MESSAGE

Reviewing “The Cadet 2017”, the new edition of Annual College Magazine, I felt great pleasure as it reflects the creativity and power of imagination of young minds of the College as Albert Einstein said “Imagination is more important than knowledge”. The Magazine provides platform to students to express their innovative ideas and develop originality of thoughts. It also develops a sense of competition amongst the students to perform better. The magazine also depicts cadets' achievements at various platforms in academics, literary events and sports. Such activities train the cadets to be mentally competent, physically strong and morally upright with a touch of general mannerism and good etiquettes.

The development works at College over the past few years have been significant. It is encouraging to learn that the College is maintaining modern educational facilities. Educational trips to foreign countries and addition of Chinese Language Lab have added colours to the College performance. The Magazine also updates the readers as to how the College prepares its young learners to compete in this era of intense competition by equipping them with knowledge, good social habits, better attitudes and values leading to holistic development.

I congratulate the editorial board and creative writers who share the credit of making this magazine a success. I also extend my warm wishes to the Principal, Staff and Cadets to continue their journey towards excellence. I wish Cadet College Petaro success in the accomplishment of its aims and objectives. Ameen!

FROM THE DESK OF PRINCIPAL

It is quite amazing to pen down few words as prologue to our in-house annual magazine 'THE CADET'. I am much delighted to see the wonderful contribution of cadets and their achievements. The magazine exclusively means to churn out the writing talent and record all the major events and achievements of the college throughout the year. I congratulate all the contributors and the editorial board for bringing out such a beautiful magazine.

In the academic process, besides motivating students to read books and acquire knowledge, they are also taught to write and express their own ideas in a good form in different languages. With this aim in view, the magazine is published annually. It contains a collection of articles, poems and short stories. It helps students to gain new knowledge, think critically, strengthen their imagination and improve their writing skills. Thus, it not only helps them to improve their general knowledge but also inculcates a habit of reading and writing. The cadets find real joy when they see their names published in the magazine. Besides, these magazines are interesting for the ex-students of the school. They read articles and their memory of the past days becomes fresh again.

With proud legacy of over 60 years, the college has excelled in every field. Students educated from the college have carved a niche for themselves in various fields at national and international levels. In this era of inexorable competition, it is of paramount importance to be equipped with appropriate knowledge, habits, attitudes and values leading to holistic development. Cadet College Petaro endeavours to provide every sort of platform in this regard. Curricular and co-curricular activities organised by the college not only inculcate academic excellence but also make students good human beings and confident leaders. Moreover discipline, which is a non-negotiable factor of a student's life in our campus, inculcates the values of time management and punctuality. We have inherited a strong foundation to march ahead towards a stronger and brighter Pakistan Insha Allah.

I extend my heartiest felicitations to the editorial board for their sincere efforts in making this magazine more meaningful and colourful.

MESSAGE FROM EDITORIAL TEAM

It gives us immense joy and privilege to present another exalted and elevated version of "THE CADET" Annual college magazine. We have tried our best to churn out creativity from young minds and learned faculty. This issue includes Petaro news, picture gallery, house reports, interesting nicknames and email addresses of outgoing cadets, articles, poems, sketches, etc. We hope you enjoy reading the magazine as much as we enjoyed making it.

The editorial board of the Cadet College Petaro proudly presents its unique creation in the form of "THE CADET" magazine every year which serves as a platform to highlight the college's achievements in academics, sports and literary activities, both inside and outside of the college. It also depicts wonderfully the state-of-the-art updated classrooms, well-equipped laboratories, auditoriums, cadets' residential area, playground and all other facilities provided to the learners. Thus the magazine is best account for our valued teachers and cadets' parents to update about cadets' activities and environment they live in.

In this edition of 'THE CADET' annual magazine, special coverage has been given to Confucius Classroom, Cadet College Petaro for promotion of Chinese language at the campus. The section includes creative writings by cadets as well as native Chinese faculty, news updates, progress in Chinese language proficiency and various events held within the campus as well as outside of it. The college has truly understand the significance of Chinese language in the future with a great number of opportunities at Peoples' Republic of China and CPEC project.

At the heart of college magazine lies a close-knit team of student journalists and learned faculty. Our goal is to create an incredible guide for our college readers. We accomplish this goal by equipping our writers with the skills to tackle challenging subjects and ultimately uncover their voices.

The editorial team warmly welcomes any sort of criticism and recommendation from our valued readers to improve the quality of the magazine.

Chairman, Board of Governors Cadet College Petaro, Rear Admiral Ather Mukhtar HI (M) also graced the program with his presence. Besides, many of the political dignitaries, senior Petarians, parents of cadets and guests witnessed the event. Worth Principal welcomed honourable chief guest and other respectable visitors, and presented annual report of the college including academics, sports, literary activities, college facilities, construction and renovation works, teachers' trainings, cadets' induction in various armed forces of Pakistan and other departments of life, etc. The chief guest appreciated untiring efforts of cadets and staff under able guidance of Principal, Commodore Mehboob Elahi Malik, SI (M). On the occasion, cadets presented guard of honor to the chief guest. They also displayed various activities like parade, karate, PT show, gymnastics, riding and wonderful show by junior cadets. These events well describe the brain and brawn skills with excellent touch of training and guidance. On the occasion, the chief guest conferred various prizes and awards to cadets and staff on the basis of merit throughout the session.

A MODEL INSTITUTION AND PIONEER OF CHINESE LANGUAGE EDUCATION

Commander Mehboob Elahi Malik SI(M)
Principal, Cadet College Petaro

Located in the district Jamshoro about 30 Kilometers from the main city of Hyderabad (Sindh Province), Cadet College Petaro is one of the great institutions in Pakistan. It was established in 1958 with the aim to provide good quality education to young souls along with their physical, intellectual, and character grooming. The College is tasked to educate young students from Class VIII to XII and 'O' to 'A' Levels. The curriculum of the college has been designed to include education upto intermediate level, military training, sports including riding, swimming, shooting etc. ethics and communication skills. By design the college acts as a nursery for defence forces of Pakistan, however, cadets are free to join a career of their own choice. Our promising cadets have excelled in all fields of practical life at the national and international levels. Over last six decades the college has produced great doctors, engineers, corporates and businessmen, civil and military officers, politicians, educationist etc.

Cadet College Petaro is a completely boarding college with almost 1000 cadets on its roll. It is the largest Cadet College in Pakistan spread over 759 acres of land. The Lay-out of facilities on the campus has been designed according to the best principles of town planning. The academic block houses administration offices, classrooms, state of the art laboratories including; Physics, Chemistry, Biology, language, Computer, ICT, and General Science Laboratories, auditorium and library. The hostel area comprises of eight houses, the mess, central grassy field, a swimming pool, squash courts, mosque, mini market and sickbay (mini hospital). The outer play area includes large stadium, basketball courts, indoor/outdoor shooting ranges, fitness club, hockey fields, riding club and jogging track. The staff residences are clustered towards one end. All teachers and staff live with their families on the campus.

Our students regularly participate in different co-curricular and sports activities at inter collegiate level. Performance of our cadets in studies as well as other activities has been exceptionally good. In sports our students outclass all other colleges especially in Sindh Province. Over the years college has produced best debaters, best sportsmen and great social workers. We regularly send our students on excursion cum educational trips to different organizations. In addition our students often visit abroad for some educational events and summer/winter camps. Every year our cadets conduct or participate in the model United Nations programs on campus or in other institutions. Different club activities are also conducted on regular basis in which the students are taught different skills.

Military training is an important part of education at cadet college Petaro. This includes prade training, PT show, leadership exercises, shooting and horse riding. During visit of important personalities, cadets

put up horse riding and parade show. The dignitaries are presented guard of honour and march past by the cadets. Every year a mega event named 'Parents Day' is celebrated in the college. On this day, thousands of parents/family member of the cadets visit the college. The cadets put up march past, PT show, Karate show, gymnastic show, tent pegging show etc. They display their talent through club activities.

For the purpose of healthy competition, the cadets have been divided into different houses. Inter house competitions are held in co-curricular and sports activities. The results of all such events are compiled at the end of each academic year and the best house is declared as the champion house. For the purpose of maintaining discipline and inculcate leadership qualities, cadets are assigned with different appointments. The overall incharge of discipline is called Chief Cadet Captain, overall incharge of sports activities is called Sports Cadet Captain, and the incharge of Co-curricular activities is given appointment of Chairman Honour Committee. Each house has its own Cadet Captain, who is assisted by the Senior Leading Cadets for maintenance of discipline at house level.

There is no denying of the fact that Cadet College Petaro is a role model for its education, sports and extracurricular activities especially in the Sindh province. The college enjoys great respect and importance for its high quality education, top class facilities and disciplined and conducive learning environment. A cadet who joins in class VIII passes through various physical, mental and social activities that give him great confidence and originality. Cadets are also taught manners and social values. Most importantly they learn to live and control himself in difficult situations. Cadet College Petaro is the only cadet college which offers three types of education systems i.e. Federal Board, Hyderabad Board and Cambridge System of education. Students have the option to adopt any type of education system based on their choice. Highly qualified teachers and state of the art educational facilities make the whole education system perfect for learning in any system of education. The college enjoys great honour that one of our students raised to the level of President of Pakistan, some as Chief Minister Sindh, few raised to three star generals, ambassadors, secretary level etc. The college is a genuine role model in education in Pakistan.

Teaching of Chinese Language

Taking the lead and realizing the importance of Chinese language in the milieu of China Pakistan Economic Corridor (CPEC), teaching of Chinese language commenced at Cadet College Petaro in September 2012. This initiative was taken on the directives of then President of Pakistan His Excellency Mr. Asif Ali Zardari (an Ex-Student of CCP). The purpose of the scheme was to introduce Chinese as a foreign language for the students of Sindh and facilitate them for higher education in China. For this purpose an MoU was signed between the Cadet College Petaro and Confucius Institute Headquarters (Hanban), Beijing in 2012. Under the paraphernalia of said MoU, two native Chinese teachers were provided by Hanban initially to run the system at CCP. Since beginning of Chinese

Language at CCP the Chinese teaching job has been executed in a befitting manner at Cadet College Petaro by the volunteer Chinese language teachers. For initial two years the Chinese language was taught as a routine matter. The response of students was not very encouraging. In 2014, a delegation of Sichuan Normal University visited Karachi to sign a MoU with government of Sindh to promote Chinese language in Sindh province. The cadet college team headed by the principal also met with the President of SNU Mr. Wang Meng; head of Chinese team. Chinese team was informed about the problems being faced by the cadet college in teaching of the Chinese language.

Presently the Chinese language is being taught to the students of Class VII, VIII, IX, X, XI, XII and Cambridge System as a part of their curriculum. Regular classes of Chinese language are being conducted once or twice a week for each class and each section. Chinese is compulsory subject for all students and examinations are also held regularly.

A delegation of College comprising The Principal, Vice Principal and Coordinator Chinese Language Centre visited China from 25th May to 28th May 2015. The purpose of the visit was confidence building and mutual understanding between the Hanban and CCP. The visit was scheduled in two phases; first meeting with the President of Sichuan Normal University to discuss modalities and coordination for teaching of Chinese language, and the Second a meeting with the Vice Chief executive of Confucius Institute Headquarters (Hanban) at Beijing to discuss establishment of Confucius Classroom at CCP and support of Hanban. Initially the CCP was proposed to be a Confucius Classroom under Confucius Institute at University of Karachi. However, later the college convinced the Chinese authorities to give the status of an independent Confucius Classroom to CCP for better management of Chinese teaching. CCP has been affiliated with Sichuan Normal University Chengdu, China as Confucius Classroom. An MoU in this regard with SNU has already been signed. SNU will support CCP in Curriculum development, Cultural promotion and teachers training for Chinese language.

As a result of the said visit, the course curriculum was upgraded due to the establishment of Confucius Classroom. The students of class X, XI and XII are being taught little advanced level of Chinese language, course for class XI and XII has been designed by Chinese teachers at CCP. Due to increased load of classes, the number of Chinese Teachers at CCP has now been increased to four. At the same time support of KU Confucius Institute is being extended for curriculum designing and students' evaluation in Chinese language. It is important to mention that Cadet College Petaro is the only college in Sindh province of Pakistan where Chinese language is being taught as a regular subject.

A new state of the art Chinese language laboratory has been established in the college with the support of Chinese authorities. The laboratory is equipped with modern technologies such as multi-media, sound system and personal computer to give the exposure of the audio and video facility. The internet connectivity in the laboratory is an additional feature worth to mention. The laboratory was inaugurated by HE Mr. Wang Yu Honorable Consul General at Chinese Consulate at Karachi. More than 900

students are regularly taking classes in Chinese Language. Incentives like Scholarship, summer camp at China and appreciation certificates have been instrumental in infusing great interest amongst students to learn Chinese Language. Every year selected cadets are sent for Summer camp in China, which is great incentive for the brilliant students in Chinese language.

It is pertinent to mention that South Asian Chinese Language learning Scholarship program was initiated with the collaboration of Sichuan Normal University, Chengdu, China in 2010 and till present our college has sent 27 students for the said scholarship. This year in 2017 approximately 32 students from Cadet College Petaro have applied for the same programme. In this regard, with the collaboration of Confucius Institute, University of Karachi interviews of these cadets were conducted on 28th and 29th April, 2017. Cadet College Petaro feels elevated that our students are performing well at Sichuan Normal University, Chengdu. Further, the support from the management of SNU for the successful conduct of the programme is worth to mention. The College expects good outcome from the programme in future. Beside, this programme strengthens the brotherly relations between Pakistan and China.

The programme of South Asian Scholarship for the Chinese Language learning at SNU offers opportunity for the students of the college to explore their potential on one hand and it is going to give them international exposure. Further, it is advice to all the students from Cadet College Petaro who are imparting education at SNU, that they must work hard to come up on the expectations of the college and their Parents. They are the Ambassadors of country, family and college. Besides, their success is respect for the family and for the country. We are thankful to the Chinese government, Chinese Council General at Karachi, Confucius Headquarters Hanban and Sichuan Normal University for their all-out support in promotion of Chinese language at cadet College Petaro. I wish and believe that this mutual efforts of ours will bring a really sweet fruit in the days to come.

Long Live Pak-China Friendship

POWER OF PUNCTUATION

An English professor wrote a sentence;

“A woman without her man is nothing.”

He asked students to punctuate it.

All the male students wrote;

“A woman, without her man, is nothing.”

All the female students wrote:

“A woman: with her, man is nothing.”

M DREAM AND YOURS

Prof. Sharafat Ali
Vice Principal/DOS

MY DREAM WITH CHINA

China-Pakistan relationship is an everlasting story which has its beginning in 1951. Both the nations share pioneering rich history of civilization. In 1960's, Chinese president Liu Shaoqi visited Pakistan, he was the first president who visited here. At that time, I was a child who was only interested in pictures in newspapers and who can understand few words on the page, but I got the information, there was a big country "China", and she is truly friend to Pakistan.

In 1990's, I was lucky enough to get university education in Islamabad and later on got my great job in Cadet College Petaro. At that time, Chinese president Jiang Zemin visited Pakistan was reported on TV. When I saw China's rapid development, learning the hard-working spirit from Chinese, trying my ability to teach next generation, serving Pakistan is my dream.

As the pages of the solar calendars flipped, the story was getting magnificent scenes and set ups. In 2000's, Chinese president Hu Jintao visited Pakistan, and said many Chinese people had begun to step on this hot land. Cooperative and friendly songs were not only because of both governments' sincere cooperation but also highly qualified workers from both countries. Power station, Karachi Highway and other projects around us make Chinese depict Chinese spirit of hard work and sincerity. They make my teenager kid understand "China-Pakistan friendship Zindabad". These historical events were developing my dream with China.

