندي مون پنهنجي ان دوست جي اکين مان لڙڪ ڪرندي ڏٺا هئا جيڪي هاڻي مون کي پنهنجي اکين ۾ محسوس پيا ٿين. هن وقت مون کي پنهنجي سنڌيءَ جي استاد سر اويس ڀٽو جي شاعريءَ جا هي الفاظ پيا ياد اچن:

اي دوست زندگيءَ جون جي توسان گهڙيون گهاريم.

تو کي الوداع چوندي پنهنجي اکين مان لڙڪ هاريم.

جيڪو ٻار پنج سال پهريان هتي اچي ٿورو ڀڄتائي ۽ ٿورو روئي ٿو. اهو ئي ٻار وري اڄ هتان بيحد روئندي وڃي ٿو ۽ ائين ٿو محسوس ڪري ڄڻ هن کي پنهنجي ئي گهران ڪڍيو ٿو وڃي. منهنجا دوستو وقت جو قدر ڪجو. هميشه پنهنجي دعائن ۾ ياد رکجو ۽ حياتي رهي ته ملنداسين.

جي گهڙيون گهاريم ڪاليج ۾.....

منهنجا پيارا دوستو اڃا مان پنهنجي زندگي جو هڪ اهم سفر بيان ٿو ڪريان. هي ڪهاڻي آهي هر ان ٻار جي ۽ هر ان ڪيڊٽ جي جيڪو هن ڪاليج ۾ اچي ٿو ته روتڻي ٿو پنهنجي گهروارن، عزيزن ۽ دوستن جي لاءِ. پر آهستي آهستي هو هتي رهڻ سکي وڃي ٿو ۽ پوءِ وري هتان روتندو ٿو وڃي. هاڻي مان صرف پنهنجي ئي نه پر هر ڪيڊٽ جي مختصر ڪهاڻي بيان ٿو ڪريان.

جيئن ته جڏهن مون کي هن ڪاليج ۾ داخلا ملي هئي ته مان ڏاڍو خوش هئس. آخر اهو ڏينهن به اچي ويو جڏهن والدين مون کي هن ڪاليج ۾ ڇڏڻ آيا. پهرين آگسٽ 2010ع تي رات جو ائين بچي ڪاليج پهتو هئس ته مون کي هائوس ۽ ڪٽ نمبر الات ڪيو ويو. منهنجا والدين مون کي الوداع ڪري وڃي چڪا هئا. ٻئي ڏينهن اسان کي ڪٽنگ جو سامان مليو. ان کان پوءِ ٻئي ڏينهن کان اسان جي روتڻين (Routine) شروع ٿي وئي. اسان کي گهروارا ۽ دوست ياد اچي رهيا هئا ايتريقدر جو اسان جا ڪجهه ساٿي روتڻ به پيا ۽ ان ڏينهن ئي پريڊ کان جيئن ئي اسان واپس آياسين ته اسان کي پنهنجي سينيئر جو هڪ نئون روپ ڏسڻ ۾ آيو مون کي اڃ به ياد آهي ته هن اسان کي ڏاڍي سزا ڏني ۽ اسان وري گهروارن ۽ انهن جي پيار کي ياد ڪري روتڻي پياسين ۽ ائين پيو محسوس ٿئي جيئن اسان جا گهروارا اسان مان بيزار ٿي ڪري اسان کي هتي موڪلي ڇڏيو اٿائون ۽ جڙ اسان به ڪا وڏي غلطي ڪئي هجي هن ڪاليج ۾ اچي ڪري پر آهستي آهستي ڏينهن گذرڻ لڳا، شروع ۾ اسان جڏهن ٻارهين ڪلاس جي سينيئر پيءَ جي ڪلهي تي چار پتيون ڏسندا هئاسين ته دل ۾ هڪ حسرت جاڳندي هئي ۽ سوچيندا هئاسين ته يار هي به ڏاڍو مزي ۾ آهن ۽ اسان هڪ وڏي عذاب ۾ آهيون. اسان ڪڏهن ٻارهين ڪلاس ۾ اينداسين ۽ ڪڏهن اهي چار پتيون اسان جي به ڪلهن تي لڳنديون.

وقت گذرندو رهيو ۽ پوءِ اسان به سمجهي وياسين ته وقت ڏکيو هجي يا سڪيو آرام ملي يا سزا ان کي بلڪ صبر سان برداشت ڪيون پر ان مان لطف اندوز به ٿيون ڇو ته اسان کي وري ڪڏهن اهي گهڙيون ۽ پل يا لمحا ڪڏهن بيهه نه ملندا، بس صرف هڪ خوبصورت ياد بڻجي ويندا. هن ڪاليج جي زندگي ۾ ڪڏهن ته اڃانڪ ڪا مصيبت مٿان ايندي آهي ته ان کي به مُسڪرائي ۽ خوشي سان گذاريندا آهيون.

مون کي اڃ به ياد آهي ته ڏهين ڪلاس جي آخري ڏينهن جي ڳالهه آهي ته هڪ رات جو هڪ وڳي اسان تي چاڀو لڳو منهنجي ۽ مون سان گڏ ٻن دوستن جا به موبائيل پڪڙيا ويا. پوءِ ته اسان جو برو وقت شروع ٿي ويو. گرمين جي موڪلن تي وڃڻ ۾ صرف ٻه ڏينهن پيا هئا. پهريان ته سومر جي صبح جو ايد جوئنت صاحب جا ڏنڊا کاڌاسين ۽ پوءِ وري اسان سان اهڙي ڪار تي جو

ماءُ مالڪ جي محبت جو مظهر

ماءُ، امان يا جيڪل امڙ هڪ اهڙو نالو آهي، جنهن جي هر هڪ اکر ۾ تمام وڏي حڪمت، قرباني، پيار ۽ محبت سمايل آهي. ماءُ الله تعاليٰ جي طرفان وڏي نعمت آهي. جڏهن الله سائينءَ هن ڪائنات کي تخليق ڪيو ٿي ته ملائڪن کي حڪم ڪيائين ته چنڊ جي تڏاڻ، بلبل جا منا نغما، چڪوريءَ جي تڙپ، گلن جي مهڪ، ڪوئل جي آلاپي ڪوڪ، سمنڊ جي گهرائي، دريائن جي رواني، موجن جو جوش، ڪهڪشائن جي رنگيني، زمين جي چمڪ ۽ صبح جو نور جمع ڪيو ته ”ماءُ“ جي تخليق ڪئي وڃي ته فرشتن عرض ڪيو ته اي مالڪ جهان توهان پنهنجي طرفان ڇا شامل ڪيو آهي. رب العزت فرمايو ته مان پنهنجي محبت شامل ڪئي آهي. ماءُ ئي اهو رشتو آهي جيڪو ٻار کي چمڪ کانپوءِ بنا لالچ جي سار سنڀال، ڪارائتو، پيارو ۽ ان کان علاوه پاڻ تنگدستي ۾ رهي ٻار جو هر انگل پورو ڪري ٿي.

هڪ شخص حضور پر نور محمد مصطفيٰ صه جن کان پڇيو ته ”آقا! هن دنيا ۾ خدا پاڪ کي ڳولهيو وڃي ته ڪٿي نظر ايندو.“ پاڻ سڳورن صه جواب ڏنو ته ”فجر جي نماز پڙهي مسڪرائيندي پنهنجي والده/ امڙ ڏانهن ڏسندو ته توهان کي خدا جي هڪ جهلڪ نظر ايندي. حضور اڪرم صه فرمايو آهي ته ”جنهن ماءُ کي رنجايو، ان خدا کي رنجايو ۽ جنهن ماءُ کي راضي ڪيو، ان خدا کي راضي ڪيو. ماءُ جي بغير گهر قبرستان جيان آهي.

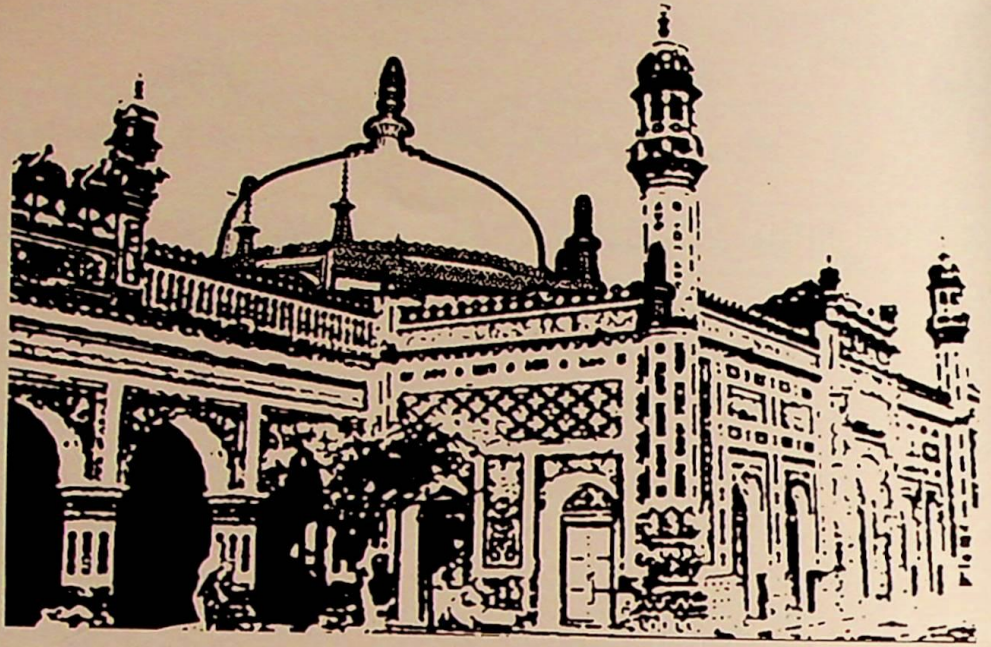

هڪ چوڪرو پنهنجي ماءُ سان گهر ۾ اڪيلو رهندو هو. اهو چوڪرو وقت سر وڏو ٿيو ۽ ڪمائڻ لڳو. ڪجهه سال ڪمائڻ کانپوءِ شادي ڪيائين. هن جي گهرواري هن جي ماءُ سان تمام حسد ڪندي هئي هن پنهنجي مڙس کي ماءُ تي الزام هڻي چيو ته اگر تون مون سان پيار ڪرين ته پنهنجي ماءُ کي هن گهر مان ڪڍ، هن مون کي زهر ڏيڻ جي ڪوشش ڪئي آهي. مجبورن هن ماءُ کي گهر مان ڪڍي ڇڏيو. ڪجهه ڏينهن سندس ماءُ گهر جي چائنٺ تي اچي سمهي پوندي هئي. هن جي زال ڏٺو ته مڙس کي چيائين ته هن کي ڪنهن جهنگ ۾ ڇڏي اچ، نه ته مان گهر مان نڪري ويندس. ”هو وري پنهنجي ماءُ کي لاپرواهيءَ سان جهنگ ۾ ڇڏي آيو. هن ڏينهن کانپوءِ وري سندس ماءُ رلندي، پنندي ان گهر جي در تي اچي ويهي رهي. اهو ڏسي زال وري پنهنجي مڙس کي چيو ته اگر تون مون کي زنده ڏسڻ چاهين ته پنهنجي ماءُ جو سر ڪٿي منهنجي سامهون حاضر ڪر سندس مڙس کي اهو ٻڌي وات ۾ آڱريون اچي ويون پر هو پنهنجي زال جي عشق ۾ ڪهاڙو ڪٽي ٻاهر نڪتو ماءُ کي جهنگ ۾ وٺي بي هوش ٿي پنهنجي ماءُ جو سر ڪٿي اتان ڪٽي نڪتو. رستي ۾ هڪ جهاڪي تان ٽاٻڙجي زمين تي ڪريو ڪرڻ وقت ان ماءُ جي سر مان آواز آيس ”پٽ! ڏک ته ڪونه لڳئي.“ اهو ٻڌي هو حيرت ۾ گم ٿي ويو ۽ پنهنجي ڪٿي تي پشيمان ٿي زار و زار روئڻ لڳو. ماءُ مالڪ جي محبت جو مظهر آهي. ماءُ کي پنهنجي دل ۽ دماغ مان ڪڏهن به ڪونه ڪڍڻ گهرجي. ڇو ته ماءُ جو ٻيو ڪو نعم البدل ڪونهي.

پہلادان

میرے کالج کا پہلادان میرے لیے زندگی کے ایک خواب کی طرح تھا۔ یہ سچ تھا کہ میں پہلے سے کالج میں داخل ہونے کی خوشی حاصل کرنا چاہتا تھا اور جب یہ خوشی میرے لیے اصلی روپ دھار گئی تو میں اب بہت خوش ہوں۔ اتوار کی چھٹی تھی، اس کے بعد میرا پہلا کالج کا دن تھا۔ صبح ساڑھے پانچ بجے اٹھا اور منہ ہاتھ دھو کر پی. ٹی کے لیے نکلا۔ راستے میں مجھے کچھ دوست نظر آئے۔ وہ بڑے ست نظر آ رہے تھے۔ میں نے ان سے پوچھا "کیا ہوا دوستو! کیوں اتنی سستی میں مبتلا ہو؟ کوئی پریشانی ہے تو بتاؤ، شاید میں تمہاری پریشانی دور کر سکوں"۔ میرے دوستوں نے مجھے اپنی پریشانی بتائی کہ "ہم پی. ٹی سے بہت ڈرے ہوئے ہیں"۔ میں نے انہیں بتایا گیا "اصل میں یہ پی. ٹی تمہارے لیے بہت فائدے مند ہے۔ اگر تم یہ پی. ٹی کرو گے تو تم تندرست رہو گے اور ہر طرح کی بیماریوں سے نجات پاؤ گے۔ تو دوستو! تم اپنے آپ کو تندرست دیکھنا چاہتے ہو یا پھر اپنے آپ کو بیماریوں میں مبتلا ہوتے ہوئے دیکھنا چاہتے ہو؟" دوستوں نے مجھ سے کہا کہ "تمہاری" بات ہمیں اچھی لگی۔ آج سے ہم اپنی سستی کو دور کر دیں گے اور یوں ہم بہت سی بیماریوں سے نجات حاصل کر پائیں گے۔ اس کے بعد میں پی. ٹی سے واپس آیا اور پڑھائی کے لیے کالج گیا اور وہاں میں اسمبلی کے بعد اپنی کلاس میں چلا گیا۔ پہلی کلاس شروع ہوئی تو ٹیچر نے ہم سب سے ہمارے بارے میں پوچھا۔ ٹیچر نے مجھ سے بھی میرے بارے میں پوچھا۔ میں نے بھی ٹیچر کو اپنے بارے میں بتایا۔ وہاں انگریزی بولی جا رہی تھی۔ مجھے انگریزی کم سمجھ میں آتی تھی۔ میں بہت پریشانی میں مبتلا ہو گیا تھا۔ میں نے بہت کوشش کی کہ مجھے بھی ان بچوں کی طرح زیادہ سے زیادہ انگریزی آئے۔ تھوڑی سی محنت اور کوشش کے بعد میں نے انگریزی سیکھ لی اور میں کہتا ہوں کہ اگر انسان محنت اور کوشش کرے تو دنیا کی ہر جگہ اعلیٰ مقام پر ہوگا اور دنیا میں ہر چیز محنت اور کوشش سے ملتی ہے اور چھٹی کے بعد میں ظہر کی نماز پڑھ کر واپس ہاؤس میں آیا۔ کھانا کھانے کے بعد میں کھیل کے لیے ساڑھے پانچ بجے گھر سے نکلا کھیلنے چلا گیا۔ میں پہلے سے ہاکی کھیلنے میں کافی دلچسپی رکھتا تھا اور اچانک وہاں ہاکی کھیلتے ہوئے مجھے کچھ لڑکے نظر آئے اور ساتھ میں مجھے ہاکی کے کوچ بھی نظر آئے جو ان لڑکوں کو سکھا رہے تھے۔ میں بھی وہاں گیا اور کوچ سے بات کی تو ہاکی کے کوچ نے مجھ سے بھی کل سے ہاکی سیکھنے کے لیے آنے کا کہا۔ میں بہت خوش ہوا اور کھیل سے واپس آ کر مغرب کی نماز پڑھی۔ پھر میں پریپ کرنے کے لیے بیٹھ گیا اور وہاں میں نے پڑھائی کی۔ وہاں سے آنے کے بعد میں ہاؤس آیا اور کھانا کھا کر عشاء کی نماز پڑھنے چلا گیا اور پھر عشاء کی نماز پڑھ کر میں واپس آیا اور پھر سو گیا۔ یہ تھا میرے کالج کا پہلا سہرا دن جس کو بہت اچھی طرح گزارنے میں محنت اور کوشش اور اساتذہ کی حوصلہ افزائی کے علاوہ کچھ نہیں ہے۔ یہی زندگی کی سچائی ہے کہ انسان محنت اور لگن سے ہی آگے بڑھتا ہے۔