The world politics is uncertain as it may change with seconds and allies of yesteryear may become the rivals of today. But the relationship based on trust and faith did not get affected with the change of the tides. In various tenures and trends, both the nations always watered the tree of friendship with mutual understanding and cooperation. Whenever Pakistan had times of trials and tribulations, China always contributed in bringing Pakistan out of crisis and making her economy move. Whenever China has any difficulty within her territories or outside of these, Pakistan always extends her helping hands.

CADET COLLEGE PETARO'S DREAM WITH CHINA

Language is a friendship bridge between countries. Urdu was being taught in the University of Beijing from 1954, the need was felt to pay back in the same coin and the initiatives were taken by Pakistani government in 2012 to teach Chinese language to Pakistani students.

I would feel honor to claim that Cadet College Petaro Pakistan is the pioneering college where Chinese language is taught as a foreign language from 2012. This became possible due to the special interest of ex-President of Pakistan, Mr Asif Ali Zardari, who is also the ex-cadet and prominent Petarian. The idea behind this action is to motivate and qualify the students for higher education in China. Regular classes of Chinese language are conducted once or twice a week for each class and each section. Chinese is compulsory subject for all students and examinations are also held regularly.

We are eager to engage every cadet to Chinese language teaching, and feel excited for their excellent

performances in it. Because we know, and we believe, this language will open a dazzling door in their future and will support them to achieve Pakistan's dream. Students from Cadet College Petaro are going to talk in Chinese, and work with Chinese, by the efforts of Chinese faculty and college administration at Cadet College Petaro.

In 2010's, CEPC, One Road One Belt, has become famous title in Pakistan from north to south, from officer to citizen, from elders to kids, everywhere and everyone are influenced with this excitement and hope. In year 2015, Chinese president Mr. Xi Jinping visited Pakistan. I watched live news with our Chinese teachers. We were moved by the friendly relations and mutual respect between each other. These moving scenes tell us we are hand in hand and heart in heart.

In the same year, the voyage of Chinese language had its crucial and giant leap when Petaro's delegation was invited by Hanban to have a meeting in Beijing. I was also a part of College delegation which visited China from 25th May to 28th May 2015. The purpose of the visit was confidence-building MoU between Hanban and CCP. The visit was scheduled in two phases; first meeting was scheduled with the President of Sichuan Normal University to discuss and coordinate for teaching of Chinese language, and the Second meeting with the Vice Chief Executive of Confucius institutes Headquarters (Hanban) at Beijing to discuss establishment of Confucius Classroom at CCP.

Through this official visit, I was very much impressed to see the hospitality extended by Chinese delegation and specially Chinese people, their love for their Pakistani brothers was quite inspiring and excellent; very impressed to feel Chinese working attitude and responsibility.

At end of 2015, MoU between CCP, Hanban and Sichuan Normal University was signed. Chinese language teaching was promoted to Confucius Classroom. This made we Petarian proud and better opportunities to serve the country.

YOUR DREAM WITH CHINA

From 2015, Cadet College Petaro started sending excellent students as Chinese language teachers program in Sichuan Normal University. More and more candidates began to apply for the scholarship. For those guys, we should thank sincerely to our great Pakistan and our lovely friend China because of their intimate cooperation and selfless support, we could get such amazing chance. For those guys, we should thank sincerely to Hanban and Sichuan Normal University because of their foresight and meticulous arrangement, you can make full use of the opportunity and prove yourselves efficient. The candidates should be thankful to the college administration for this facility and parents for wise decision which ensures bright future. These cadets are real pride and precious assets of Cadet College Petaro. They make the college's name high at SNU in particular and China in general.

Dear Petarians at China, I foresee the view when you return back to Pakistan with high quality certificate. You are protagonists on the TV and you will become the center of attraction for your friends. I am surprised and moved when you go on stage in Chinese language classes. Your competent pace and fluency in Chinese language make you great idols in my mind.

Your performance will be a catalyst to bring progress and prosperity between two forever friends. I advise to concentrate on your dream, fight for your dream and make them come true. When you succeed in your aims, please do not forget Cadet College Petaro and your teachers who dreamt your success. It is not only your dream but also of mine and everyone at Cadet College Petaro.

CONFUCIUS CLASSROOM AT CCP

Prof. Gong Jinpei
Director of Confucius Classroom,
Cadet College Petaro

With the strong support from the Chinese government, great importance attached by Cadet College Petaro (CCP) and diligent work done by Chinese faculty members in the college, Chinese language teaching in CCP has become one of the prominent educational characteristics and has yielded successful and fruitful results.

1. BEGINNING OF CHINESE LANGUAGE TEACHING AT CCP

Inspired by Mr. Asif Ali Zardari, the former Pakistani President and with the support from the Chinese Consulate General in Karachi and Confucius Institute Headquarters/Hanban, CCP initiated Chinese language teaching since 2012.

In 2015, Agreement between the Confucius Institute Headquarters and Cadet College Petaro for the Establishment of the Confucius Classroom at Cadet College Petaro and Implementation Agreement between Cadet College Petaro and Sichuan Normal University for Development of the Confucius Classroom at Cadet College Petaro were signed respectively between CCP and Hanban as well as the cooperative partner Sichuan Normal University of China.

2. STRONG SUPPORT FROM PRINCIPAL AND STAFF MEMBERS AT CCP

The Principal of CCP has always attached great importance to the education and management of Confucius Classroom at CCP. He nominated Prof. Sharafat Ali, Vice Principal/D.O.S, to be the Pakistani Director of Confucius Classroom as well as Prof. Zafar Leghari to be the head of Chinese Language Department. Other departments in CCP also show effective support and assistance to the Chinese language teaching. With the friendly cooperation between the Chinese side and CCP, the running of the Confucius Classroom at the College is both smooth and healthy.

3. PROGRESS AND SMOOTH EDUCATION OF CHINESE LANGUAGE

Now, Cadets in VII, VIII, IX, X, XI, and Pre-O, O-I, O-II in Cambridge System are learning Chinese language with the textbooks of *Happy Chinese*, *Chinese Paradise* and *HSK1-2*. Chinese language has been considered as one of the compulsory subjects in CCP. Cadets should learn the Chinese language, and participate in the official Chinese examinations which have been organized by Hanban regularly. Excellent cadets in learning Chinese were awarded Chinese government scholarship in recent years. About 20 students headed by two teachers have been invited to participate in the summer camps in Sichuan Normal University since 2015.

4. OUTSTANDING ACHIEVEMENT IN CHINESE BRIDGE COMPETITION

Cadets Yaseen Muhammad and Magsi Muhammad Ramzan participated in the 10th Chinese Bridge Competition for World Youth in the second half of 2017 and won the Excellent Prizes respectively. Both of them have been awarded the chances for attending one term of Chinese language training course in universities of China with Chinese Government Scholarship. The two cadets have set a good example of learning Chinese language in CCP, which greatly arouse other cadets' interest of learning Chinese language well. They have also been awarded Special Prizes of Chinese Government Scholarship by the

Chinese Consulate General in Karachi.

5. GOOD RESULTS IN YCT TEST

Youth Chinese Test (YCT) was held at CCP in November, 2017. 276 cadets took part in YCT-1, 2 and 3 Tests. 20 per cent of participants got the excellent scores in the examination. Especially, in the Test of YCT-1, 4 cadets got full marks. After a careful evaluation of their performance in learning Chinese language, 193 cadets had been awarded the Chinese Government Scholarship in February, 2018.

6. RICH CULTURAL ACTIVITIES

Different kinds of cultural activities in Chinese Language Department have been held for providing chances to cadets to have a better understanding about Chinese culture.

Singing Chinese Songs: A 32-member of Choir Team from CCP was invited to participate in an International Choir Festival in Hainan Province of China in November, 2017. Chinese faculty members taught cadets to sing a typical Chinese song entitled as *On the Hopeful Land*. Cadets learnt to sing the song attentively and sung the song with authentic Chinese language during the Festival in China. They were well received and appreciated by Chinese audience.

Experiencing Chinese Culture: Chinese Club has especially been set up. Participants can not only learn calligraphy, paper cutting, Chinese painting and playing shuttlecock, but also improve their Chinese proficiency. Cadets are also taught to sing typical Chinese songs and play Martial Arts regularly.

Holding Exhibition of Chinese Culture: During the Event of the 56th Parents' Day in 2017, an Exhibition of Chinese Culture, which was decorated with huge red lanterns and couplets, was held for showing Chinese text books, magazines, novels, posts, and stationery. It caught much attention from cadets and their parents.

Training Classes in Spare Time: In order to raise comprehensive abilities of learning Chinese language, extra classes have been held twice a week for some cadets to improve their abilities of listening, speaking, reading, writing and translating. The training has been well received by the cadets of CCP. For improving the ability of spoken Chinese language, special lessons are also going to be held for some cadets from Grade 12th, so as to meet their needs to pass the enrollment tests to study in universities of China with Chinese Government Scholarship.

7. BRIGHT FUTURE OF CHINESE LANGUAGE TEACHING

Branch Chinese Classrooms: At the beginning of 2018, Mehran University of Engineering and Technology is expecting to get the assistance from CCP for starting Chinese language teaching in the University. At the initial stage, the potential students will be more than 200 postgraduates. With the approval from the Navy Headquarters in Karachi and Hanban, branch Chinese classrooms will be set up and additional Chinese teachers will be dispatched by Hanban soon. This will be the first step of CCP to promote Chinese language teaching in universities in Jamshoro.

Chinese Language Testing Centre: Applying for being one of the Testing Centers of Chinese language in Pakistan, CCP will be qualified to independently hold Chinese language tests authorized by Hanban. Thus, CCP can consolidate its position as the Center of Chinese language teaching and research, exert a positive influence on the promotion of Chinese language and culture, and play an important role in the region for increasing cultural exchanges between China and Pakistan.

A LETTER TO ALL CADETS AT CCP

M. Li Ruiying, Chinese Teacher

Confucius Institute
Headquarters Hanban,
Peoples Republic of China
February 16th, 2018

Dear naughty and lovely cadets,
Today is the Spring Festival, the most important holiday of a year for all Chinese people around the world. At this special moment, I would like to share with you my feelings and experience I have gained here through a formal letter to you.

I remember clearly that it was the autumn of 2014 when I was just graduated from a university in China and embarked on the road of teaching Chinese language overseas. After a long air journey from Beijing to Karachi, I stepped out of Jinnah International Airport and tremendous sceneries filled my eyes, such as pure blue sky, plenty of birds with unknown names singing and flying happily in the sky and countless trucks and buses painted with colorful charming patterns hustling and bustling on the highways.

The more memorable event I took part in first was the Parents' Day in the same year as I arrived at CCP. A large crowd of cadets and their parents, fantastic military parade show, skillful gymnastic performances and so on had a deep impression on me. During the event, sitting in a tiny area of Chinese Culture Exhibition, I adapted myself quickly from an audience into a participant by writing names in Chinese language for Pakistani friends. I almost became a film star that several hundreds of people lined up in queue, waiting for my translation and signatures.

From then on, I acted as a Chinese language teacher at CCP and delivered Chinese lessons to some cadets ranging from Grade 7th to Grade 12th. Many of my students have enjoyed good fortune through learning Chinese language well. Some cadets have been promoted to study in higher universities in Pakistan. Some of them have been luckily selected to learn Chinese language in universities in China with Chinese Government Scholarship. Many cadets have been employed to work in Sino-Pakistani Enterprises with decent amount of salaries.

The most proud achievement I obtained in CCP was that some of my cadets got good results in the 10th Chinese Bridge for World Youth Competition in 2017, during which my students won 1st, 2nd and 4th prizes in the pre-competition in Southern part of Pakistan. Cadets Muhammad Yaseen and Magsi Muhammad Ramza were glorious chosen and invited to go to China for the final competition. I

accompanied them for the whole round of competition in China. Both of them applied what they had learnt into full practice. In the end, they not only won the *Excellent Prizes* of the said competition, but also had been awarded one term of Chinese language training course in universities in China with Chinese Government Scholarship. At the moment when they were happily holding their Awarding Certificates, I felt very proud of my cadets and my heart was feeling just as sweet as honey.

In the last three years, I witnessed the fast development of CCP. The campus of the College has become more and more beautiful. The numbers of my colleagues have been increasing. Our Chinese Director came to his post by the end of last year. The educational and management of Confucius Classroom at CCP have been on the right track. Branch Chinese language classes will be set up in Mehran University of Engineering and Technology soon.

Dear cadets, I have devoted my precious three years of youth to teaching Chinese language at CCP. I once felt helpless when you were over active in class, lonely when my parents were enjoying traditional holidays in China and even upset when I fell ill. I managed to work here for about three years and have no slightest regret to teach you Chinese language, though I have left my parents, relatives and friends far away in China for a bit long time. My heart has been closely linked with my cadets, with CCP and with Pakistan. Whenever and wherever I will be in the future, I would always consider CCP to be my second hometown.

I sincerely wish you, my dear cadets, to learn Chinese language sincerely and earnestly, because good fortunes are waiting for you in the near future. You would have plenty of chances to show your talents of Chinese language in enterprises and projects of *China-Pakistan Economic Corridor*. Long live China-Pakistan friendship! (پاک چین دوستی زندہ رہے)

Yours sincerely,

Li Huiying

CHILDREN INHERIT THEIR INTELLIGENCE FROM THEIR MOTHER

A mother's genetics determine how clever her children are, according to researchers, and the father makes no difference. Women are more likely to transmit intelligence genes to their children because they are carried on the X chromosome and women have two of these while men only have one. But in addition to this, scientists now believe genes for advanced cognitive functions which are inherited from the father may be automatically deactivated. A category of genes known as "conditioned genes" are thought to work only if they come from the mother in some cases and the father in other cases. Intelligence is believed to be among the conditioned genes that have to come from the mother.

BRIDGE BEING PUT FOR CULTURAL EXCHANGES BETWEEN CHINA AND THE REST OF THE WORLD

Ms. Jie
Chinese teacher

The Asian Teachers Program, a project initiated by Confucius Institute Headquarters/Hanban (hereinafter referred to as "Hanban") for the aim of deepening cultural exchanges between China and South Asian countries and promoting the localization of Chinese language teaching in 2015, has won great acclaim. At present, hundreds of students from South Asian countries are studying Chinese language in dozens of universities in China, who will return to their home countries to teach Chinese language with the sponsorship of Hanban four or five years later. The project acts as promoter of Chinese language, and enhances better understanding and friendship between the peoples of China and South Asian countries.

UNDER THE FRAME OF THE BELT AND ROAD INITIATIVE

Since Confucius Institutes/Classrooms were first launched 12 years ago, with joint efforts by Chinese and overseas partners and personnel from various social sectors, the Confucius Institutes/Classrooms are making steady progress to continuously enhance the education quality, expand service capabilities and improve operation mechanisms, thus injecting new vitality into their sustainable development. To date, more than 500 Confucius Institutes and over 1,000 Confucius Classrooms have been established in 140 countries and regions, with an enrollment of 2.1 million students. In the regions and countries along the Belt and Road initiative, 134 Confucius Institutes and 127 Confucius Classrooms have been set up with the registered students of about 460,000 in 2016. Pakistan, India, Bangladesh, Nepal, Sri Lanka among South Asian countries have set up 11 Confucius Institutes and 12 Confucius Classrooms so far. The Confucius Institutes/Classrooms have become a "bridge builder" for exchanges and mutual learning between Chinese and foreign civilizations.

SERVING THE CHINA-PAKISTAN ECONOMIC CORRIDOR (CPEC)

CPEC is a 3,000-kilometer network of roads, railways and pipelines to transport oil and gas from southern Pakistan's Gwadar Port to Kashgar city, northwestern China's Xinjiang Uygur autonomous region. Proposed by Premier Li Keqiang during his visit to Pakistan in May 2013, CPEC will act as a bridge for the new Maritime Silk Route that envisages linking 3 billion people in Asia, Africa and Europe.

CPEC is going full steam ahead now. As a flagship project of the Belt and Road initiative, CPEC intends to revive the ancient Silk Road with a focus on infrastructure, and constitutes the strategic framework of bilateral cooperation. It is estimated that CPEC will create 2.3 million of jobs for local people between

2015 and 2030, which will enable Pakistan to increase its annual GDP at the range of 2 to 2.5 percentage point above its previous level.

Under this backdrop, Chinese language education in Pakistan is booming every day. More than 5000 students have registered into the 4 Confucius Institutes in Pakistan. People from all walks of life, especially, students from universities and senior middle schools, are eager to learn Chinese language well so as to get good jobs in some Sino-Pakistani joint-ventures or in educational departments for teaching Chinese language to local students.

GOOD LUCK ENJOYED BY DILIGENT LEARNERS OF CHINESE LANGUAGE

Hundreds of students from South Asian countries are enrolled into several Chinese universities to enjoy Confucius Institute Scholarship in the professional development for Chinese language teachers. Scholarship recipients are exempt from tuition and accommodation fees on campus. They are offered monthly living allowance per month. And a round-trip flight of economic class can also be provided every academic year for the foreign students studying in China. For instance, 35 and 38 students from Pakistan and Nepal were enrolled into Sichuan Normal University respectively in 2015 and 2016. The majority students devote their time and energy to master Mandarin and are expecting to be qualified teachers of Chinese language in their home country in the near future.

In short, South Asian Teachers Program is a pilot project which is conducive to promoting Chinese language and culture in South Asian countries. Meanwhile, more and more Chinese people start learning Urdu, Hindi and Arabic languages so as to enable them not only to have a better idea about the peoples and their cultures of South Asian countries, but also cooperate friendly with their foreign counterparts in projects of the Belt and Road initiative. Therefore, cultural exchanges between different nations will take a positive role in the development of economic globalization. And world civilization can only make progress by different nations' learning from each other on the basis of equality, mutual-respect and win-win cooperation.

POWER OF PUNCTUATION

A FLURRY OF CHINESE ACTIVITIES

(2017-18) IN CCP

Muhammad Sajid Qureshi

Coordinator, Chinese Language Teaching, CCP

Pakistan's burgeoning relationship with China has been intensifying with every passing day. The fact has invigorated the people of both the countries that their friendship will remain higher than the mountains, deeper than the oceans and sweeter than honey. To this, CPEC might well add; stronger than steel. China has invariably supported us, stood by us in troubled times and also helped us in economic, trades and defense fields. This all-weather and all-terrain relationship is a layered story of several highs and lows.

As China's economy has been growing rapidly, there is a sharp increase of demands in the world for Chinese learning. Therefore, in order to further fortifying the liaison with Pakistan, China embarked on awarding scholarships to Pakistani students in Chinese language teaching and learning through Sichuan Normal University, Chengdu, China. Hanban, the Confucius Institute Headquarters, affiliated with the Chinese Ministry of Education, is committed to providing Chinese language teachers and teaching resources.

Cadet College Petaro was held in high esteem to be one of a few selected Pakistani educational institutions for the Chinese language teaching and learning. Therefore, the opening ceremony to establish the Confucius Institute in CCP was held at Sichuan Normal University in October, 2015. Since then, there have been a good number of indoor and outdoor activities including various educational and vocational visits to China.

The detail of the activities carried out in 2017-18 is following.

1. SUMMER CAMP 2017

In order to provide all the Chinese language learners with the opportunities of interacting and socializing one another, Chinese government administers summer vacation programmes in China every year. This included not only the visits of monumental sites, museums and scenic spots, but also the students' participation in a number of competitions.

From the Cadet College Petaro, a team of 20 students and two teachers (Professor Riaz Zaffar and Professor Anis Khan) visited China from 17 July to 31 July 2017 for the Summer Camp 2017. In the course of their 15 days tour, the team visited the Sichuan Normal University, the libraries, the Science Museum and the zoo in the beautiful city of Chengdu. Particularly, the students took part in cultural activities, improved their Chinese and explored the exciting city in a safe environment.

2. CHOIR FESTIVAL

The China Chorus Association and the Hainan Federation of Literature and Arts conducted a Choir Festival in the cities of Hanain and Lingao County, China. The event featured a great opening ceremony and a choir competition comprising a wide range of competitions for the participants.

A group of 29 cadets, 02 teachers (Professor Zaffar Laghari and Assistant Professor Pervaiz Ahmed) and a music instructor (Mr. Khurram) from the Cadet College Petaro participated in the festival from 18 November to 26 November, 2017. The cadets depicted their performances on songs in Urdu, Sindhi, Pashto and Baluchi songs twice in Hainan city and once in Lingao city of China.

The cadets' spectacular and captivating performances earned them immense applause and admiration from the audience. To honour this, the host federation presented them with a shield and participation certificates.

3. BRIDGE COMPETITION

The Chinese Bridge Competition or Chinese Proficiency Competition is a large scale international contest sponsored by Hanban. It is well-known in the cultural and educational exchanges worldwide. It consists of 3 events: Chinese Proficiency Competition for Foreign College Students, Chinese Proficiency Competition for Foreign High school students and Chinese Proficiency Competition for Foreign Students in China. The competition, which is held yearly, is organized and carried out by the Organizing Committee.

A number of seven (07) cadets and two faculty members; Sir Shahid Muneer Shah and Ms Li Huiying attended the Bridge Competition held from 17 October to 30th October 2017 in Kunming, Yunnan, China. A number of 96 countries attended the competition; its theme was 'Learning Chinese, Double you friends'.

It was a matter of immense pride and ecstasy that cadet Yaseen (Kit No. 13002) and cadet Ramzan (Kit No.13140) grabbed prizes and won Chinese Scholarship for their outstanding performances in the final round of the competition.

4. INAUGURATION OF CONFUCIUS CLASSROOM

The inauguration of Confucius classroom took place in Cadet College Petaro soon after the Parents Day 2017. It aimed not only to foster a love of learning the Chinese Language among the cadets, but also to teach the language in the line of Youth Chinese Test (YCT).

The Chinese language teachers Ms Li Huiying, Mr. Jin Yang, Miss Tan Jie and Miss Pan Hongting carried out the Chinese Language teaching under the directorship of Mr. Gong Jinpei.

5. CHINESE GOVERNMENT SCHOLARSHIP

In order to support the development of Confucius Institutes, to facilitate Chinese language promotion and Chinese cultural transmission in the world, to cultivate qualified Chinese language teachers and

For the past few years, Chinese Government Scholarships are awarded to the excellent Chinese Language learners around the world.

In this regard, YCT (Youth Chinese Test), which is an international standardized test of Chinese language proficiency, is conducted. It assesses young foreign students' abilities to use Chinese in their daily and academic lives. The test is divided into four levels, namely, the YCT1, YCT2, YCT3 and YCT4.

A total number of 193 cadets from the Cadet College Petaro appeared in YCT1, YCT2 and YCT3 and won the scholarships. On 30 February 2018, a ceremony was held at CCP to give away the scholarships and certificates to the winners.

MOU SIGNING BETWEEN CCP & MUET

A Signing Ceremony of MoU between Cadet College Petaro and Mehran University of Engineering and Technology was held at MUET Auditorium on 6 March, 2018.

Commodore Mehboob Elahi Malik (SIM), Principal, Cadet College Petaro and Mohammad Aslam Uqaili, Vice Chancellor MUET signed the agreement, which expressed a convergence of will between both the parties to establish the Confucius Institute for the Chinese language teaching and learning in MUET. The classes commenced from 26 March, 2018.

The ceremony began with the recitation of the Holy Quran followed by the address of the Vice Chancellor Mohammad Aslam Uqaili. In his speech, he extended that the decision of launching the Chinese language was made in order to cater the demand of the skilled manpower in C-PEC.

The Principal Cadet College Petaro, Commodore Mehboob Elahi Malik while addressing at the occasion contributed that CPEC is going to set a new dimension of Pak-China friendship and it is the need of the time that the graduates of the country should learn Chinese language to meet the upcoming challenges. He added that the learning and speaking of Chinese language would help the youth of the country to further strengthen the Pak-China relationship.

The Director Chinese Language Mr. Gong Jinpei carried out a presentation based on the importance of Chinese language. A Chinese captivating song titled "Beautiful Chengdu" was sung by cadet Faraz, which was then followed by the spectacular Chinese (dance) performance on Chinese music track depicted by Cadet Yaseen and team from Cadet College Petaro. For their brilliant performance, the cadets bagged a lot of applause and the words of appreciation.

All in all, the day witnessed such an invigorating and exciting ceremony that everyone in the audience spoke high of it.

CCP - OUR SECOND HOMETOWN

Mr. Jin Yang
& Miss Pan Hongting
Chinese Teachers

In September, we reached at Pakistan. For Chinese teacher, Cadet College Petaro is like a layer of mysterious veil and we need to make our enthusiasm and effort to remove it bit by bit.

There is always a wonderful voice into our ears. You will hear it as you walk into the classroom; you will hear it as you walk in the corridor of the campus; you will hear it while you walk in the playground. That is "老师，你好 (Hello, Mr/Miss) !"

There is a kind of affection that is called teacher-student relationship. When you get sick and cough, students will hold a cup to show me, "Do you need to drink water?" When I get away from my hometown, I thought no one would help me to celebrate my birthday. However, I found that some students came to my office with chocolate to celebrate Happy Birthday! When I get into trouble, I do not know what I should do, there are students tell me "Face it, Change it and Leave it."

There is a stay because of you. Every minutes of my work, I will be infected by innocent students. I will choose to stay here because I like them and want to teach them to speak Chinese and write Chinese characters. I will help them learn Chinese because I like them and want to sacrifice my spare time every day. I know it will be very tiring, but when I see them trying to learn Chinese, I feel "Everything is Ok".

This is Cadet College Petaro. The ancient saying goes, "Great learning makes a teacher; moral integrity makes a model." We will continue to uphold this philosophy to give students more chances to learn Chinese language.

GOLDEN WORDS OF W. M. THACKERAY

"Following the same path that others have succeeded, does not necessarily have to lead you to the same success. Choose your own way to live your life."

LEARNING CHINESE LANGUAGE IS MY MISSION

Ex-Cadet M. Junaid Shaheen, Kit No. 8090 (MQ)

As a Pakistani, my Chinese name is Shu Liede and my actual name is Muhammad Junaid. When people used to ask me about my ideals, I used to answer quite simply, "Eat well and play well" but now is different. My ideal now is that one ought to rely on one's own efforts to learn Chinese! When I came to China first time I was full of curiosity about the Chinese nation and of course the most curious about the Chinese language itself, though it's a bit different and quite complicated than I thought. Not only the language but the people too are much different, and the difference is positive as I could see the Asian amity and friendliness in their attitude. I can fearlessly say that these people have a strong sense of unity among themselves.

I live in Sichuan Normal University. The school leader has arranged a good room for us. I am very grateful to the Chinese government to give us such a good learning environment. First time when I went to class, I experienced great trouble for what teacher taught in Chinese was hard to understand initially. Finally, I once took the plunge to tell it to the teacher that I could not understand her well. The teacher in return insisted me to try harder. After school when I went to dining room I happened to see a lot of vegetables and noodles. Of course I didn't know how to eat noodles at that time for the chopsticks were the only cutlery. There I met my first Chinese friend. We exchanged introductions. He was very enthusiastic to teach me how to eat noodles. He then accompanied me to the super market to buy things. Meanwhile I asked him how to learn Chinese well. He told me not to worry as he promised to help me. Furthermore he advised me to learn the teacher's taught content first, and then if there were something difficult to get, I would seek his help. I was indeed much satisfied by then I also could speak a little Chinese. In addition to teacher in the premises of school, the school arranged for each student a separate teacher as to avoid the individual attention being compromised. I am greatly satisfied that my Chinese is getting better and better, gradually I am being able to communicate in Chinese. My Chinese proficiency level enhanced unceasingly, and finally I qualified the Standard HSK examination. One weekend, I went my Chinese friend to Chengdu spring city road for shopping, and my friend said to take me to try the specialty of that place - The Hotpot (the name of a traditional food in China), having eaten hotpot for the first time I knew why Sichuan people like very spicy food. I found the dish very delicious! Slowly I began to like Sichuan food as well as the weather in Chengdu. My Chinese teacher took us to Hangzhou and Shanghai last summer vacation travel. The weather was fine, we went to

cultural activities in Hangzhou, and I felt I was growing like a rose. Then we went to Shanghai, having beautiful places and delicious foods in abundance.

After having spent nearly a year in China, I have realized that the weather in China and Pakistan is not the same, the food is different too. The people, living in northern part of China, like to eat salty foods and rice; while those in southwest, like to have noodles. There are many popular sports in China such as basketball, football, badminton and table tennis. The culture of China and that of Pakistan has many differences, former like to eat rice, dumplings steamed buns, hotpot, vegetables and noodles very rich. I learned that there are 56 nationalities and the capital is Beijing. There are a lot of festivals in China and one of the most important festivals is spring festival. During the spring festival, shops and restaurants are closed. They must buy anything before the spring festival and to use the same at the very day of the Chinese New Year festival. Meat, sugar, fruit, new clothes, firecrackers, etc., all these things are necessities. To buy these things, is tantamount to the commencement. People remain busy in preparing for the New Year eve to eat dinner. Chinese people love dinner, have in common a few dishes, and then sit together to share the dishes unlike to the people of West who prefer to eat formally.

My dream is to become a teacher because a teacher plays very important role. He not only teaches them to read and write but also helps them to become a good human being colored with love and discipline. He helps his students to become useful citizens of their states. In order to achieve my dream of becoming a teacher, I will study harder. I think learning Chinese is quite beneficial. In addition to be a Chinese teacher, there is wide variety of opportunities for Chinese proficient candidates like to become translator or interpreter. If Chinese people travel to Pakistan, I wish to help them, and to deepen the friendship between the two nations.

In nutshell, I love my country but I like China too since it is my second home. I like Chinese people, language, culture and weather. After all "learning Chinese language is my patience."

COLD PHRASES

1. It's nippy
Wear a scarf. It's bit nippy outside.
2. It's chilly:
Shall we close the window? This room is getting chilly.
3. It's brass monkeys out there:
I don't think it's a good idea to swim in the lake tonight. It's brass monkeys out there.
4. It's bitterly cold:
It's bitterly cold and dry morning but the sky looks beautiful.
5. It's frosty:
You could see her breath in the frosty air.

HANYUQIAO

Cadet Muhammad Yaseen

Kit No. 1002 (LQ)

HanyuQiao is a Chinese term for what is called in English "The Chinese Bridge". It is a competition held every year at both university and school level to test the abilities of students in Chinese language at different grounds of language studies. A team of two students along with a teacher were invited from each country to participate in this highly esteemed competition with a pre-requestory nationwide selection to represent their respective countries. Only to my humble gratitude after Allah's bestowal, I along with my companion Cadet Muhammad Raman, became the first representative from my country to participate in an internationally valued competition under the training of our teacher Miss Li Huiying. The preliminary contest was held at Chinese Consulate Karachi where Cadet Muhammad Yaseen and Cadet Muhammad Ramzan outclassed the Confucius Classroom students. Few days later the college received an email in which I along with my friend Ramzan were called for the visa procedures and the passport submission. My father avoids travel. But the instant he was called on at consulate as my parent, he embarked on the journey with all the pride and sense of honor owing to his son's achievement. Having been awarded a Seventeen day tour in China is one thing but I was rather overcompensated for my winning the preliminary contest by the emotional approving eyes of my father while he was putting his signature on the documents at the Consulate.