ہمارے والدین

والدین کون سی ہستی ہیں؟ والدین ہماری زندگی میں کیا اہمیت رکھتے ہیں؟ والدین سے کوئی کتنا پیار کرتا ہے؟ یہ وہ سوالات ہیں جو شاید سب جانتے ہیں۔ لیکن میں ان سوالات کی کچھ یوں وضاحت کروں گا کہ والدین دو ہستیاں ہیں ماں جس کے قدموں تلے جنت رکھ دی گئی جس کی پوری زندگی خدمت کر کے بھی اس کے ایک پل رات میں جانے کا بھی حق ادا نہیں کیا جاسکتا ماں محبت کی وہ دیوی ہے جو خود بھوکا رہ کر اپنے بچے کو کھانا کھلاتی ہے اور اگر بچہ بیمار ہو تو ماں کو تب تک سکون نہیں ملتا جب تک بچہ ٹھیک نہ ہو جائے۔ وہ ہر وقت اپنے بچے کی دیکھ بھال کرتی ہے اسے دعائیں اور دوا دیتی ہے۔

دے کر اک بیمار بچے کو دعائیں اور دوا
پائنتی پر رکھ کے سر سوجاتی ہے ماں

دوسری ہستی وہ باپ ہے جو چلچلاتی دھوپ میں خود جل کر اپنی اولاد کو سایہ پہنچاتا ہے جو دن بھر روزی کی تلاش میں ادھر ادھر بھٹکتا ہے اور اپنے بچوں کا پیٹ پالتا ہے۔ باپ خود جس حال میں بھی رہے وہ اپنے بچوں کی ضروریات پوری کرنے کی کوشش کرتا ہے

خون تچ کر روٹی خرید لایا ہوں
حم زمانے بتا! یہ مجھ پر حلال تو ہے

سے پوچھو جس کی نہ ماں ہے اور نہ باپ اور اگر اسے اس بے رحم
سے گمان ہوتا ہے کہ کہیں مجھے میری ماں نے نہ پکارا ہو۔
اپنی اولاد کو مصیبت میں دیکھ کر تڑپ اٹھتے ہیں۔ وہ
ال نہیں دکھانا چاہیے۔ کیوں کہ انسان کسی
ب وہ اس سے کھو جاتی ہے تو وہ بہت
کہ پیار کو سمجھنا چاہیے اور انہیں

تلقین

ہارون الرشید کا ایک بیٹا باپ کے پاس بڑے غصے میں آیا اور کہنے لگا "ابا حضور! فلاں ہراول سے گالیاں دی ہیں"۔ ہارون الرشید نے اراکین سلطنت سے پوچھا کہ اسے کیا سزا دینی چاہیے؟ ایک نے قتل کر دینا چاہیے۔ دوسرا بولا اس کی زبان کاٹ دینی چاہیے۔ تیسرے نے رائے دی کہ اس پر تازہ چاہیے۔ لیکن بادشاہ ہارون الرشید نے کسی کی رائے سے اتفاق نہ کیا اور بیٹے سے کہا: جان پدر در گزر معاف کر دو، تمہیں اس کا اجر ملے گا۔ اور اگر ایسا نہیں کر سکتے تو تم بھی اسے گالیاں دے کر غصہ ٹھنڈا صرف اتنی جتنی کہ اُس نے تمہیں کہی تھیں۔ ایسا بدلہ اچھا نہیں جو حد سے گزر جائے۔ جو تمہاری غلطی ہو۔

مثنوی:

کسی کو دی جو اک بد خونے گالی
کہا اس نے کہ سن اے ذات عالی
ہوں بدتر اس سے جو تو نے ہے سوچا
میں اپنے عیب سے جیسا ہوں آگاہ
تو ہے آگاہ نہ مانوں گا یہ واللہ

تلقین:

اس حکایت میں صاحب اقتدار طبقے کو بالخصوص اور لوگوں کو بالعموم یہ بات سمجھائی گئی ہے معاف کر دینا بڑی اچھی بات ہے اس کا اجر ملتا ہے لیکن اگر بدلہ بھی لیا جائے تو حد سے نہ بدلے میں حد سے بڑھ جائیں تو پھر وہ ظالم ہو جاتا ہے۔

حلال اور حرام

اسلام میں ہر وہ عمل یا چیز حرام ہے جس سے منع فرما دیا گیا ہے۔ جب کہ جس چیز یا عمل سے اسلام نے نہیں روکایا اسے باقاعدہ طور پر بجالانے کا حکم دیا ہے وہ جائز یا حلال ہے۔ علاوہ ازیں حرام سے پہلے بھی ایک صورت حال آتی ہے جسے اسلام میں مکروہ قرار دیا گیا ہے۔ یعنی وہ عمل جس کے کرنے سے کراہت یا دوری کا حکم دیا گیا ہے اسے مکروہ کہتے ہیں۔ لیکن ہم یہاں چند حلال اور حرام چیزوں کو قرآن و حدیث کی روشنی میں بیان کریں گے۔ شریعت کے مطابق وہ چیز حلال ہے جس کا جائز ہونا قرآن پاک یا حدیث یا سنت سے واضح ہو جائے اسی طرح مسلمان صرف انھی جانوروں کا گوشت کھاتے ہیں جن کا اسلام میں حلال ہونا ثابت ہوتا ہے۔ لیکن یہ ضروری بھی نہیں کہ ہر حلال شے کو ہم ضرور کھائیں یہ انسان کی استطاعت اور اپنا اختیار ہے کہ وہ حلال چیزوں میں جنھیں چاہے استعمال کرے جنھیں چاہے استعمال نہ کرے لیکن حرام چیزوں سے بچنا ہر مسلمان کے لیے ضروری ہے۔ شریعت میں حرام وہ شرعی حکم ہے جس کی ممانعت قرآن و حدیث سے ثابت ہو۔ حلال اور حرام کے علاوہ بعض علماء اور فقہاء نے مشتبہ اشیاء کی طرف بھی دھیان دیا ہے۔ کچھ جانور یا چیزیں ایسی ہیں جن کی حالت آسانی سے واضح نہیں ہوتی لہذا ایسی چیزیں مشتبہ کے زمرے میں آتی ہیں اور ان کے لیے حلال کی بجائے ایک اور لفظ مباح استعمال کرتے ہیں۔ جس کا مطلب ہے جائز یا قرار دیا ہوا۔ یعنی شریعت نے انسان کو اس کے کرنے یا نہ کرنے کا اختیار دیا ہوتا ہے اب اس کی مرضی ہے کہ وہ اسے کرے یا نہ کرے۔

علاوہ ازیں اسلام میں مردار، خون، خنزیر کھانا، ناحق قتل کرنا، بدکاری کرنا، سود خوری، شراب نوشی، والدین کی نافرمانی، غیبت اور جھوٹ بولنا وغیرہ سب حرام ہیں۔ ان سے بچنا ہر مسلمان کے لیے ضروری ہے۔ قرآن مجید کی سورۃ مائدہ میں مردہ جانور، خون، سور اور وہ جانور جو غیر اللہ کے نام سے ذبح کیا گیا ہو حرام قرار دیے گئے ہیں۔ سورۃ النساء میں درج ذیل عورتوں سے نکاح حرام قرار دیا گیا ہے۔ ماں، بیٹی، سگی بہن، پھوپھا سوتیلی بیٹی اور بہو وغیرہ۔ ان کے علاوہ بیک وقت دو سگی بہنوں سے یا کسی کی منکوحہ بیوی یا رضاعی بہن سے نکاح حرام ہے۔ بعض

محمد علی جناح اور تحریک پاکستان

نگہ بلند، سخن دل نواز، جاں پر سوز
یہی ہے رختِ سفر میر کاروں کے لیے

1906ء میں مسلم لیگ کی بنیاد رکھی جا چکی تھی قائد اعظم نے کانگریس کو چھوڑ دیا اور مسلم لیگ میں شمولیت اختیار کر لی کیوں کہ ان کو کانگریس کی منافقانہ پالیسی کا علم ہو گیا تھا اور قائد اعظم رحمۃ اللہ علیہ اس سے اس قدر مایوس ہو گئے کہ انگلستان واپس چلے گئے۔ آپ کے انگلستان جانے کے بعد کوئی بھی ایسا مسلمان رہ نما نہیں تھا جو مسلمانوں کی صحیح معنوں میں قیادت کر سکے۔ علامہ اقبال یہ سب دیکھ کر پریشان ہو گئے اور انھوں نے قائد اعظم رحمۃ اللہ علیہ کو واپس بلانے کا ارادہ کر لیا۔ آپ نے قائد اعظم رحمۃ اللہ علیہ کو ایک خط میں لکھا کہ "اس وقت مسلمان بڑے نازک دور سے گزر رہے ہیں اور صرف آپ ہی ان کی رہنمائی کر سکتے ہیں مسلمان اپنا الگ وطن حاصل کرنا چاہتے ہیں جہاں وہ اسلامی شریعت کے مطابق اپنی زندگی گزار سکیں۔"

ہندو خود کو انگریزوں کا واحد جانشین سمجھتے تھے۔ پنڈت جو اہر لال نہرو نے یہ دعویٰ کیا کہ ہندوستان میں دو قومیں بستی ہیں ایک ہندو اور دوسرے انگریز۔ قائد اعظم نے اس چیلنج کا یوں جواب دیا کہ ایک تیسری جماعت بھی موجود ہے جو مسلمان ہیں اور دو قومی نظریہ یوں پیش کیا کہ مسلمان مذہب، تاریخ، لباس، تہذیب اور زبان غرض ہر لحاظ سے ہندوؤں سے ایک الگ قوم ہیں پھر دونوں قومیں یکساں کیسے ہو سکتی ہیں۔

یہی دو قومی نظریہ پاکستان کے قیام کی بنیاد بنا۔ 1940ء کو قائد اعظم نے لاہور میں ایک اجلاس بلایا جس میں قرار دیا گیا کہ ہندوستان منظور ہوئی اور یہ مطالبہ کیا گیا کہ ہندوستان کے جن علاقوں میں مسلمانوں کی آبادی زیادہ ہے وہاں ایک اسلامی ریاست قائم کر دی جائے شروع میں ہندوؤں نے اس قرار داد کا مذاق اڑایا لیکن مسلمان اپنی بات پر ڈٹے رہے۔ 1946ء کے انتخابات میں جب مسلم لیگ نے پورے ہندوستان میں کامیابی حاصل کی تو ہندو اور انگریز گٹھنہ ٹیکنے پر مجبور ہو گئے اور قائد اعظم کی انتھک محنت کی وجہ سے پاکستان 14 اگست 1947ء کو معرض وجود میں آیا۔

شبانہ روز کی اس محنت سے قائد اعظم کی صحت خراب ہو گئی اور وہ 11 ستمبر 1948ء کو اس دنیا سے کوچ کر گئے۔ قائد اعظم نے اپنی قوم کو جس اہم پیغام پر عمل کرنے کے لیے کہا وہ ایمان، اتحاد اور تنظیم تھا اسی پیغام میں ہماری اور ہمارے وطن کی عزت ہے اسی سے ہمارے وطن کی شان بڑھے گی اور اسے عزت کی نگاہ سے دیکھا جائے گا۔

جیسی کرنی ویسی بھرنی

ایک شخص کے تین بیٹے تھے۔ جب وہ جوان ہوئے اور روزی کمانے کے قابل ہو گئے تو اس شخص نے ان کی شادی کر دی۔ جب وہ باپ بوڑھا ہو گیا اور کافی بیمار رہنے لگا تو اس کی بیماری کے علاج کے لیے ان کے پاس پیسے نہیں تھے۔ ان کا باپ سارا دن کھانستار ہتا تھا۔ ایک وقت ایسا آیا کہ اس کی تینوں بہویں اس سے بیزار ہو گئیں اور آخر کار اپنے اپنے خاوند سے کہا کہ "ہم آپ کے باپ سے تنگ ہو گئے ہیں۔ لہذا ان کو یہاں سے لے جا کر کہیں دور چھوڑ آؤ"۔ بڑے بیٹے نے سوچا کہ ہم ان کو شہر سے کہیں دور لے جاتے ہیں اور کہیں جنگل میں چھوڑ کر آ جاتے ہیں۔ اس نے اپنے بھائیوں سے مشورہ کیا اور پھر صبح اپنے باپ کو گاڑی میں لے کر کہیں دور جنگل میں لے گئے کھانا کھانے کے لیے گاڑی روکی۔ اس دور ان باپ نے بیٹوں سے پوچھا کہ "ہم کہاں جا رہے ہیں؟ تو بیٹوں نے جواب دیا کہ "ہم آپ کا علاج کروانے کے لیے شہر جا رہے ہیں اور فی الحال ہم نے کھانا کھانے کے لیے گاڑی روکی ہے۔ یہ سن کر باپ بہت خوش ہوا اور بیٹوں کو دعائیں دینے لگا۔ کھانا کھانے کے لیے گاڑی سے پانی کا مٹکا، کھانے کا سامان اور چار پائی نکالی اور اس پر بیٹھ کر کھانا کھانا شروع ہو گئے۔ جب سب نے کھانا کھالیا تو تینوں بیٹوں نے مل کر کہا کہ "آج سے آپ کا گھر یہ ہے اور پانی کا مٹکا پڑا ہے اور کھانے کے لیے کچھ کھانا بھی پڑا ہے"۔ اب ہم جا رہے ہیں یہ کہہ کر وہ تینوں بیٹے چلے گئے۔ ایک عرصہ بعد ان تینوں بھائیوں کے بیٹے بڑے ہو گئے بڑے بھائی کے تین بیٹے تھے جب وہ بڑا بھائی بوڑھا ہو گیا اور اسے کافی بیماریاں لگنا شروع ہو گئیں تو اس کی بہو بھی اس سے بیزار ہو گئی اور اپنے خاوند سے کہا کہ "ہم آپ کے باپ سے تنگ ہو گئے ہیں ان کو یہاں سے کہیں دور لے جاؤ۔ تینوں بھائیوں نے مل کر سوچا کہ انہیں کہیں دور جنگل میں لے جا کر چھوڑ کر آئیں چناں چہ وہ بہانے سے انہیں کہیں دور لے گئے اور آخر کار کھانا کھانے کے لئے تھوڑی دیر کے لئے رک گئے اور گاڑی سے ایک پانی کا مٹکا اور کھانا نکالا اور چار پائی نکالی۔ یہ دیکھ کر باپ کو یاد آیا کہ جو کچھ انہوں نے اپنے باپ کے ساتھ کیا تھا آج ان کی اولاد ان کے ساتھ وہی کرے گی۔ کھانا کھانے کے بعد جب بیٹوں نے باپ سے کہا کہ آج سے آپ کا گھر یہ ہے تو باپ نے جواب دیا کہ مجھے معلوم تھا کہ تم میرے ساتھ بھی وہی کرو گے جو میں نے اپنے باپ کے ساتھ کیا تھا۔