17th October was the date scheduled for the commencement of the competition in the Kunming city of Yunnan province of china, while the government granted us the visa from 12 to 30, and the flight tickets altogether borne by the Chinese government. We travelled via "Bangkok connected Thai Airline" to Beijing. To be pertinent I had been to china in 2015 also, and the single gaze upon the airport reminded me of all the jovial moments I had spent two years before and this was the onset of another. After going through the formalities of immigration we headed towards the exits of the Airports but on our way we came across a lady who had a banner in her hand that read HANYUQIAO. She welcomed us and led us to a group of students who had already arrived. We had not seen them ever before, everyone looked unfamiliar of each other but there awaited an eminent friendship that would create a strong sense of amity amongst. What happened next was the most memorable moment the one thing and the biggest coincident of my life the second. In an attempt to mingle in the group of competents I met the Kenyan team and their teacher. As the teacher saw the Pakistan flag on my shirt he promptly entered into conversation with me in Chinese. To my amazement he asked me if I came from Hyderabad. As I affirmed, the next question he put to me sent shiver down my spine. "Laizi CCP ma?" (Are you from CCP?). As I said yes, with elevated excitement he told me that he too had once been a teacher at CCP. I at once recognized him, for the first Chinese teacher was appointed in the college while it was my first

year at Cadet College Petaro. He was sir Qitao and I had been his student; the same I mentioned to him. In the span of 5 years his appearance had so far remained intact while I had greatly changed and considering that he was well justified in being reluctant to recognize me, as he extended his hand, I fell into a typical Asian style of refusing the handshake offer, stepped ahead and hugged him as tightly as I could. He was the man who had set my pace at Chinese learning and as time vanished forever as he completed his tenure at the college. As I treaded along the path, at one point he just reappeared. This is an example of how Chinese language adorned my life with great adventures.

The first two days were spent in Beijing where we were formally welcomed by Hanban headquarter. We visited many sites. The Vast forbidden city, the iconic summer palace, the vertiginous great wall, the temple of heaven and the mausoleum of the Mao Zedong are a few worth mentioning. On 15th we left for Kunming via Chinese airline. It locates in the southern China and for its rather constant weather conditions is called as "The City Of Four Season Spring" The atmosphere gives a clear insight that the country both abounds in modern aspects and retains its classical image. Being there one can fearlessly subscribe that the Chinese people would go to any extent to preserve their culture and history. For example there are 55 minority ethnic groups in China, and the combined population of officially recognized minority groups comprises only 8.49% of the population of mainland China. Yunnan is the home for 25 of these groups. To offer the tourists a closer view of the culture of these minority groups, China has established "Yunnan Ethnic Village" spread over 80 hectares, a paragon of cultural representation; a theme park reproducing the architectures and folklore of 25 minority Yunnan Ethnic Village ethnic groups living in Yunnan Province. Besides, all villages are well organized and each village has tour guides to explain their customs to visitors. The most sumptuous and outstanding three are Bai Ethnic Village, Yi Ethnic Village and Dai Ethnic Village.

As regards the competition, the first round was conducted on the October the 17th and thence a bodacious friendly rivalry arose among the students, after all we were in a taxing competition with each other. The Chinese speech was the strongest bastion for team Pakistan and after the round of speech was completed, the team Pakistan became a serious threat for other teams aspirant to enter into the next round. In fact just after we finished our speech and left the stage, a group of interviewers gathered around us and fired a series of questions on us. I had not spoken a single word from my own side in the speech but in that interview I spoke with the doubtless liberty without any fear of marks deduction by the judges. In answer to their one of the questions that why did I study Chinese I said that translates into English as: "by learning Chinese I want to be the strongest bridge of friendship between Pakistan and China" This sentence drew the attention of a few more cameramen who told me to repeat what I had just said. The interviewers held us in a great esteem, and took photographs with us after they had taken interview to their satisfactory length of time. Throughout the interview Miss Li stood ordinary in a crowd, looking at us and nodding in approval upon each sentence we uttered. Her wet eyes clearly

stead the elation and pride to see her students enjoying distinction not at national but at international level. Chinese language is only an optional subject at our college. It would be more appropriate to call it a hobby rather than a subject. We did not stand in competition with those who had been studying even for science subjects in China from the first standard, or with the teams of such countries where Chinese prevails as an official language instead of English. For the reason the competition did grant us some distinctions, some experience, some ingenuity, and some room for further improvement also; the best of all, it rejuvenated our spirit at Chinese Learning, so that we may stand firmer and on a more consolidated position next time if we participate at the University level. On the basis of our overall performance we as a team were awarded six month scholarship to study Chinese language in China in the University on the team's own choice.

The closing ceremony marked the formal end of the competition, we lived there for seventeen days only but it seemed like we had been there for years. We met over 210 students from 95 countries the first day and said them adios the last, what we did amid is spent ever memorable moments together. Not sports, not music and not school but it was the love for Chinese language that brought us together. I shall culminate the topic with an advice to the patient readers that do not ever in your life begin to learn Chinese language if you might not continue it in the future, for as per by belief, there is an addiction in Chinese Learning, and once you begin to learn it, you cannot help learning it more.

WHY ME?

If you have to ask Why me?
 When you're feeling really blue,
 When the world has turned against you
 And you don't know what to do.
 When the saddened sun won't shine,
 When the stars will not align,
 When life is something
 That you dread
 And you have to ask Why me?
 Then when the world seems right and true,
 When rain has left a gentle dew,
 When you feel happy being you,
 Please ask yourself Why me? then, too.

ACADEMIC EXCELLENCE AT CCP

Mr. Jay Dev Suthar

Lecturer in English

Education is the most important and strongest weapon of any nation or state. It is famously said that education is the third eye of human which make him look beyond apparent nature of things. It is education which makes him wisest of all the creatures around him. Education is not only the name of knowledge or facts remembering but lot more than that. Aristotle rightly says, 'Educating minds without educating hearts in no education at all'. Our beloved leader Quaid -e-Azam Muhammad Ali Jinnah said, 'Education does not merely mean academic education and even that of poor type. What we have to do is to mobilize our people and build up the character of our future generations.' True education develops feelings of universal love and brotherhood, inculcates sense of responsibility, generates true awareness and creates understanding of natural phenomenon and righteous way to live a life. He lives to learn and learns to live.

Cadet College Petaro has a rich legacy of 60 years in producing academically sound and fruitful citizens of the country. Petarians have been most dynamic subjects not only in Pakistan but almost all around the world. Cadets of CCP have been achieving excellent results in BISE Hyderabad, FBISE Islamabad and CIEs. They have been securing top positions in their respective boards. Recently, our two cadets - Cadet Arsalan Khan 14011 (LF) and Cadet Habibullah 14003 (A), clinched first two positions in SSC- I & II Annual Examination BISE Hyderabad. Mostly, our cadets secure their place among top ten positions.

In few couple of years, the academic results have considerably declined. There are number of factors behind that. Firstly, the respective boards are advancing towards strict transparency in not only conduct of examination but also in the process of results compilations. The malpractices of getting high grades by bribery and favourtism are going to be ruled out. The country's anti-corruption institutions have been very active to check out all such unprofessional treatment which was facilitating students and their parents to acquire good results illegally. Secondly, the college has also improved its conduct of examination ensuring 100% transparency and merit. The externals and board teams, when visit our examination centre, consider the college a utopian world as they don't find such transparent system anywhere around the board premises. Though, cheating had never been a practice at CCP but yet there were shortcomings which have been dealt intelligently. The college always prefers long term benefits over short term ones. We hope our cadets will adapt the improvements introduced by the college and recover their legacy of excellence in the time to come. Thirdly, there is always a room for

The Cadet 2017

movements. We are revising our policies, activities and routine of cadets to come up with incredible academic results. The college's academic council as well as external academic audit teams are invited to probe and sort out the pitfalls in the system as these may be dealt at the earliest. Despite the decline in academic results for aforementioned reasons, the cadets of CCP outshine other institutions since they are placed under a fair system. A great number of students get admissions in top universities of the country. Not only this, our students are often found leading from the front in various curricular and extra-curricular results. They keep on bringing laurels for the college in the forms of prizes, awards, trophies, cash prizes, etc. They wonderfully excel in essay writing competitions, spelling bee contests, debates and declamation contests, etc. In art, music, drawing, sketch-making, log forming, everywhere our cadets come forward with brilliant results. Lastly, contrary to the academic results, the ratio of cadets, who joined various armed forces of the country, has considerably increased. A huge number of cadets has joined Pakistan Army, Pakistan Navy and Pakistan Air Force. They are indeed pride of Petaro.

We aim to pursue our cadets for a quite simple philosophy that there is no shortcut to success. Lasting success can only be earned by hard work. We make our students realize that success accomplished by hard work brings lasting happiness, satisfaction and joy. In this regard, they may face challenges and hardships but they are placed on path of progress and prosperity. At the moment, they may be envious of other students outside of the college who enjoy lenient routine, shortcuts for short-lived victories, facilitating environment during examination, etc. but they know that they are set on right track of par excellence. It is famously said, 'Smooth seas do not produce skillful sailors'. Students prepared on this motto enjoy their life. When they join various professional fields, they enjoy their jobs rather than taking it as burden. On the other hand, success earned through shortcuts may give you short-lived benefits but in long-term it gives pain. People who come forward by shortcuts are usually not capable. Thus, they are found dependent on some other person. They are unable to take decision themselves and resolve any issue independently. They are always in the need of somebody. For such individuals, their job is burden on them rather than enjoyment and contentment. It is said, 'Those who kept coins, enjoyed the rain; while those who had paper notes, were busy in looking for shelter.' CCP is determined to adapt a righteous path and produce lifelong learners. We do not believe on preparing students for merely good grades but also on good character. We intend to make them curious learners, respectful students, kind human beings, helpful companions, pious people and fruitful citizens of the country. Despite the fact, it is facing hardships and hindrances, but its expedition to excellence goes on. May Allah Almighty help us in this sacred profession.

CHANGING TRENDS OF TEACHING

Mr. Muhammad Ismail Khushik

Lecturer in English

It's a senior section class room, the teacher is stuck to the rostrum and delivering sermon and just following the content he has from the book with certain crammed definitions. The most of the students don't seem to be interested in the lecture and are yawning and even making their last ditch efforts to be involved in the lecture. The teacher's voice echoing in the class and the students are in great difficulty to swallow but busy in making fun which is not noticeable to the teacher.

This is not the scene but this is a scene which is witnessed and repeated in most of public sector educational institutes and a few private sector educational institutes of our country. This is the teaching style which is still perused in the class and the students are blamed for not understanding and making fun in the class. Our students can only understand in the class when something is provided in an interesting way. An other name of life is evolution. Things, patterns, doctrines and actions change with the passage of time. If we don't follow the changed sets and techniques, we will not survive in the race quality education. In the field of teaching, teaching techniques and methods are totally changed. Sermonisation in teaching has very little value. Modern educationists, scholars and trainers believe that education does not merely mean just passing on information, cramming certain definitions but training of minds. The teachers who hundred thousand excuses not to adopt the modern methodologies either live in their own fantasy world that they know every thing or the syllabus they are teaching is obsolete. In this era of gadgets and machines, there's hardly room for a teacher who still sticks to the conventional teaching styles. Every teacher wants to be an apple of his/her students' and administration's eye. Firm determination and practical action can make a teacher to be his/her students' favourite teacher. Been in this profession for more than 15 years, I have adopted certain techniques and methods which has made me do wonders as a teacher. Let me share with you some teaching techniques which have helped me to make teaching in the class interesting, lasting and productive.

Content knowledge: As man is always learner so a good teacher always strives to put in maximum information about the topics which are very much concerned with teaching topics. For example, if you are teaching the poem "Sonnet Composed Upon Westminster Bridge" by William Wordsworth go through the information provide in books and internet regarding the picture and environment of London and specially the Westminster Bridge. In the same way if you are teaching about the continents of the world do go through the books and search information on Google. Always broaden your concept of your topic you are going to teach in the class.

Planning: It is said that if you fail to plan, you will plan to fail. Planning is necessary for the fruitful teaching in the class. The more your lessons are planned, better is your teaching. Lesson planning or making lesson plans on the papers makes teachers irritated because they believe that teaching is "what do you want to teach?" Rather than "How to teach?" Proper planning in teaching makes your lesson go well as things are under control in the class as your minute to minute and activity to activity keep the students busy and curious. There are no hard or fast rules for lesson planning as there are more than one lesson plan pattern. You need not type or computerize your lesson plan and implement it completely during your teaching in the class. Your lesson plan can even be in bullet points and you can even make changes in the nick of times. Just remind yourself that you are planning to make your teaching in the class effectively and the response and involvement of the teachers will be the proof that your teaching is very effective.

Involving students in activities related to the topic, is also the effective way of teaching nowadays. The matter of the fact is that students pay more attention when books are not involved in teaching. On the other hand the impact of pictures and activities is more than just memorizing or reading certain words. Effective and planned activities can make your teaching interesting for you and your students. Following activities are the mostly adopted by the teachers to make their teaching effective and productive:

Role Play: In this activity, a teacher must make himself a model and then guide the students to have it in the class. This activity is helpful almost the subjects of English, Urdu, Pakistan Studies and Islamiyat. If a teacher is teaching poems like Abou Ben Adhem, Lucy Gray, the Solitary Reaper, Samson and Agonistes, Incident of The French camp can involve students in the role play on the above topics of the poem. Role play can only be effective when little bit costume factor of the characters in the poems is considered. In role play activity, a teacher should play the role of a director and writer of the script of the poem. This activity is equally applicable to almost all arts and a few science subjects.

Running Dictation: This is also very fruitful activity in teaching. In this activity, a teacher makes worksheets like explanations of the stanzas, answers of the questions, paragraphs of essays, facts and figures of any historical event. In this activity, a teacher has his/her teaching in two phases. In this first phase, he/she gives any question, case, story, stanza and assign to group or pair of students and then pastes their answers on the white board or on the wall of the class. Divide their roles i.e one has to dictate the answer while the other will note down on the copy. When all the answers are written by the students then they are asked to read their copied stuff and then whole class listens. In order to make class more interesting, a teacher may put questions during their reading in order to enforce the students' learning.

Integrating Technology: The usage of technology has made teaching and learning has made teaching and learning very easy. Lots of videos are available on the topics of various poems at intermediate level like Samson And Delilah, The Adventure of Ulysses, The Prisoner of Zenda and Monte Cristo. In order

to make the students understand the advantages of cell phones, internet, corruption, over population, terrorism etc, Teachers can select certain documentaries in order to provide the writing stuff to the students on various topics of writing essays. For making grammatical concepts clear in short time, usage of PPT's is an ideal approach, if it is supplemented with the evaluation with worksheets of the taught topics

Learning By Playing: We teachers always want our students to be like robots controlled on our instructions. We totally forget that our students are human beings and they also need entertainment in the class besides learning about the facts. This is the reason the term "Information" has been introduced in modern teaching. You can teach them while making them feel that they are playing. For this keep at least two days for teaching them while devising a game like Hangman, Passing The Parcel, Round Table Conference, Chinese Whisper etc. Make sure that again teaching your students while making them feel that they are playing. In Hangman, keep the words which have background of the topics already covered and ask them questions from these words. In the same way, in Passing the Parcel, besides the chits of command keep the chits of the words which ultimately lead you to the topics you have already discussed. In Round table conference, keep the argumentative topic like The Challenges for Young generation. Play your role as a guide or mentor during the activities.