- * قرآن پاک میں پہلے کلمہ کا ذکر صرف 2 بار ہے۔
- * قرآن میں 700 مرتبہ نماز کا حکم دیا گیا ہے۔
- * حج کا حکم "سورۃ آل عمران" میں ہے۔
- * سورۃ توبہ بسم اللہ کے بغیر شروع ہوتی ہے۔
- * دنیا کے سب سے پہلے حافظ القرآن حضرت عثمان رضی اللہ تعالیٰ عنہ تھے۔

مائیں یا نہ مائیں

تحقیقات نے ثابت کر دیا ہے کہ انسانی جسم میں مٹی کے علاوہ اور بھی کئی چیزیں موجود ہیں جن کے بارے میں خود انسان بھی نہیں جانتا۔ مادی اعتبار سے انسانی جسم خام مال سے بنا ہے جن کی تفصیل کچھ یوں ہے۔

انسانی جسم میں کاربن کی مقدار اتنی ہے جس سے 900 پنسلیں بنائی جاسکتی ہیں، گندھک کی مقدار اتنی ہے جس سے 150 پٹانے بن سکتے ہیں، اس طرح فاسفورس کی مقدار سے 22 سو ماچس کی تیلیاں بن جائیں۔ انسانی معدہ میں 10 ہزار گیلن تیزاب تیار ہو سکتا ہے بجلی جو انسانی جسم میں موجود ہوتی ہے اس سے 25 واٹ کا بلب روشن ہو سکتا ہے، چونکہ انسانی جسم میں اتنا ہے کہ درمیانے سائز کا کمرہ رنگ ہو جائے لوہے کی مقدار اتنی ہے کہ 2 انچ کی دو میخیں بنائی جاسکتی ہیں اور انسانی جسم میں حرارت کی مقدار دماغ میں 85 فیصد اور گوشت میں 75 فیصد تک ہوتی ہے۔

متفرق معلومات

- * حضرت آدمؑ کا قد تقریباً 120 فٹ تھا اور یہی قد جنت میں حبشیوں کا ہوگا۔ آپؑ کی عمر 1000 سال تھی۔
- * حضرت آدم علیہ السلام کا لقب ابوالبشر تھا۔
- * ابوالبشر (ثانی) حضرت نوح علیہ السلام کو کہا جاتا ہے۔
- * حضرت اسماعیل علیہ السلام کا لقب ذبیح اللہ اور "ابوالارب" تھا۔
- * قاتیل سب سے پہلا دوزخی ہے۔ یہ حضرت آدم علیہ السلام کا بیٹا اور ہابیل کا بھائی تھا۔
- * حضرت ابراہیم علیہ السلام کی عمر تقریباً 175 سال تھی۔
- * حضرت اسماعیل علیہ السلام کی قربانی کے وقت آپؑ کی عمر 6 برس تھی۔
- * حضرت نوح علیہ السلام کی عمر تقریباً 1450 برس تھی۔ آپؑ نے 950 سال تبلیغ کی۔
- * حضرت نوح علیہ السلام کا بیٹا برے ماحول کی وجہ سے کافر مرا۔
- * حضرت نوح علیہ السلام اور حضرت لوط علیہ السلام کی بیویاں بھی مسلمان نہیں ہوئی تھیں۔
- * حضرت داؤد علیہ السلام کو اللہ پاک نے بہترین آواز عطا کی تھی۔ آپؑ کی صفت یہ بھی تھی کہ لوہا ہاتھ میں پکڑتے تو وہ نرم ہو جاتا۔
- * حضرت عیسیٰ علیہ السلام کی عمر 33 تھی جب اللہ پاک نے ان کو آسمان پر اٹھایا۔ آپؑ حکم الہی سے مردوں کو زندہ کرتے اور اندھوں کو ہاتھ لگاتے تو وہ صحیح ہو جاتے۔
- * فرعون نے تقریباً 400 سال حکومت کی۔
- * شداد کی عمر 900 سال تھی۔ 600 سال کی عمر میں اس نے جنت کی تعمیر کا حکم دیا اور 300 سال میں اسے مکمل کر دیا۔
- * یہودیوں کے عالم کو مرثی کہتے ہیں۔
- * عیسائیوں کے عالم کو راہب کہتے ہیں۔
- * امام اعظم ابو حنیفہ رحمۃ اللہ علیہ نے اپنے زندگی میں 53 بار حج کیا اور 2 مرتبہ اللہ رب العزت کے جلووں کا خواب میں مشاہدہ کیا۔

سے آتی مشینوں کی آواز سے ہمارے رونگٹے کھڑے ہو گئے۔ وہاں مجھے اپنے خوابوں کی پہلی دیوار گرتی ہوئی محسوس ہوئی۔ اندر پہنچ کر چاچا نے اپنی آنکھیں موند کر ہماری زلفیں اپنے لرزتے ہاتھوں میں تھام کر ایک ہی قینچی میں ہمارے سر سے الگ کر دیں لیکن ہم بھی یہ سوچ کر خوش ہو گئے کہ جناب یہ تو گھر کی کھیتی ہے پھر آگ جائے گی۔ اپنے بالوں کی قربا دنیے کر ہم جب واپس اپنی اقامت گاہ پر پہنچے تو وہاں ہمیں بتایا گیا کہ یہ دونوں انسان نما حضرات ہمارے انچارج یعنی کلک کیڈٹ ہیں۔ ابھی آکر اپنے بستر پر چین کی سانس لینے کے لیے لیٹے ہی تھے کہ ہمارے ایک کلک کیڈٹ صاحب نے ہماری فال۔ ان کرائی کیوں کہ یہی وہ ایک چیز تھی کہ جو ہم نے اب تک سیکھی تھی۔ ابھی ہم ایک سیدھی قطار میں کھڑے ہوئے ہی تھے کہ "میس۔ بیل" کی آواز سنائی دی اور ہم رات کے کھانے کے لیے "کیڈٹس میس" گئے۔ وہاں پہنچ کر میرے تو ہوش ہی اڑ گئے کہ کھودا پہاڑ اور نکلا چوہا، عقل مند کے لیے اشارہ کافی ہوتا ہے۔ پھر جب پورے دن کے بعد ہم اپنے بستر پر سونے کے لیے لیٹے تو میرے کانوں میں یہ آوازیں گونج اٹھیں کہ "دور کے ڈھول سہانے"۔

جناب ہاؤس

دور کے ڈھول

یہ شوق بھی کیا چیز ہے اور جناب اس شوق کے حوالے سے ہم اپنی پہچان آپ ہیں۔ اس کے بارے میں مکمل تفصیلات تو ہمارے گھر والے ہی بتا سکتے ہیں کیوں کہ ہمارے شوق نے ہمارے ابا حضور کو جس طرح تنگنی کا ناچ نچا رکھا تھا اس کا اندازہ بس وہی لگا سکتے ہیں لیکن اب ان کی بے چارگی پر ہمیں بھی رحم آنے لگا ہے۔ وہ اس لئے کیوں کہ اب ہم خود بھی بیچارے بن گئے ہیں اور ہماری یہ حالت ہمارے ایک شوق کی وجہ سے ہوئی ہے۔ پتا نہیں اپنے محلے کے دوسرے لڑکوں کو کیکھ کر ہمارے اندر یہ شوق کیوں کر پیدا ہوا کہ ہم بھی سفید وردی پہنیں۔ ہمارے گھر والے بھی ہمارا ہاتھ چومیں اور ہم بھی اپنی چھاتی چوڑی کر کے محلے والوں پر اپنا رعب جمائیں اور یہ شوق ہمارے سر پر ایسا سوار ہوا کہ ہم نے اماں ابا کے ناک میں دم کر دیا کہ جناب ہمیں تو کیڈٹ ہی بننا ہے اور یہ ہمارا پہلا شوق تھا جس پر تمام گھر والے خوش ہو رہے تھے کہ چلو اس مصیبت سے ہماری تو جان چھوٹے گی غرض یہ کہ اب ہمیں سوتے جاگتے ایک ہی خواب نظر آتا تھا کہ ہم کیڈٹ کالج میں موجود ہیں۔ جو نیئر ہمیں سلیوٹ کر رہے ہیں، سفید وردی پر ہماری درازز لہیں بڑی چمک رہی ہیں، رے بن (Ray Ben) کے چشمے لگا کر اور "آئی فون 5" لے کر کالج کے سبزہ زاروں میں مٹر گشت کر رہے ہیں اور اماں ابا کے یہاں نہ ہونے کا فائدہ اٹھاتے ہوئے کبھی کبھی کش بھی لگا رہے ہیں اور کالج کی میس میں بیرے ہمارے آگے پیچھے "پیزا" "برگر" اور "فاسٹ فوڈ" لے کر گھوم رہے ہیں اور جناب قدرت کا کرنا یہ ہوا کہ ہم نے کیڈٹ کالج پٹارو کا امتحان پاس کر کے اپنی جگہ میرٹ لسٹ میں بنا ہی لی اور اللہ اللہ کر کے یہاں آ ہی گئے آتے ہوئے تو ہمیں بڑے ہی پیار، عزت اور احترام کے ساتھ کٹ نمبر اور ہاؤس بتایا گیا اور پھر ہمیں بڑے ہی پروٹوکول کے ساتھ اپنے کمرے تک پہنچایا گیا اور پھر وہ وقت بھی آ گیا کہ ہمیں اپنے جان سے پیارے والدین کو خدا حافظ کہہ کر ان سے جدائی اختیار کرنی تھی۔ بس جناب ان کے جانے کی دیر تھی کہ ہمارے اوپر دو نہایت ہی بڑے خون خوار آنکھوں والے انسان یا پھر کیڈٹ آ کر کھڑے ہو گئے اور ہمیں اپنے پیچھے آنے کو کہا تو ہم بھی کسی گائے کے نوزائیدہ بچھڑے کی طرح ان دونوں انسان نما جنات کے پیچھے پیچھے چلتے ہوئے ایک کمرہ نماد کان کے باہر آ کر کھڑے ہوئے جس کے دروازے کے باہر "بار بر شاپ" لکھا ہوا تھا اور وہاں

ماں

دعا کے لیے ہاتھ اٹھاتے ہوئے لرزتا ہوں
دعا مانگی نہ تھی کبھی ماں کے ہوتے ہوئے

کہتے ہیں کہ جس گھر میں ماں نہ ہو تو وہ گھر، گھر نہیں قبرستان کہلاتا ہے۔ کچھ لوگوں کو ماں کی اہمیت کا پتا نہیں ہوتا اور وہ لوگ ماں کی قدر نہیں کرتے انہیں گالیاں بکتے یہاں تک کہ مارتے بھی ہیں۔ لیکن جب ان کی ماں انہیں چھوڑ کر چلی جاتی ہے تو انہیں اس کی قدر معلوم ہوتی ہے۔ اس لیے ہمیں چاہیے کہ ہم ماں کی خدمت، عزت اور قدر کریں۔

اب میں اس لڑکے کا قصہ بتانے جا رہا ہوں جو اپنی ماں کی عزت اور قدر کرنا نہیں جانتا تھا۔ ایک دفعہ کا ذکر ہے کہ ایک گاؤں میں ایک لڑکا اس کی چھوٹی بہن اور اس کے ماں باپ رہتے تھے۔ وہ ان کا اکلوتا بیٹا تھا۔ اس لیے وہ اس کی ہر خواہش پوری کرتے تھے۔ جس کی وجہ سے وہ روز بروز بگڑتا جا رہا تھا۔ وہ رات گئے گھر لوٹا۔ ایک دن وہ رات کو بہت دیر سے گھر واپس آیا تو اس کی ماں نے اسے بہت سمجھایا لیکن اس نے ایک نہ سنی۔ جب وہ لڑکا اس دنیا کو چھوڑ کر چلا گیا تو اس کی قبر سے ہر روز گدھے کی آواز آتی تھی۔ جب لوگوں نے رات کو چھپ چھپ کر دیکھا تو انہیں پتا چلا کہ رات کو اس کی قبر میں سے گدھا نکلتا ہے اور وہ ساری رات چیختا ہے۔ لوگوں نے اس کی ماں سے پوچھا کہ وہ اس دنیا میں کیا کرتا تھا؟ تو اس کی ماں نے وہ سب کچھ بتا دیا جو اعمال وہ کرتا تھا اور پھر اپنے بیٹے کے لیے مغفرت کی دعا بھی کی۔ اس لیے فرمایا گیا ہے اپنے والدین کے سامنے "اُف" بھی نہ کہو۔ کیوں کہ اس دنیا میں باب کی شفقت اور ماں کی ممتا جیسی کوئی چیز نہیں ہوتی۔ اس لیے حضور صلی اللہ علیہ وسلم بھی یہ فرماتے ہیں کہ "ماں کے پیروں تلے جنت ہے"۔

ماں سے زیادہ کون ہے اچھا

ماں سے زیادہ کون ہے پیارا

بہترین دوست

ساری دنیا میں ہر شخص کا کوئی نہ کوئی دوست ضرور ہوتا ہے جس میں بہت سے اچھے اور بہت سے برے دوست بھی ہوتے ہیں۔ اچھے اور مخلص دوست اپنے دوست کی مشکلات کو نہ صرف سمجھتے بلکہ انہیں حل کرنے کی بھی پوری کوشش کرتے ہیں جب کہ برے دوست صرف سامنے ہی اپنی دوستی کی جھوٹی جھلک دکھاتے ہیں اور پیٹھ پیچھے اس کی برائیاں اور اس کو پھنسانے کی کوشش کرتے ہیں۔ مگر کتاب ایک ایسی دوست ہے جو برے کو اچھا اور اچھے کو اور بھی اچھا بنا سکتی ہے۔ یہ انسان کی ہر مشکل میں اس کے کام آتی ہے اور کتاب میں پوری دنیا کا علم ہوتا ہے۔ اگر کوئی بھی معلومات حاصل کرنی ہوں تو ہم کتاب سے باآسانی حاصل کر سکتے ہیں۔ کتاب ویسے تو کاغذ کے ٹکڑوں سے مل کر بنتی ہے مگر اس کو پڑھنے والے اسے اپنے لیے سونا بنا لیتے ہیں اور دنیا میں ترقی حاصل کرتے ہیں اور وہ لوگ جو کتاب سے دور بھاگتے ہیں تو وہ کتاب بھی ان لوگوں سے دور بھاگتی ہے جس کا مطلب یہ ہے کہ وہ اپنے سونے کو اپنے ہی ہاتھوں سے مٹی میں ملا رہے ہیں لیکن اتنا کچھ کھو جانے کے بعد بھی ان کو اپنے مستقبل کی فکر نہیں ہوتی اور وہ لوگ ساری زندگی ٹھو کریں کھاتے رہتے ہیں۔ غرض کتاب ان کی دوست بنتی ہے جو کتاب سے دوستی کے لیے ہاتھ بڑھاتے ہیں کتاب سے وہ شخص محبت کرتا ہے جسے علم کی قدر ہو۔