We teachers are the luckiest professionals who are put on position where we can really make the difference in society and country and this role demands that our role should not end at teaching in the class, checking the copies, completing the course but it is more than that because we are the people who are given god like respect and we can only make difference when we try our level best to make them good human beings with deeds and words. Let's bring them on the right path our kind attitude and proper counseling. This is the price of our sacred profession which we should pay honestly while teaching our students honestly properly and devotedly and never look to anybody for your reward but to God and mind you God always reward of your good deeds.

APPLICATION FOR EMPLOYMENT

Dear sir,

I refer to the recent death of a technical manager at your company and I, hereby, apply for the replacement of the deceased manager.

Each time, I apply for a job at your company, I get a reply that there is no vacancy but this time I have caught you red-handed. I have even attended his funeral to be sure that he was truly dead and buried. Therefore you have no excuse this time.

Attached to my letter is a copy of my CV and his death certificate.

Looking forward in anticipation.

TEACHING EVERYWHERE

Anything that annoys you,
Is teaching you patience.
Anyone who abandons you,
Is teaching you how to stand up on your own.
Anything that angers you,
Is teaching you forgiveness and compassion.
Anything that is dominant over you,
Is teaching you how to take your power back.
Anything you hate,
Is teaching you unconditional love.
Anything you fear,
Is teaching you courage to overcome it.
Anything you can't control,
Is teaching you how to let that go.

CHOIR FESTIVAL AT CHINA

Cadet Arbaz Khoso, 14072 (L)

I was much elated, when the daily order caught my glance, where it was all about Choir Festival at China. It was already decided by me and my father that I should visit some developing country - China. I got my name written in the list of participants for that festival has an international scope. Almost (no. of countries) countries were going to participate in this grand festival.

It was first time for all of us to participate in an International event, and to come to the stage to entertain the audience. This festival comprised of traditional dance and songs. Such events require hours of practice. I owe it to our college administration that helped us to prepare for this competition. Musical instructor and dance teacher were also arranged for the team. Of course we were not yet as courageous to face audience, especially on an international ground. In the beginning no one among our team mates could perform a dance well or sing fluently. Even, I being from a Balochi tribe could not carry out my traditional Balochi dance. There were times when I felt the only course open to me to quit but that is not what the definition of a Petarian is. Nor would our teachers let us in such an abyss of disappointment, the source of encouragement and inspiration were our worthy and honorable teachers, Prof: Zafar Leghari. It was through his encouragement that we took the challenge. "Choir festival" were the only words we could speak for the time, and whenever we decided to take some rest our dreams betrayed us by opening the gates for scary imaginary pictures of the stage. However the spirit in our hearts overwhelmingly suppressed the fears. We practiced in all our rest and leisure time. Practicing and learning dance steps is quite difficult. The only questions that haunted our mind was that should we be able to lead the flag of our country on the highest position. How could this be achieved, how hard was it to outclass the other countries. Should we really be able to maintain grace and dignity of our beloved Pakistan?

As the days passed our heartbeats gained pace. Finally, when we learnt the dance steps and to sing fluently, the further room was only for the confidence to fill. We performed folk dance and sing the songs at Chinese Consulate at Karachi, we presented our show successfully without any slip. It was my experience that, when we mounted the stage, we were being afraid of audience, in spite of that we remained more than successful. The only thing in our mind from then onwards was to get the show on the road.

When we landed on soil of China, it quite astonished me because what I had only heard about the

These people was their hospitality, which was quite less informative. Firstly they were far more available than we heard, secondly the qualities of love, caring and decent nature, and civilization was clearly more observable. We were greeted through announcement at Airport of Haikou, Hainan. We were led to a magnificent hotel. The festival was organized by Chinese government as a symbol of love and attachment with other countries. The performance was on the next day. This performance made Sir Zafar Laghari to think whether we will be able to stand against professional singers and dancers. It was a great honor for our team which could be played at college level. It is a matter of pride and honor that we did far better than many others. Our competition was not to defeat professional competitors but to earn respect for our homeland, Pakistan.

The most pertinent thing to mention and the saddest story to tell is that our team leader Cadet Mughees died down his life, which I being proud call Martyrdom, for he was away from home representing his country. It was a relentless electric shock that sucked out the soul out of his body, It was purely an unexpected accident happened. We as a team were greatly moved by his unalarmed departure. For the first time we lost all the hopes. In all this chaos our soul fathers and our teacher Sir Zafar Laghari once again instilled a spirit in us; he taught us that now this performance would be rendered in the honor of our deceased friend. Probably this was the only thing which could grant us a perpetual and consistent spirit and motivation. Despite shock and sadness we participated and performed with boldness and strength. It was a successful event and we enjoyed a lot but the sadness we experienced is completely beyond words. We still remember our companion Mughees, may he rest in peace.

In the end I would thank our Principal who is very courageous and above all a great person under whose leadership we participated on an international level. I pray and hope that our college should continue to bring such good names to the country and contribute towards the progress of the nation.

DO IT ANYWAY

People are often unreasonable, illogical and self-centered.
 Forgive them anyway.
 If you are kind, people may accuse you of selfish ulterior motives.
 Be kind anyway.
 If you are successful, you will win some false friends and true enemies.
 Succeed anyway.
 If you are honest and frank, people may cheat. Be honest anyway.
 If you find serenity and happiness, people may be jealous.
 Be happy anyway.
 The good you do today, people will often forget tomorrow.
 Do good anyway.
 Give the world best you have, and it may never be enough.
 Give world the best you have got anyway.
 You see, in the final analysis, it is between you and God.
 It was never between you and them anyway.

CLIMATE CHANGE

Cadet Waqas Shahid, Kit No. C-15016 (SL)

Earth was a beautiful place for mankind to dwell in. Its serenity was maintained. The tranquillity of its waters was unperturbed. A group of fishes moved in tandem with the ripples generated by breeze. Felicity was everywhere as no one knew the danger that lingered beyond the horizon. Until now, the scenario has completely changed. Earth is facing the catastrophe which is utterly devastating. The climate is changing unfathomably and the reasons are we human beings ourselves.

We are the ones to be blamed. We burn fossil fuels and the harmful gases are released uncontrollably. We are the reason for releasing sulphur dioxide in the atmosphere, giving rise to the popularly known "The Ozone Hole". According to NASA's critical analysts, the level of carbon dioxide in atmosphere for the past centuries, was 300 parts per million but now it is 400 parts per million; a dramatic proliferation is visible. The sulphur dioxide is absorbed into clouds, what was once called "Rain" has now transformed into "Acid Rain".

The lakes, rivers and seas are acidified and pH level is lowered to 03. Deforestation is increasing at an alarming rate. This conglomeration of gases is causing global warming. It is in fact a rise in atmospheric temperature which has increased from 0.3 C to 1.7 C, most of which in past 35 years.

A great damage is done above Antarctica which is causing ice to melt, resulting rise in sea levels ultimately causing flood and tsunamis. It is a fiasco by humans causing extinction of various species from the earth.

Life is ultimately about choices---- so is pollution. We can use catalytic converters in cars, dump intoxicants and plant trees to reduce global warming. Join hands and let our political differences get aside, then we can and we will, Insha Allah, bring the beauty and normality back to Earth.

IN THE LOVING MEMORY OF LATE CADET

MUGHEES MIRANI 13141(J)

Cadet M. Mirani Hassnain 13073(A)

Winning everyone's heart, becoming the apple of everybody's eye, being loved by everyone is not everyone's slice of cake. But Mughees had that fair share of the slice. Not only was he the apple of everyone's eyes but was near and dear to literally everyone, i.e friends, family, teachers and colleagues. But alas! he is no longer with us smiling and making everyone smile.

A dear friend of mine, he was a dazzling dancer, an excellent actor and an outstanding speaker of English and Urdu. I still remember that on 7th November, three weeks prior to that nerve shaking incident, it was our Inter House Urdu Declamation Contest. We all were anxiously waiting for the announcement of results at the end. My heart skipped a beat when it was announced that two cadets had shared the 1st position and Lo! It was me and Mughees. I hugged him and I congratulated him on this tremendous achievement.

Little did I know that three weeks later, I would be among the horde of friends and family burying him down for his final and eternal journey. This unfortunate incident took place on the night of 20th November. He had gone as leader of the team of C.C.P which was representing Pakistan at Choir Festival in China. On that night, Mughees was electrocuted while he was barefoot on the road of the complex. His fellows there tried to call for help, gave him CPR but alas! It was too late. Nothing could be done as the poor soul had departed.

The very next day when Principal gave us this heartbreaking news, we all went in tears, and the silence that followed in the classes, meals and dormitories was so wretched, gaudy in itself that nobody talked to one another. Every eye was wet. I still remember that on that day I felt very heavy hearted with anguish as the thing that must have not happened so early had happened all of sudden. He had to live his life more to chortle with laughter on his jokes, more smiles to be brought on peoples' faces, more talent to be revealed. But alas! All those smiles went away with him. What's left is a mere memory.

Time passes and we realize that life is like that. Your beloved ones would be snatched away from you without a caveat and time will come when you will also be wheeled away in the cart of death. So why not live the moment? Perform as much virtuous deeds as possible? Why not try bringing smiles on peoples' faces? Why not let a change transpire in our ambiances? Mughees is a martyr. He died for a gallant cause, representing the nation as a patriot. He will always have a place in our hearts. We salute the martyr. May Allah bestow him the highest place in Jannah. Ameen.

I HAVE A HIGH AIM IN LIFE

Cadet Asif Hussain, Kit No. 14183 (J)

- Teacher: What is your aim of life?
- Student: I want to become an army officer..
- Teacher: Don't you want to become a teacher or a lecturer?
- Student: Never!
- Teacher: Why?
- Student: Because I have a high aim in life.
- Teacher: I see! What if status and facilities of teacher and army officer are reversed? What if it is decided that now onwards an army officer will get the salary equivalent to what a teacher is given and vice-versa? What if an army officer is not given residence in cantonment and is compelled to find residence on his own and teacher is provided fully furnished accommodation? What if teacher is given high level protocol and same is denied for armed forces personnel?
- Student: Then definitely, I would prefer to be a teacher.
- Teacher: Why?
- Student: Because I have a high aim in life.
- Teacher: What do you mean by high aim?
- Student: It means to join a profession which ensures job security, handsome salary, luxurious facilities and little work load.
- Teacher: O my goodness! It is fatal mindset! Dear student, generally we find the people who are not interested in nature of job or profession but they look for money and power. Such people can't do justice with the job since they don't perform their job with interest and passion. Such people do not remain happy even after earning too much. Therefore, seek your talent, ask yourselves what you are interested in, and then choose the department or field of life accordingly. By this, you will not only be prosperous but most importantly happy. In this way, you will be a fruitful member of the society, contributing in development of the country.
- Student: It is a great idea sir. Money and power are not everything in life. One should seek happiness in life. Thank you very much sir, I shall revise my aim of life.

PAKISTAN OF MY DREAM

Author: Abdul Salam,

Roll No. 13045 (A)

Pakistan means land of pure and pious people. It is named so because our elders and forefather championed in piety, devotion, dedication and hard work. They were not afraid of anyone except ALLAH. That was the reason that our elders fought bravely with our enemies in seeking their rights for establishing a new state for Muslims of subcontinent.

On night of 14th August 2016, I dreamt about the importance of Pakistan in whole world. I found that how the whole world depends on our country Pakistan. I dreamt that if we had stopped exporting our single article, whole world would have suffered because Pakistan was at the peak of progress in every field. Whenever, there was a talk about human rights in world, Pakistan will be a great example for all. Pakistan's literacy rate increase has made world in great surprise since it has jumped from 50% to 95% in just few couple of years.

Most of world's food resources became dependent on Pakistan's agriculture due to vast variety of vegetables and fruits. Every Pakistani became healthy enough to do something for the development and betterment of his country.

In technology, Pakistan gave birth to numerous students who topped in bringing new inventions. The latest technology that shocked all the masters of information technology of world was made by Pakistani student. He gave the concept about the disappearing of something. He briefed about the car which could disappear and men can sit in it and can enjoy ride. The colour, steering control, design and many things which came under the system of car was controlled by a single smartphone.

There was no terrorism, criticism and cynicism in the country. Every fellow man was worried about the other one. There was no any provincial difference between the fellow men and every man breathed green.

There I happened to meet Quaid-e-Azam accompanied by Allama Iqbal speaking in an angel's voice. They told me the reason behind all these successes and progresses. They said these progresses are done by people themselves, they stopped believing on government and did their best in many ways for development of Pakistan. The people collectively worked and helped one another for development and progress for country.

MOST PRECIOUS GEM

Cadet M. Faseeh
Kit No. 17132 (MQ)

Abdullah was very young when his father died. His mother was an educated woman. Therefore, she started to work as a maid in a school. His mother worked hard in order to provide her only child the best possible lifestyle.

Days turn into months, and months turned into years. Abdullah was now a young, handsome and well educated man. He received best education because of his mother but instead of respecting his mother's hard work, he was ashamed at her profession. He did not want to introduce her to his friends or anyone. His attitude created a gap between them.

He left his mother and moved to another city to join well educated firm. After few years, when he got quite settled in his life he married a girl with his own choice without informing or inviting his mother. Days passed very fast and he was living happily with his wife. One day he was informed about his mother's serious illness. He harshly asked his mother neighbour who brought the news not to bother him again. Few weeks later, he received a letter.

My dearest son,

I am your illiterate and ugly mother but I have spent every fraction of my life to make you an educated, cultured and successful person of society.

I hope and pray that your sons would never be ashamed of you. I wish that your sons would treat you better than you deserve. I wish they would never leave you alone on your death bed. This might be the last time you are hearing from me. No matter what you did, I always loved you. You are my pride but I am source of your disappointment. Good bye forever.'

After reading the letter, he bursts into tears. He remembered the time when his mother tolerated his bad behaviour and hateful words. He recalled each and every effort of his mother for his wellbeing. He was guilty of himself for not being there at her funeral. He was crying for his mother but he knew that he could not do anything. He realized that his mother's sacrifices made him live such a comfortable and happy life. But, the unfortunate man could only repent now. He had lost the most precious gem of his life "Mother".

THE NIGHTMARE

Cadet Irfan, ID: 17114 (LQ)

I remember that frightful evening. I try to forget it but I instead with fright every time when I was with my friends at home. We went to terrace for beer it. It was dark and stormy night when I was with my friends at home. We went to terrace for beer it. Suddenly a clap voice roared to us. The voice was like 90th century horror movies. Suddenly the door was closed with the terrifying voice. We were afraid and we were trying to get out but the door was closed. It was terrifying. Suddenly a white woman rushed to us in blink of an eye. Later on, she appeared from there. We were quite disturbed and frightened. A strange voice was continuously warning us not to run but we were trying our best to escape from there but all efforts went in vain. One of my friends started shouting. The way he appeared and his odd moves made us worried and more frightful. A voice warned that only one among us was allowed to leave the place but we were not ready to leave one another in a difficult time. We rushed to the door and broke it. We ran away leaving our sick friend there. After sometime, we saw a flame coming out through terrace. We were feeling sorry for our friend whom we left alone. Suddenly, a strange voice was listened, saying 'I won!' and a huge explosion followed, destroying everything around us including we ourselves. I woke up from my horrifying dream. The nightmare taught me a lesson that never leave your companion in any sort of difficult situation. One should not be selfish. It is rightly said that a friend in need is friend indeed.

DRUG ADDICTION

Cadet Ghulam Mustafa Zardari

Kit No. 16185 (IQ)

Drug Abuse is great threat to any society. It is a great curse. It is very harmful to our health. Countless people die every year because of drug abuse. It is an international problem. People involved in this harmful business are so strong that they have organized themselves in a group often referred as 'drug mafia'.