دوستوں کے نام

کچھ یادیں ہیں اُن لمحوں کی
جن لمحوں میں ہم ساتھ رہے
خوشیوں سے بھرے جذبات رہے
اک عمر گزاری ہے ہم نے
جہاں روٹھے ہوئے بھی ہنستے تھے
کچھ کہتے تھے کچھ سنتے تھے
ہم روز صبح جب ملتے تھے
تو سب کے چہرے کھلتے تھے
ہم سوچ کے اتنا ہنستے تھے
پی ٹی کے نغمے گاتے تھے
وہ گھنٹی میس کے کھانے کی
اب ایک پرانی یاد بنی
یہ باتیں ہیں اُن لمحوں کی
جن لمحوں میں ہم ساتھ رہے

عظیم ہستی

کہتے ہیں کہ اس دنیا میں سب سے زیادہ خوش نصیب وہی لوگ ہیں جن کے والدین سلامت ہوتے ہیں۔ انسان کے ساتھ اگر اس کے والدین موجود ہوں تو زندگی حسین لگتی ہے۔ وہ خود تو تکلیفیں اٹھاتے ہیں مگر بچوں پر کبھی آنچ نہیں آنے دیتے۔ اسی طرح میرے ابا جان نے بھی مجھے کبھی کسی خواہش سے محروم نہیں رکھا۔ جب پہلی بار میں نے اس دنیا میں آنکھیں کھولیں تو اس عظیم ہستی یعنی میرے والد نے مجھے سینے سے لگایا۔ بچپن میں جب میں لڑکھڑا کر چلا تو انہوں نے مجھے انگلی پکڑ کر چلنا سکھایا۔ وہ خود کڑی دھوپ میں کام کرتے رہے مگر مجھے ہر وقت گھسنی چھاؤں میں رکھا۔ مجھے آج بھی وہ دن یاد ہے جب میں نے موٹر کار کی خواہش ظاہر کی تو انہوں نے بغیر کسی تاخیر کے میری خواہش پوری کی۔ مجھے آج بھی وہ دن یاد ہے کہ جب میں رویا کرتا تھا تو وہ مجھے پریوں کی کہانیاں سنا کر ہنساتے۔

اس میں کوئی شک نہیں کہ میں نے اپنی زندگی میں جو کچھ پایا جو کچھ حاصل کیا وہ صرف اور صرف اس عظیم ہستی کی حوصلہ افزائی اور قدم بہ قدم ساتھ ہونے کی وجہ سے۔ آج یہ ناچیز جو کچھ بھی ہے اسی عظیم ہستی کی وجہ سے ہے۔

ہوں میں آج جو بھی انھی کی ہے محنت
علی کچھ نہ ہوتا، اگر وہ نہ ہوتے

---XXX---

لگی اس نے کسان کو انعام و کرام سے نوازا اور ایک تلوار بھی تحفے میں دی گھر لوٹتے ہوئے راستے میں کسان کو پھر خیال آیا کہ میں سانپ کو آدھا حصہ کیوں دوں لہذا اس نے سانپ کو دیکھا تو تلوار نکال لی اور سانپ پر وار کیے سانپ اپنی جان بچاتا ہوا بل میں گھس گیا۔ کسان اپنے گھر میں خوشی خوشی آرام کی زندگی گزارنے لگا۔

لیکن کچھ دنوں بعد بادشاہ نے پھر ایک خواب دیکھا اور اس بار پھر کسان کو بلوایا اس بار تو کسان بری طرح پھنس چکا تھا لیکن وہ سانپ کے پاس گیا اور "کہا دیکھو دوست پرانی غلطیوں کو بھول جاؤ اور اس بار مجھے خواب کی تعبیر بتا دو ورنہ میں مارا جاؤں گا" سانپ نے اس پر ترس کھا کر اسے تعبیر بتائی اور وہی پرانا وعدہ دہرایا "کہ آدھا حصہ مجھے دو گے" کسان نے ہامی بھری اور چل پڑا محل میں جا کر کسان نے کہا "بادشاہ سلامت آپ نے خواب میں گائے دیکھی اور آپ نے گونگی گائے والی کہاوت تو سنی ہوگی لہذا اب آپ کی رعایا گائے کی طرح شریف ہو چکی ہے اور آپ کو کوئی خطرہ نہیں" بادشاہ یہ سن کر بہت خوش ہوا اور کسان کو پھر سے انعام و کرام سے نوازا۔ اس بار کسان سیدھا سانپ کے پاس گیا اور پورا انعام اس کے سامنے ڈال دیا تو سانپ نے کہا "دیکھو بھائی میں تو صرف تمہیں آزار ہاتا تھا میں تمہارے انعام کا بھوکا نہیں ہوں اس میں بھی تمہارا قصور نہیں تھا کیوں کہ ملک کے حالات کا اثر رعایا پر پڑتا ہے پہلی بار ملک میں دغا تھی تو تم نے بھی مجھ سے دغا کی دوسری بار خون ریزی تھی تو تم نے بھی ایسا ہی کیا لیکن اب جب ملک میں امن ہے تو تم خود چلے آئے انعام دینے سچی بات ہے لوگ جیسے نصیب ویسے"

---XXX---

کچھ اہم اقوال

- * خاموشی غصے کا بہترین علاج ہے۔
- * عقل مند بات کرنے سے پہلے سوچتا ہے اور بے وقوف بات کرنے کے بعد سوچتا ہے۔
- * علم تلوار سے زیادہ طاقت ور ہے۔
- * دوست وہ ہے جو ضرورت کے وقت کام آئے۔
- * دشمن کے حملے سے بچو اور دوست سے اُس وقت بچو جب وہ تمہاری تعریف کرنے لگے۔
- * استاد کی سختی باپ کے پیار سے بہتر ہے۔

ایک بادشاہ نے خواب دیکھا کہ اس کے سونے والے کمرے میں ایک لومڑی تڑپ رہی ہے۔ صبح کو بادشاہ نے سب امیروں، وزیروں اور نجومیوں کو خواب بتایا لیکن ان میں سے کوئی بھی اس کی تعبیر نہ بنا سکا۔ پھر تو بادشاہ نے ساری مملکت میں اعلان کروادیا کہ جو بھی خواب کی تعبیر بتائے گا اس کو بڑا انعام دیا جائے گا۔ کافی دن گزر گئے مگر خواب کی تعبیر کوئی نہ بنا سکا ایک دن ایک کسان نے یہ بات سنی تو اللہ پر توکل کرتے ہوئے خواب کی تعبیر بتانے نکل پڑا۔ راستے میں ایک پہاڑی درہ تھا جہاں سے وہ گزرنے لگا تو اس نے ایک سانپ دیکھا کسان نے سانپ سے راستہ مانگا کہ میں بادشاہ کو خواب کی تعبیر بتانے جا رہا ہوں سانپ نے کسان سے کہا "اے کسان! جب بڑے بڑے نجومی نہیں بتا سکے تو تم کیا بتاؤ گے اگر تم مجھے انعام کا آدھا حصہ دو گے تو میں تمہیں تعبیر بتاتا ہوں" کسان نے سانپ کی بات مان کر اس سے خواب کی تعبیر سنی اور چل پڑا۔ دربار میں پہنچ کر کسان نے بادشاہ سے تعبیر بتانے کی اجازت مانگی اور کہا کہ "بادشاہ سلامت لومڑی ایک دغا باز، مکار اور بزدل جانور ہے لہذا عوام میں مکاری، دغا بازی اور ریاکاری بڑھ رہی ہے" یہ بات بادشاہ کے دل پر لگی اور اس نے کسان کو انعام سے نوازا واپس آتے ہوئے کسان نے سوچا کہ اس راستے پر سانپ بیٹھا ہو گا اور انعام کا آدھا حصہ اسے دینا پڑے گا لہذا وہ راستہ بدل کر چلا گیا۔