There are many factors responsible behind this threat. One of these causes is bad company or company of drug addicts. The youth commit this mistake in the name of adventure. They do not realize its harm at this stage, and ultimately become permanent victim to it. Troubled domestic background is also a strong factor which attracts the youth towards drug addiction. The dis-satisfied and discontented people turn towards drug addiction in order to escape from his family and social responsibilities. Including these, there are many other causes like unemployment, easy availability of drugs and more than enough earning in its business etc.

It has several adverse effects. Drug addicts destroy their health as well as wealth. The whole family suffers due to drug addict. They become a big burden on national economy and progress.

It makes its users psychologically disturbed and absolute dependent on it. The psychological implications cause intolerable frustration and irritability often leading to crime and violence.

It is great threat to society because our future, youth of educational institutes, become easily victim of this curse.

It can be curbed by certain measures. One of these solutions is rehabilitation centers where the victim is treated by the help of counseling and medicines. General awareness should be created about these helping homes. Secondly, family and relatives of the victim has great role to play. They should not make fun of the victim. The elders should counsel him about its consequences and satisfy him by attracting to other things. He is needed to be carefully watched. Youth should be attracted towards games by providing them platforms and opportunities. They should be informed about benefits of games and damaging effects of drugs. Government and concerned authorities are required to be very strict in curbing its business by forming effective policies and its implementation. Conclusively, drug addiction is no doubt a great threat to society. Both the government and public need to work together to restore its victims and curbs its usage.

FAMILY

Cadet Fazeel A

Kit No. 16165 (LF)

Every Person in my house,
Is too important without any doubt

With their love home will be safe.

STRONGEST BRIDGE

Cadet Muzammil Shahni,

Kit No. 15124 (IQ)

Boats sail on the rivers,
And ships sail on the seas,
But clouds that sail across the sky
Are prettier than these.
There are bridges on the rivers,
As pretty as you please,
But the bow that bridges heaven,
And overtops the trees,
Builds a road from earth to sky,
Is prettier far than these.

PUPPY AND I

Cadet Mussadiq Shahani, 16071 (J)

I met a man as I went walking,

We got talking,

Man and I,

“Where are you going, man?” I said.

“Down to the village, to get some bread,

Will you come with me?” said the man,

“No, not I”, I replied.

I met a woman as I went walking,

We got talking,

Woman and I,

“Where are you going, woman, so early?”, I said.

“Down to the village to get some barley,

Will you come with me?” said the woman,

“No, not I”, I replied.

I met some rabbits as I went walking

We got talking,

Rabbits and I,

“Where are you going in your brown fur coats?” , I said.

“Down to the village to get some coats,

Will you come with us?” said the rabbits,

“No, not I”, I replied.

I met a puppy as I went walking,

We got talking,

Puppy and I.

“Where are you going on this finer day?

“Up to the hills to troll and play”, replied Puppy.

“I will come with you, Puppy”, said I.

گورک ھل اسٽيشن

ملڪن ۽ مقامي علائقن جي وچ ۾ ٻين شين سان گڏوگڏ سندن تفريحي ماڳ ۽ مڪان پڻ هوندا آهن. اسان جي ملڪ جا ڪافي ماڳ مڪارن علائقن ۾ پکيڙي ديسان ديس مشهور آهن. پر ڪجهه اهڙا تفريحي ماڳ به آهن جن کي انهن جي خوبصورتي ۽ سونهن جي سبب مشهور نه ملي سگهي آهي. اهڙن ماڳن مان سنڌ جو هڪ ماڳ ”گورک ھل اسٽيشن“ پڻ آهي. هي علائقو دادو ضلعي جي جوهي تعلقي ۾ واهي پانڌي کان اٽڪل 111 ڪلوميٽر جي فاصلي تي آهي. گورک جي نالي لاءِ مختلف روايتون آهن ڪجهه تاريخدانن جو چوڻ آهي ته هندو جوڳي سري گورک ناٿ جي نالي سان گورک جون نالو پيو ۽ ان نالي سان سڏجڻ لڳو آهي. مگر ڪجهه تاريخدانن جو اهو چوڻ آهي ته بلوچي زبان جو لفظ گرک آهي جنهن جي معنيٰ آهي بگهڙ ۽ گرک مان لفظ منجني گورک ٿي ويو آهي.

گورک تي وڃڻ لاءِ توهان کي فور وبل گاڏي جي ضرورت پوندي ۽ رستو ايترو ته مشڪل آهي جو توهان 50 ڪلوميٽر جو فاصلو به تقريبن ٻه اڏائي ڪلاڪن ۾ مس ڪري سگهندو. توهان کي پنهنجي گاڏي وڏي مهارت ۽ احتياط سان هلائي پوندي ڇاڪاڻ جو رستي جي ڀر ۾ وڏيون وڏيون ڪاهيون آهن. گورک تي وڃڻ لاءِ توهان کي پاڙي تي جيپ ڪرائي ان تي ويٺو پوندو ڇاڪاڻ ته گورک تي وڃڻ لاءِ عام پبلڪ ٽرانسپورٽ جي سهولت نه آهي.

گورک سمنڊ جي سطح کان 6000 فٽ مٿي آهي ان ڪري هي علائقو تمام ٿڌو رهندو آهي. جن ڏينهن ۾ دادو جا ماڻهون گرمي کان پيا بيزار ٿيندا آهن انهن ڏينهن ۾ گورک وٽ وري سردي کان هٿ پيا سيڪيندا آهن ۽ سردي جو مزو پيا وٺندا آهن. هتي صرف هڪ مسافر خانو آهي باقي ٻئي ڪا سهولت موجود نه آهي.

جيتوڻيڪ اهو تفريحي ماڳ هڪ صديءَ کان به اڳ ڳولهي نظرن ۾ اچي چڪو آهي پر افسوس ان ڳالهه جو آهي ته سرڪاري سطح تي ڪڏهن به هن لاءِ ڪي وڏا منصوبا جوڙي ترقياتي ڪم نه ڪرايا ويا آهن. جنهن جي ڪري هي پنهنجو جوڳو مقام حاصل ڪري مشهوري ماڻي نه سگهيو آهي. پر اسان کي پڪ آهي تو ايندڙ وقت ۾ اسان جو هي تفريحي ماڳ به ماڻهن جو ڌيان پاڻ ڏانهن ڇڪائي خوب مشهوري ماڻيندو.

روهڙي شهر جي تاريخي (مسجد وار مبارڪ)

ڪيڊٽ حسام احمد چنا

ڪٽ نمبر 13077

شهباز هائوس

روهڙي شهر سنڌ جو هڪ تاريخي ۽ تهذيبي شهر آهي. هن شهر جي مشهوريءَ جا هونئن ته ڪيترائي حوالا آهن. پر انهن سڀني حوالن ۾ مسجد وار مبارڪ انتهائي اهم آهي. سنڌ و درياءَ جي کاٻي ڪپ تي واقع هن تاريخي يادگار کي جامع مسجد روهڙي ۽ اڪبري مسجد روهڙي به سڏيو.

هيءَ مسجد نواب فتح علي خان سن 992 هجريءَ ۾ جوڙائي هئي. پاڻ مغلن پاران بکر پرڳڻي تي گورنر مقرر ٿيل هيو. کيس اڪبر بادشاه سان تمام گهڻي ويجهڙائي هئي. تنهن ڪري هن مسجد کي اڪبر جي نالي منسوب ڪيو هئائين. ڪجهه تاريخدانن جي اها راءِ آهي ته هن مسجد جي "پيڙه جو پٿر" اڪبر بادشاه پاڻ رکيو هيو. پر ان باري ۾ حتم ٿي نٿو ڪجهه چئي نه ٿو سگهجي. ان ڪري جو سنڌ جي تاريخ تي لکيل ڪتابن مان اهڙي ڪا به سنڌ نه ٿي سگهي. بيشڪ ايترو سو ضرور چئي سگهجي ٿو ته مغل دور ۾ ۽ خاص ڪري اڪبر جي دور ۾ سنڌ پرڳڻي ۾ جيڪي به عمارتون ٺهيون، تنهن ۾ هيءَ مسجد تمام گهڻي اهميت واري آهي.

هن مسجد کي "مسجد وار مبارڪ" ان ڪري چيو ويندو آهي جو ڪجهه عرصي لاءِ حضور ﷺ جن جو وار مبارڪ هن مسجد ۾ رکيو ويو هيو. روايت آهي ته ميان عبدالباقي صديقيءَ هڪ عرب عورت سان شادي ڪئي هئي. جنهن کي سندس سهري شيخ نظام الدين سن 952 هجريءَ ۾ استنبول ۾ اهو وار مبارڪ سوکڙيءَ طور ڏنو هيو. ان عمارت جي خوبصورت ناسي دروازي تي خلفاءِ راشدين جا نالا ۽ دروازي جي ٺهڻ جو سن پڻ ڏسڻ ۾ اچن ٿا. ان ئي ننڍڙي ڪمري ۾ سان وار مبارڪ لاءِ هڪ منفرد ۽ سهڻي عمارت اڏائي وئي آهي. ان عمارت جو ڪم پير صبغت الله شاه اول ڪرايو هيو ان عمارت جي سڃاڻپ هڪ سائو گنبد آهي. جنهن جي اندرئين حصي ۾ آيت الڪرسي ۽ چار ڦل شريف نهايت وڻندڙ نموني ۾ لکيل آهن.

نبي پاڪ ﷺ جن جي سونهاري مبارڪ جي هن وار مبارڪ جي زيارت هر جمعي کان سواءِ ذوالحج جي ڏهن ڏينهن ۽ خاص خاص موقعن تي ڏاڍي عزت ۽ احترام سان ڪرائي ويندي آهي. وار مبارڪ وڏيءَ حفاظت سان رکيل آهي ۽ هڪ تجوڙيءَ ۾ محفوظ آهي. وار مبارڪ کي سنڀاليندڙن مان ڪو به هڪ ماڻهو زيارت وقت ان وار مبارڪ کي مٿان تجوڙيءَ مان ڪڍي هيٺ هڪ وڏي شوڪيس ۾ اچي ويهندو آهي ۽ ان جي زيارت ماڻهن کي ڪرائيندو آهي. وار مبارڪ کي جنهن سوني ڊپليءَ ۾ رکيو ويو آهي اها ڊپلي هڪ ننڍڙي قلم دان جيتري مس ٿيندي ان ڊپليءَ مٿان يا قوت ۽ زبرد مڙهيل آهن. اها ڊپلي رياست خيرپور جي حڪمران مير علي مراد خان ٽالپر سوکڙيءَ طور ڏني هئي. ان ڊپليءَ کي چوڏهن پوتڙين ۾ ويڙهيو ويو آهي. ان جي اندر سون جي سنهڙي پٽ جي ٺهيل هڪ سوڙهي نڙي پيل آهي. جنهن ۾ سون جي ڏٺيءَ مٿان وار مبارڪ ظاهر ٿيل آهي. وار مبارڪ جي زيارت مهل دل ۾ يا ڏاڍيان درود شريف پڙهندا آهن. هن وار مبارڪ جي ڪري ئي ماڻهو روهڙيءَ کي تقدس وچان روهڙي شريف به چوندا آهن.

ڪوڙ جو انجام

سڀاڻي اسانجو ڪوڙ جو انجام ڇو ٿيو؟ نتيجو اچڻ وارو هو، سڄو پاڙو هن فڪر ۾ ورتل هو ته ڪير پاس ٿيندو ۽ ڪير فيل؟ آئون ته ڪٿي پريشان هيس، ڇو ته ڪوڙ جو نتيجو اچڻ کان پوءِ به ڪو به ڪم نٿو ٿي سگهي. سندن راتين جي ننڊ حرام ٿي وئي هئي، آئون ته روز نماز ۾ صرف هڪ ٽي ڏهاڙو لڳو هئس ته مولائي سائين پت رکجان. ٻين جو ته خير هو پر سڀني کان وڏي مصيبت منهنجو جو مامو هو، جيڪو خاص مشغري نتيجو ڏسڻ لاءِ ڪراچي کان سکر اچي پهتو هو، جنهن کي اها به سمجه نه هئي ته اهو ساڳيو ئي نتيجو ڪراچي ۾ ئي ملي ويندو. پوءِ هروڀرو سکر لاءِ پاڙو وڃائڻ جي ڪهڙي ضرورت آهي. وڏي ڳالهه ته امتحان جي ڳڻتي کيس ايڏي هئي جو امتحان ڏنو ئي هن هو، هر هر تي پڇيائين ته چورا! پيپر ته صحيح ڪيا اٿئي نه؟ انگريزي جو پيپر ڪيئن رهيو؟ آخر ۾ وري لالچ به ڏنائين ٿي ته جيڪڏهن پاس ٿي وئين ته هڪ سهڻي گهڙي انعام ڏيندوسان.

منهنجي حالت خراب هئي، جو سولي تي لڙڪي رهيو هوس. سڄي رات جاڳي گذاريم، رات جو 12 وڳي اخبار جو ضميمو اچڻو هو، پر بدقسمتي سان ڪوبه اخبار وارو نه آيو. نيٺ صبح جو سویر اٿي سوچيم ته پاڻ ٿي ڪٿان اخبار هٿ ڪجي، ڇا ڏسان ته مامو باٺ روم ۾ تڙ ڪري رهيو هو. اهو ڏسي جو منهنجي پيرن هيٺان زمين ٽڪري وئي... ياالله مامو ته انين کان اڳ ۾ اٿندو ئي ناهي، اڄ هن جي 5 وڳي اک ڪيئن کلي وئي؟ خير آئون پنهنجن حواسن تي ضابطو آڻيندي قرباني جو پڪر بڻجڻ لاءِ تيار ٿي ويس. مامي پاٺ روم مان نڪري چيو آئون اخبار وٺڻ پيو وڃان، تون پنهنجو رول نمبر ٻڌاءِ مون کيس پنهنجي هڪ هر ڪلاسي جو نمبر ڏئي ڇڏيو، جنهن جي باري ۾ 100 سيڪڙو پڪ هئي ته هو ڪڏهن به فيل نه ٿو ٿي سگهي.

اڌ ڪلاڪ کن مس گذريو ته نڪاء سان در کوليو، مامو خوشي ۾ نه ٿي ماڀيو. وڏي واڪي اعلان ڪندو آيو ته منهنجو بچو فرسٽ ڊويزن ۾ پاس ٿيو آهي. امان پيپر مطلب ته سڀني گهر پاڻي مون کي مبارڪون ڏيڻ لڳا. جڏهن ڪجهه ٺاڙي ٿي ته آئون اخبار کڻي پنهنجو نمبر ڳولڻ لڳس، جنهن ۾ منهنجو رول نمبر هو ئي ڪونه... پر مون پنهنجو منهن هرگز پيلو ٿيڻ نه ڏنو ۽ ايشن ئي گهر وارن سان گڏ ڪلندو رهيس. مامي بازار مان مٺائي گهرائي چيائين ڪاء... شام تنهنجي دوستن کي منهنجي طرفان دعوت آهي، سڄي پاڙي ۾ هيءَ ڳالهه هلي وئي ته قادر جو پٽ پهريون نمبر آيو آهي. آئون سوچڻ لڳس ته جيڪڏهن دوستن مان ڪنهن راز واکو ڪيو ته آئون ته ٻڌڻ جهڙو ٿيندس.

ايتري ۾ بابي سان گڏ سندس هڪ دوست ساجد علي اخبار هٿ ۾ کڻي گهر آيو. چيائين، ادا! مبارڪ هجيو منهنجو پالڻ فرسٽ ڊويزن ۾ پاس ٿيو آهي. اهو ٻڌندي ئي مامو چرڪي پيو ۽ رڙ ڪري چيائين: ”اي چا پيو چوڻ پهرين نمبر ته اسان جو چوڪر آيو آهي.“ گهڻي تڪرار کان پوءِ نيٺ ساجد صاحب مون کان منهنجو رول نمبر پڇيو. نه چاهيندي به مون کيس پنهنجو اصل نمبر ٻڌايو ڇو ته هاڻي ان کان سواءِ ٻيو ڪوبه چاڙهو نه هو. ساجد صاحب سموري اخبار جاچڻ کان پوءِ چيو هي نمبر ته ڪٿي به ناهي، جنهن تي منهنجا سڀ گهر وارا پريشان ٿي ويا...

پوءِ ڇا ٿيو؟ اهو نه پڇو ته بهتر... ڇو ته جڏهن هوش ۾ آيس ته ڪمري ۾ نه تحفا هئا، نه ئي اها گهڙي جيڪا مامو مون لاءِ وٺي آيو هو.

سهن ۽ ڪوئن جو سردار

هڪ جهنگ ۾ رڳو جانور ئي جانور رهندا هئا، جنهن ۾ سهن جي اڪثريت هئي ۽ ڪوئن جي اقليت. سها ۽ ڪوئن جهنگ جي ٻين جانورن کان ڪمزور ۽ ننڍا هوندا هئا، جنهن ڪري کين وڏا جانور شينهن، هائي ۽ گدڙ وغيره لتاڙي ماري ڇڏيندا هئا يا کائي پنهنجي ٻڪ اجهائيندا هئا.

هڪ ڏينهن انهن گدڙ جي صلاح ڪئي ته اڃ کان پوءِ پاڻ سڀ ٻڏي ڪنڊاسون ۽ پنهنجو هڪڙو سردار چونڊينداسين، جيڪو انصاف پرست هجي ۽ سڀني کي هڪ جيترا حق ڏئي.

هڪ ڏينهن سهن ۽ ڪوئن پنهنجي رتابندي تي عمل ڪندي هڪ گدڙ کي ڪوئنائي، جنهن ۾ سڀ ڪوئا ۽ سهاا متحد ٿيا ۽ شينون نالي ڪوئي کي پنهنجو سردار ڪيائون ۽ اهو فيصلو ڪيائون ته هر هڪ ساٿي سردار جي حڪم موجب قدم کڻندو.

ٻئي ڏينهن سهن ۽ ڪوئن جي سردار شينو ڪوئن کي حڪم ڏنو ته توهان وڃي، سهن لاءِ لوسن وٺي آيو. سها کي حڪم ٿي ڪوئا لوسن وٺڻ لاءِ روانا ٿي ويا. ڪوئن جي وڃڻ کان پوءِ شينوءَ سهن کي چيو ته توهان رهڻ لاءِ ڪوئي ڪونهي، جنهن ۾ اڃ رات آئون چڪاس ڪندس. شينوءَ جي حڪم تي سها پنهنجي ڪم ۾ لڳي ويا. شام جو ڪوئا لوسن وٺي آيا ۽ ٻه ڪوٽيندڙ سهن کي شينوءَ جي حڪم تي لوسن ڏنائون. سها لوسن کائڻ لڳا.

سهن ۽ ڪوئن جي پاڻ ۾ ٻڏي ڏسي جهنگ جا ٻيا جانور کانئن ڊڄڻ لڳا. هاڻ ڪوئو جانور کين مارڻ يا کائڻ جي جرئت ڪونه ڪندو هو جنهن ڪري سها ۽ ڪوئا شينوءَ جي تمام گهڻي عزت ڪرڻ لڳا.

سهن جا چمڪندڙ وار تمام گهڻا خوبصورت هوندا هئا، شينوءَ جي نيت ۾ فطور پيدا ٿي پيو ته ڪهڙيءَ طرح انهن جا اهي خوبصورت چمڪدار وار کائجن.

هڪ ڏينهن شينو سهن جي ٻر ۾ ويو ۽ سهن کي چيائين ته اڃ رات آئون توهان سان گڏ سمهندس. سها ڏاڍو خوش ٿيا ته اڃ اسان جو سردار اسان سان گڏ سمهندو، سها فخر محسوس ڪندي ٻي ڌڙڪ ٿي سمهي رهيا. رات جو دير سان شينوءَ ڏٺو ته سڀئي گهري نند پئجي ويا آهن، سوان موقعو وٺي انهن جي پڇڙن جي وارن کي ڪتريندو رهيو. شينو سهن جي پڇڻ جا پڇ، ڪن ۽ جسم جا سڀ وار ڪٽي کائي پڀ پري وڃي سمهي رهيو.

صبح ٿيو ته سها روئندا ۽ سڏڪندا شينوءَ وٽ پهتا. شينوءَ جو سندن اها حالت ڏئي ته اڻڄاڻ ٿي کانئن پڇڻ لڳو: ٻڌايو ته توهان جي هيءَ حالت ڪنهن ڪئي آهي؟ انهن مان هڪ سهي، جنهن لڪ چپ ۾ اها ماجرا ڏني پئي، شينوءَ کي چيو ته اسان جي هيءَ حالت توهان ڪئي آهي، جنهن تي شينوءَ کي ڪاوڙ اچي وئي ۽ هن اها ڳالهه مڃڻ کان انڪار ڪري ڇڏيو. سردار ڪوئي ۽ سهن جي تڪرار کي هڪ شينهن پريان کان ڏسي رهيو هو، جيڪو شينوءَ جي چالاڪيءَ کي سمجهي ويو ۽ سندن نااتفاقي جو فائدو وٺندي، مٿن حملو ڪري ڏنائين ۽ سڀني کي غلام بڻايائين.

سڀني جي غلام بڻجڻ کان پوءِ سردار ڪوئي شينوءَ کي پڇتاءُ ٿيو ته هن پنهنجي سرداريءَ جو ناجائز فائدو وٺندي ناحق سهن کي تنگ ڪيو. هاڻ سندس سرداري به وئي ته کيس غلامي واري زندگي ڌار گذارڻي پوندي.

اهڙي طرح اهو بادشاهه شهزاديءَ کي قرآن شريف پڙهائي رهيو. ڪافي ڏينهن کان پوءِ هڪ ڏينهن اوچتو اها ساڳي آيت آئي، جنهن تي هن گمان ڪيو هو؟ انهيءَ آيت پڙهڻ شرط بادشاهه جي اکين مان پاڻيءَ جا نار جاري ٿي ويا. شهزاديءَ اهو ڏسي، روئڻ جو سبب معلوم ڪرڻ چاهيو. بادشاهه شهزاديءَ کي سڄي حقيقت ٻڌائي. شهزاديءَ هڪدم وڃي پنهنجي پيءُ سان ڳالهه ڪيائين. پيشو بادشاهه کي پاڻ وٽ گهرايو ۽ حقيقت معلوم ڪيائين ۽ پوءِ ان بادشاهه جي بادشاهيءَ ۾ ماڻهو موڪليائين جتان هن کي پوءِ بادشاهه کي مشير آيا ۽ پنهنجي بادشاهه کي ڏسي بادشاهه وٽ تصديق ڪيائون. پوءِ بادشاهه پنهنجي ڪيل خطا، گناهه ۽ ڪنهن به بد عملن کي عرض ڪيس پنهنجي شهزاديءَ سان شادي ڪرائي. شاديءَ واري رات ان بادشاهه ۽ شهزاديءَ ڏاڍو رب جي درٻار ڏانهن ڪوٺيو. بادشاهه پنهنجي گناهه کان توبه ڪئي. خدا جي قدرت جو صبح جو اهو بادشاهه ننڊ مان اٿي ڏسي ته کيس پانهون به آهن ۽ چنگهون به نيٺ اهو بادشاهه پنهنجي راڻيءَ کي سان ڪري پنهنجي ملڪ ويو ۽ اتي حڪومت ڪرڻ لڳو. وڌائيءَ جي سزا

ڪنهن زماني جي ڳالهه آهي جو هڪ بادشاهه ڏاڍو مغرور هو. هو سمجهندو هو ته انسان جي عزت ۽ ذلت به منهنجي هٿ ۾ آهي. هو چوندو هو ته آءٌ جيئن چاهيان تيئن ڪري سگهان ٿو. هو اهڙو ته ظالم هو جو ماڻهن کي بنا ڪنهن ڏوهه جي قاسيءَ چاڙهائي ڇڏيندو هو يا انهن جي جسم تان ڪلون لهرائي ڇڏيندو هو. هن جي هڪ اهم عادت اها هئي ته هو هر روز قرآن شريف جو دور ڪندو هو.

هڪ ڏينهن روزانو وانگر هي صبح جو قرآن شريف جو دور ڪندي انهيءَ آيت تي اچي پهتو جنهن جو مطلب آهي ته ”عزت ۽ ذلت رب پاڪ جي طرفان آهي“ اها آيت پڙهي، مرڪيو ۽ دل ۾ وهم پيدا ٿيس ته ”آءٌ به زمين جو بادشاهه آهيان ۽ منهنجي هٿ ۾ به ته انسانن جي عزت ۽ ذلت آهي.“

هڪ ڏينهن پنهنجن وزيرن، مشيرن سان گڏجي شڪار تي نڪتو بادشاهه کي هڪ هرڻ نظر آيو. بادشاهه هرڻ جي لالچ ۾ هن جو پيڇو نه ڇڏيو ۽ اتي پنهنجي وزيرن، مشيرن کان وڃي ويو. سج به صفا لڪي ويو هو ۽ چؤطرف اوندهه پکڙجي، وئي هئي. بادشاهه جي نظرن کان هرڻ به غائب ٿي ويو ۽ پنهنجو رستو به ڀلجي ويس. پري کان ڪوشهر نظر آيس. جوان، طرف کان روشني اچي رهي هئي. بادشاهه ان طرف گهوڙو ڊوڙايو پر اتي پهچڻ کانپوءِ معلوم ٿيس ته هو ڪنهن ڳوٺ جي ڀر پهتو آهي رات ٿيڻ ڪري شهر جي ڪوٽ جو دروازو بند ٿي ويو هو. جنهن جي ڪري هو نااميد ٿي هڪ ڳوٺ مان گهوڙو ٻڏي پاڻ به اتي ترسي پيو. بادشاهه ايترو ته تڪل هو جو کيس جلد ئي ننڊ اچي وئي.

صبح جو کڻي ننڊ مان اٿي ڏسي ته سندس مٿان ٻه سپاهي بيٺا آهن. هر هر ڏانهس پيا نهارين ۽ هن کي جاڳندو ڏسي. لت ڏئي کڻي ٻڌائونس ۽ چيائونس ته تون اسان جي بادشاهه جي پٽ جو قاتل آهين، توکي اسان ڏاڍو ڳوليو آهي. تڏهن مس وڃي تون هٿ آيو آهين. بادشاهه ويچارو اچي منجهيو ۽ انهن کي ڏاڍا ايلاز ۽ منتون ڪيائين پر انهن هڪ به نه ٻڌس ۽ گهلي بادشاهه جي درٻار ۾ وئي آيس. بادشاهه هن کي ڏسي سپاهين کي هڪدم حڪم ڏنو ته هن جون چنگهون ۽ پانهون ڪڍيون وڃن ۽ هن حڪم تي هڪدم عمل ڪيو وڃي. بادشاهه جي حڪم تي هن جون چنگهون ۽ پانهون ڌار ڪيون ويون ۽ باقي جسم کڻي اچي بادشاهه جي محل جي در تي رکيائون ته جيئن ماڻهو انهيءَ مان عبرت حاصل ڪن.

اتي بادشاهه دل ۾ سمجهي ويو ته هيءَ قدرت جي طرفان مصيبت آهي، جيڪا مون تي وڌائيءَ سبب نازل ٿي آهي ۽ ان جو سبب اهو آهي جو مون قرآن شريف جي آيت تي گمان ڪيو هو. پوءِ بادشاهه کي احساس ٿيو ته واقعي قرآن شريف ۾ بلڪل درست فرمان آيل آهي ته ”عزت ۽ ذلت رب پاڪ جي طرفان آهي“ هن نئين بادشاهيءَ ۾ به بادشاهه پنهنجي اڳوڻي عادت کي برقرار رکندي قرآن شريف جي تلاوت ڪندو رهيو.

هڪ ڏينهن بادشاهه جي ڌيءَ جڏهن تلاوت جو آواز ٻڌو ته شهزاديءَ پنهنجي پيءُ کي عرض ڪيو ته ”مون کي قرآن شريف پڙهڻ جو شوق آهي. سو مون کي اجازت ڏيو ته انهيءَ تنگن ۽ پانهون ڪٽيل شخص وٽ قرآن شريف پڙهان.“ بادشاهه انهيءَ بادشاهه کي حڪم ڪيو ته شهزاديءَ کي قرآن شريف پڙهائيندو رهي.

پر ڪنهن به ڪانئس چڻا نه ورتا، جنهن ڪري ٿاڻب مایوس ٿي روڊ ڪناري تي هلڻ لڳو. جيئن جيئن ڏينهن گذرندو پئي ويو تيئن تيئن سندس بک ۽ تڪاوٽ وڌندي پئي وئي پر کيس نه بک جو غم هو ۽ نه تڪاوٽ جو احساس، کيس رڳو پنهنجي بيمار والده جو فڪر هو. ٿاڻب انهي پریشاني ۾ هڪ هنڌ تي ويهي رهيو جيڪو ماڻهو گذري پيو ان کي چئي پيو. ادا! چڻا وٺو پر ان مهل به ڪا به خبر نه ورتا، اوجتو ٿاڻب جي نظر رستي تي پيل 50 روپين جي نوٽ تي پئي، پشسا ڏسي ٿاڻب حيران ٿي ويو. ٿاڻب ڊوڙي ٿي اهو نوٽ 50 روپين جو نوٽ کنيو ۽ دل ۾ چيو ته شايد الله تعاليٰ منهنجي غيبي مدد ڪئي آهي، مون کي هاڻي فورن پنهنجي بيمار والده جو دوا خريد ڪرڻ گهرجي. هو اڃان پنهنجي جاءِ تان اٿي بيٺو ئي مس ته هڪ چوڪري کي سامهون دڪان کان گذري ٿي. ٿاڻب انهيءَ ڏٺائين، جيڪو روئي رهيو هو. ٿاڻب ڪانئس پڇيو ته تون چور وئي رهيو آهين، ان چوڪري چيو ادا! آئون گهر ڏي موٽي ٿي، ڪرڻ آيو هئس، پر مون کان گهران مليل 50 روپين جو نوٽ ڪري پيو آهي. اهو ٻڌي ٿاڻب يڪدم کيسي مان سڄي ٿي ڏيکي رستي تان مليل 50 جو نوٽ کڻي چوڪري کي ڏنو ۽ کيس چيو ته هي وٺ پشسا مون کي هيٺ پيل مليا هئا.

ٿاڻب اڳتي هليو هاڻي هو تمام مایوس ٿي چڪو هو شام ٿيڻ تي هئي، اڄ ته سندس چڻا به ڪونه وڪاميا هئا. هن دل ۾ چيو ته اهڙي ايمانداري ڪهڙي فائدي جي جنهن مان مشڪل ۽ مایوسي ملي. ٿاڻب اهو سوچي ئي رهيو هو ته هڪ ننڍڙي ٻارڙي روڊ تي کيڏي رهي هئي ۽ اتان هڪ تيز رفتار گاڏي اچي رهي هئي، ٿاڻب ڊوڙي وڃي ٻارڙيءَ کي کنيو. ننڍڙي ٻارڙيءَ کي بچائيندي کيس هٿن پيرن ۾ ڌڪ لڳا ۽ چڻن جو ٿالھ به پري وڃي ڪريو. اهو سڄو لقاءُ ويجهو ئي هڪ گهر مان ٻارڙيءَ جو پيءُ ڏسي رهيو هو جنهن پھچي ٻارڙيءَ کي هنج ۾ کنيو ۽ ٿاڻب کي شاباش ڏني.