کچھ دن بعد بادشاہ نے دوبارہ خواب دیکھا کہ اس کے محل میں ایک ننگی تلوار لٹک رہی ہے تو اس نے اس خواب کی تعبیر کے لیے بھی کسان کے پاس آدمی بھیجا تو کسان اچھنسا اس نے پہلے بھی سانپ سے دھوکا کیا تھا لیکن پھر بھی شرمندہ ہوتا ہوا سانپ کے پاس گیا اور اس سے خواب کی تعبیر پوچھی تو "سانپ نے کہا کہ تم نے پہلے بھی وعدے کی پاس داری نہ کی مگر اب وعدہ کرو کہ اس بار انعام کا آدھا حصہ مجھے ضرور دو گے" کسان نے اقرار کیا اور تعبیر سن کر روانہ ہو گیا۔ محل میں پہنچ کر کسان نے کہا "حضور کی عمر دراز ہو! تلوار کا کام خون ریزی ہے آپ کے دشمن آپ کے پیچھے تلواریں لیے پھر رہے ہیں لہذا آپ بھی ان کے سر قلم کر دیں" بادشاہ کو یہ بات سچی

شکر ہے موثر اصول و ضوابط کی وجہ سے ہمیں فول نہیں بنایا گیا۔ رفتہ رفتہ کالج کے شب و روز اور آلو گوشت کی عادت ہو گئی۔

انسان کا سب سے بڑا کمال یہ ہے کہ وہ رفتہ رفتہ اپنے حالات سے نہ صرف مطابقت پیدا کر لیتا ہے بلکہ اُسے مشکلات پر عبور بھی حاصل ہو جاتا ہے۔ لہذا ہم بھی اپنے آپ کو انسان ثابت کرتے ہوئے نہ صرف ہاسٹل کی زندگی کے عادی ہو گئے بلکہ ہنسی خوشی رہنے بھی لگے۔ اب ہمیں ڈھلتی شام بھی اچھی لگتی، ہاسٹل کے گیٹ کا تالا بھی منہ نہ چڑاتا اور پڑھائی بھی ایک خاص ڈگر پر چلنے لگی۔

سچ تو یہ ہے کہ اب ہمیں اپنے کالج سے پیار ہو گیا تھا۔ اب کالج میں کھلنے والا ہر پھول ہمارے دل کو باغ و بہار کرنے لگا تھا۔ پڑھائی کی ایک منظم روٹین بن چکی تھی اور باہمی بحث و مباحثے سے ہماری معلومات میں اضافہ اور قلب و نظر میں وسعت پیدا ہو رہی تھی۔ ہمیں اپنے مسائل باہمی افہام و تفہیم سے حل کرنے کا شعور آ گیا تھا اور علم و عمل کے بہترین امتزاج کی یہ خوبی ہمیں اس ہاسٹل کی زندگی کی بدولت حاصل ہوئی۔

بادشاہ کا خواب

خراسان کے ایک بادشاہ نے سلطان سبکتگین کے بیٹے کو اس کی وفات کے بعد خواب میں دیکھا کہ اس کے جسم کی کوئی ہڈی باقی نہ رہی بلکہ تمام بدن خاک میں مل گیا ہے۔ مگر اس کی آنکھیں کاسہ چشم میں پھرتی ہیں اور حسرت کی نگاہ سے ادھر ادھر دیکھتی ہیں۔

بادشاہ کو دربار کے نجومی اور کاہن اس خواب کی تعبیر نہ بتا سکے۔ آخر کار ایک فقیر نے اس خواب کی تعبیر یہ بتائی کہ مرحوم سلطان کی چشم عبرت یہ دیکھتی ہیں کہ کل جس ملک پر اس کی حکومت تھی آج وہاں کسی اور سلطان کی حکومت ہے۔

یہ پیارا کالج

جب ہمیں یہ خوشخبری ملی کہ کیڈٹ کالج پٹارو کی انتظامیہ نے ہمیں اپنے ادارے میں پڑھنے کا اہل قرار دے دیا ہے تو گویا ان پر احسان کرتے ہوئے ہم حصولِ علم کے لیے اپنے گھر سے کالج کی جانب عازم سفر ہوئے مگر گھر سے رخصت ہونے کا منظر بڑا دردناک تھا۔ ہر فرد ہمیں دکھ بھری نگاہوں سے ایسے دیکھ رہا تھا جیسے کسی بکرے کو قربانی کے لیے لے جایا جا رہا ہو۔

خیر جب ہم کیڈٹ کالج پہنچے تو بہت سی امیدیں، کچھ خدشات اور ہزاروں انجانے خوف ہمارے ہمراہ تھے۔ اپنے کمرے میں وارد ہونے والے ہم دوسرے امیدوار تھے۔ پہلے دن تمام سینئر خوف ناک لگے۔ مگر کلاس فیلوز اپنے جیسے ہی تھے لیکن ہمارے حوصلے اُس وقت جواب دے گئے جب ہمیں کمرے کے وسط میں ایک چار پائی پر اپنے بورے بستر سمیت دراز ہونا پڑا۔ اگلا نازک مرحلہ تب پیش آیا جب گھنٹی کی آواز پر کھانے کے لیے ہم میس پہنچے۔ میس میں داخلے سے قبل ایسی لائن میں کھڑا کر دیا گیا جسے "فال ان" کہا جاتا ہے ہمیں قطار میں کھڑا ہو کر یوں لگ رہا تھا جیسے کچھ ہی دیر میں لنگر تقسیم ہو گا لیکن خیر ایسا نہ ہوا کافی دیر بعد آخر ہمیں داخلے کی اجازت مل گئی مگر کھانے میں آلو گوشت تھا جو ہمیں کبھی پسند نہیں رہا تھا لیکن مجبوراً زہر مار کر ناپڑا کہ اس کے سوا چارہ نہ تھا۔ جب رات کو سونے لگے تو جن بھوت اور چڑیلوں کے خیالات سے خوف آنے لگا۔ الغرض ساری رات کروٹیں بدلتے گزار دی اور صبح سویرے جب میٹھی نیند ہمیں اپنی آغوش میں لینے والی ہی تھی کہ پی ٹی کے لیے جانے کی سیٹی بج گئی واپسی پر بھاگ بھاگ ہاؤس کے واش روم پہنچے تو پانی ندر دچار و ناچار بغیر منہ دھوئے یونیفارم پہن کر میس پہنچے اور وہاں سے اپنی کلاس کی طرف چل پڑے۔

ابتدائی ایام میں ہمیں یہ کالج پنجرہ محسوس ہوا کہ اس کے چاروں طرف لگی ہوئی مضبوط گرل اور جالی دار گیٹ، یہی منظر پیش کرتا ہے۔ چوں کہ کالج میں ہم نئے تھے اس لیے وہاں تو یوں لگتا تھا جیسے پنجرے کے عادی کسی معصوم جانور کو جنگل میں کھلا چھوڑ دیا گیا ہو۔ میرے بہت سے بھائی اس کیفیت کو محسوس کر رہے تھے۔ خدا کا

پشاور کے معصوم شہدا کی نذر

ہم رونق تھے اجیارے تھے
ہم چنڈا اور ستارے تھے
ہم علم کے پیاسے پنچھی تھے
ہم قوم کے راج ڈلارے تھے
ہم امیدوں کا سورج تھے
ہم نیا، موج کنارے تھے
کیوں عدو تھا ہم سے خوفزدہ
ہم جگنو پھول اور تارے تھے
ہم جہل کی راہ میں حائل تھے
ہم علم و عمل کے دھارے تھے
اے ہم وطنو! یہ یاد رہے
ہم قوم پہ قربان سارے تھے
اے ماں تو اشک بہانا مت
ہم حسنِ حسین کے پیارے تھے