ٻارڙيءَ جي والد چيو ته شاباش چوڪرا تون وڏو نيڪ ۽ بهادر آهين، تون مون تي وڏو احسان ڪيو آهي. ٿاڻب ڪوبه جواب نه ڏنو. ٻارڙيءَ جي پيءُ ٿاڻب کان پڇيو ته تون ايترو پریشان ڇو آهين؟ ٿاڻب کيس پنهنجي والده جي بيماري بابت سڀ ڪجهه ٻڌايو. ٿاڻب جي ڳالهه ٻڌي ان شخص چيو ته خدا تعاليٰ کان ڪڏهن به مایوس نه ٿيڻ گهرجي، تون ڪوبه فڪر نه ڪر منهنجو ميڊيڪل اسٽور آهي، جنهن لاءِ مون کي تو جهڙي محنتي ۽ ايماندار چوڪري جي ضرورت هئي. سڀاڻي کان ئي تون منهنجي ميڊيڪل اسٽور تي اچي ڪم شروع ڪر. ان همراه ٿاڻب کي 50 روپيا ڏنا ۽ کيس چيو ته تون هنن پئسن مان پنهنجي بيمار والده لاءِ دوا خريد ڪر. ٿاڻب ڏاڍو خوش ٿيو ۽ خدا جو شڪر ادا ڪيو.

عزيز سائيو، نيڪي ۽ ايمانداري ڪڏهن به ضايع ناهي ويندي هن آکاڻيءَ مان اسان کي اهو سبق ملي ٿو ته ڪيڏو به مشڪل وقت اچي وڃي، پر الله تعاليٰ مان ڪڏهن به نااميد نه ٿيڻ گهرجي. الله تعاليٰ ايمانداري ۽ نيڪيءَ جو صلو ضرور ڏيندو آهي. (چونڊيل)

نيڪيءَ جو صلو

هڪ شهر ۾ ثاقب نالي هڪ غريب ڇوڪرو رهندو هو جيڪو صبح جو اسڪول ويندو هو ۽ شام جو چڻا وڪڻي پنهنجي گهر جو گذر سفر ڪندو هو. ثاقب پنهنجي ٻڙي ماءُ ۽ ٻين صدوري سان هڪ ننڍڙي گهر ۾ رهندو هو سندس پيءُ وفات ڪري چڪو هو.

ڪجهه ڏينهن کان ثاقب جي والده سخت بيمار هئي، جنهن ڪري هو پنهنجي ماءُ کي هڪ سرڪاري اسپتال ۾ وٺي ويو جتي ڊاڪٽر کيس ٻڌايو ته جنهن دوا جي ضرورت آهي اها اسپتال ۾ موجود نه آهي، بازار مان خريد ڪري وٺجو. اسپتال کان واپسيءَ تي ثاقب پنهنجي والده کي گهر پهچائي ميڊيڪل اسٽور تي ويو. ميڊيڪل اسٽور تي پهچڻ بعد کيس اهو معلوم ڪري، وڏي مايوسيءَ تي ته جنهن دوا جي کيس ضرورت آهي، ان جي قيمت 50 روپيا آهي، پر هن وٽ صرف 20 روپيا پيا هئا. هو واپس گهر آيو ۽ والده کي تسلي ڏنائين.

ٻئي ڏينهن صبح جو هن نماز پڙهي الله تعاليٰ کان دعا گهري ته اڃا ايترا چڻا وڪامجن جو 50 روپيا خريد ڪري سگهان. ٻيو ڏينهن آچر هئڻ ڪري کيس اسڪول کان موڪل هئي، جنهن ڪري هو بازار ۾ سوڀر ٿي پنهنجي روزگار لاءِ گهران نڪري پيو ۽ زور سان چڻا ڪپائڻ لاءِ هوڪا ڏيڻ لڳو.

ماڻهن جي وڏي رش هئي، جيڪي جلدي جلدي پنهنجي ڪم تي وڃي رهيا هئا پر ڪنهن به ان وقت ڏيان نه ڏنو. ڪافي دير تائين هو ائين ئي فرندو رهيو پر ڪنهن به چڻا خريد نه ڪيا، کيس تعجب ٿي رهيو هو ته اڃا چڻا وڪرو چون ٿي رهيا آهن، جڏهن ته روزانو ڪافي چڻا وڪامجي ويندا هئا. ڪجهه دير کانپوءِ کيس وڻ هيٺان هڪ ماڻهو بيٺل نظر آيو ته ثاقب پهچندو ان وٽ ويو ۽ ان کي چيائين ته چاچا! چڻا وٺندو، ان شخص ڪاوڙ مان جواب ڏنو ته،

ثاقب اڳتي وڌيو جيئن جيئن وقت گذرندو پئي ويو ثاقب جي پريشاني وڌندي پئي وئي کيس اڃا 50 روپين جي سخت ضرورت هئي ته جيئن هو پنهنجي والده لاءِ دوا خريد ڪري سگهي، ٻي صورت ۾ سندس بيمار والده جو علاج ٿي نه سگهندو. ثاقب هلندي هلندي هڪ بس اسٽاپ تي پهتو جتي هن هڪ همراه کي چيو ته ادا! چڻا خريد ڪندو، هن ها ڪندي ثاقب کان چڻا خريد ڪيا. ان همراه ثاقب کي 50 روپين جو نوٽ ڏنو. ثاقب اڃان ڪجهه جوڻ وارو ٿي هو ته بس اچي وئي ۽ همراه بس ۾ سوار ٿي ويو. ثاقب دل ۾ سوچيو ته شايد خدا منهنجي دعا ٻڌي ورتي آهي، هي 50 روپيا ته مون کي مفت ۾ ملي ويا پر يڪدم کيس خيال آيو ته هي ڪم غلط آهي، ڇو ته همراه تڪڙ ۾ بقايا پئسا واپس وٺڻ پئجي ويو آهي ۽ جيڪڏهن مون بقايا پئسا واپس نه ڪيا ته اها بي ايماني ٿيندي انهيءَ ڪري مان پنهنجي ماءُ لاءِ انهن پئسن مان دوا خريد نه ڪندس. بس هلڻ تي هئي ته ثاقب به يڪدم ان بس ۾ چڙهيو ۽ همراه وٽ پهتو ۽ چيائين ته سائين! اوهان مون کي 50 روپين جو نوٽ ڏئي بس ۾ سوار ٿي ويا هئا، مون وٽ کليل ناهن. اهو ٻڌي همراه مسڪرايو ۽ چيو شاباش! تون ايماندار ڇوڪرو آهين، مون وٽ به کليل پئسا ناهن، پنهنجا چڻا واپس وٺ. همراه ثاقب کي چڻا واپس ڪري 50 روپين جو نوٽ واپس وٺي کيسي ۾ رکي ڇڏيو ۽ ثاقب ويچارو ڪندڙ جهڪائي بهي رهيو.

ٻئي اسٽاپ تي بس بيٺي ته ثاقب هيٺ لٿو. ثاقب سوچيو ته نئين بس اسٽينڊ تي وڃڻ گهرجي، اتي چڻا وڪامجي ويندا. نئون بس اسٽينڊ شهر کان ٿورو ٻاهر هو. نئين بس اسٽينڊ تي پهچي ثاقب ڪلاڪن جا ڪلاڪ فرندو رهيو پر ڪنهن به هن کان چڻا خريد نه ڪيا، انهيءَ ڪري ثاقب وڌيڪ پريشان ٿي ويو. ثاقب اتي چڻا ڪپائڻ لاءِ هوڪا ڏيندو رهيو.

استاد جي عظمت

"استاد" لفظ جي ڪنهن به شيءِ جي استادي ڏيڻ وارو جنهن کي اسين "گرو" به چئون ٿا. "گرو" مان مراد آهي ته گرو سڪاريندڙ، پاليندڙ، پيڻدڙ، عزيز ساٿيو ۽ دوستو سڀ کان پهرين اسان کي پنهنجن والدين جي تمام گهڻي عزت ڪرڻ گهرجي ۽ ان کان پوءِ اسان کي استاد صاحبان سان به تمام سنورويو اختيار ڪرڻ گهرجي. ڇو ته ٻارن جو روحاني ماءُ ۽ پيءُ استاد ئي هوندو آهي. جيڪڏهن توهان چاهيو ٿا ته اسان جو نالو هن دنيا ۾ امر ٿئي ته صرف بااخلاق ۽ باضمير بڻجو. پاڙي ۽ گوت جي وڏن ۽ نئين سان محبت ڪريو ته توهان جي مستقبل واري زندگي سٺي گذرندي. استاد صاحب هڪ عظيم هستي آهن، جنهن جون چمٽون، ڌڙڪا ۽ سختيون هڪ ڏينهن زندگيءَ کي خوبصورت ڪرڻ جو سبب ضرور بڻجنديون. هن خوبصورت ۽ وسيع دنيا ۾ زنده رهڻ جو شرف ته ماءُ پيءُ بخشيو آهي، پر استاد اها عظيم هستي آهي. پنهنجي محنتن ۽ لياقتن سان ٻارن (شاگردن) کي جيئن جو ڍنگ سڪاري سنئين وات وٺائي، ڪامياب انسان بڻائي ٿو. استاد پنهنجي سُندر پيشي سان جهالت جي پاڙ پٽي، دقيانوس سماج ۾ انقلاب جا ڏيڻا ٻاري تبديلي جا پرچم اُڏارڻ لاءِ ٻارن جي ڪچي هن جي پرورش ۾ هميشه مشغول رهندو آيو آهي. جيڪڏهن اسان ترقي يافته ملڪن جي ترقيءَ جو سبب ڄاڻڻ جي ڪوشش ڪنداسين ته ان ترقيءَ ۾ استاد جو ڪردار نمايان نظر ايندو. يقين ڪريو اها قوم ۽ اهو ملڪ ڪڏهن به ترقي نٿو ڪري سگهي جنهن جي استاد کي سندس مان ۽ شان مطابق اهميت نه ڏني وئي هجي. استاد ئي بهتر معاشري جي تعمير ڪري سگهي ٿو. ملڪ جي تهذيب ۽ اعليٰ طاقت جو سبب استاد جون ڪوششون ئي هونديون آهن.

دنيا جا عالمي ڏينهن

1939ع کان ٻي مهاڀاري لڙائيءَ جي شروعات ٿي ۽ 1945ع جي آخر ۾ آمريڪا، جپان سان ويرا پاڙيندي ان جي ٻن خوبصورت شهرن هيروشيما ۽ ناگاساڪيءَ تي، ترتيبوار 6 آگسٽ ۽ 9 آگسٽ تي ائٽم بم ڪيڙائي، ٻنهي شهرن کي مٽيءَ جو ڍير بڻائي ڇڏيو هو. جنهن ۾ پنج لک ماڻهو موت جي ننڊ سمهاري ويا هئا ۽ لکين ماڻهو معذور ٿي پيا. هن حادثي جي درد کي سمجهندي دنيا جي مهذب قومن جي ڏاهن، دنيا ۾ امن کي هٿي وٺرائڻ لاءِ 'گڏيل قومن جو ادارو' قائم ڪرڻ جو فيصلو ڪيو ته جيئن ايندڙ نسلن کي جنگ جي عذاب کان بچائي سگهجي. اهڙيءَ ريت 24 آڪٽوبر 1945ع تي گڏيل قومن جو ادارو (اقوام متحده) وجود ۾ آيو. جنهن انساني زندگي ۾ پلائي ۽ بهتر آڻڻ لاءِ پنهنجي مقصدن جو هڪ چارٽر بڻايو اقوام متحده جي ان چارٽر ۾ وقت به وقت اضافو ڪندي انسانن سان لاڳاپيل ۽ اڀريل اهم مسئلن، جهڙوڪ: ماحوليات، حياتيات، منشييات، موسميات، سياحت، ثقافت، اقتصاديات، صحافت، غربت، صحت، تعليم، هولي، ماءُ، پيءُ، ٻارن، عورتن، استادن، مزدورن جي اهميت سان گڏ انسانن سان لاڳو خطرناڪ مرضن جي عالمي کان هر سال جنوريءَ کان ڊسمبر تائين 111 عالمي ڏينهن ملهائڻ جو اعلان ڪيو ويو. اهڙيءَ طرح 2000ع کان 2001ع تائين شهرن هيروشيما ۽ ناگاساڪي، گورن جي غلاميءَ مان فلسطين ۽ آفريڪا جي چونڪاري، 2002ع کان 2003ع تائين فيصلا ڪيا ويا. اقوام متحده جي قيام کان اڄ تائين اهي خاص ڏينهن پوريءَ دنيا اندر جوش ڇڏي ٿا. انهن ڏينهن جو تفصيل هن ريت آهي:

- 01 جنوري: خاندان جو عالمي ڏينهن;
- 03 جنوري: مذهب جو عالمي ڏينهن;
- 26 جنوري: جانورن جي بيماريءَ جو عالمي ڏينهن;
- 27 جنوري: عالمي تباهيءَ جي ياد ڏينهن;
- 04 فيبروري: ڪينسر جي مرض ۽ ان کان آگاهيءَ جو عالمي ڏينهن;
- 14 فيبروري: عاشقن جو عالمي ڏينهن (ويلنٽائينز ڊي);
- 21 فيبروري: مادري ٻولين جو عالمي ڏينهن;
- 22 فيبروري: اسڪائوٽنگ جو عالمي ڏينهن;
- 8 مارچ: عورتن جي حقن جو عالمي ڏينهن;
- 10 مارچ: وڏن ڊيمن جي خلاف عالمي ڏينهن;
- 21 مارچ: نسل پرستيءَ جي خاتمي جو عالمي ڏينهن;
- 21 مارچ: ٻيلن جي بچاءَ جو عالمي ڏينهن;
- 21 مارچ: امن ۽ پيار جو عالمي ڏينهن;
- 22 مارچ: پاڻيءَ جو عالمي ڏينهن;
- 23 مارچ: ماحوليات ۽ سائنس جو عالمي ڏينهن;
- 7 اپريل: صحت جو عالمي ڏينهن;

دوستي جو رشتو

الله تعاليٰ ڪجهه شين کي اسان جي گهرڻ يا چاهڻ کان اڳمر ئي عطا ڪري ڇڏيندو آهي. جيئن ماءُ پيءُ، پيڻ، ڀاءُ ۽ ٻيا ويجهڙا رشتا. پر دوستي جو رشتو آهي جيڪو اسان ڏسي وائسي پسند ڪري پوءِ جوڙيندا آهيون. ڇو ته دوستي هڪ مقدس ۽ پيارو احساس آهي جنهن پر پنهنجن کان وڌيڪ مناسب آهي.

دوستي جو رشتو هڪ اهڙو رشتو آهي جيڪو ٻين دنيا وارن کان وڌيڪ اهميت ۽ معنيٰ رکندڙ آهي. سنڌيءَ ۾ دوست بابت هڪ چوڻي مشهور آهي ته "دوست اهو ڪجي جيڪو آڻي ويل ڪم اچي". منهنجي خيال ۾ دوست اهو آهي جيڪو پنهنجي رنگ ۾ رنگي ڇڏي يعني جهڙو خلوص ۽ اخلاص پاڻ وٽ هجيس تهڙو پنهنجي دوست ۾ به پيدا ڪري ۽ کين گهرجي ته هڪ ٻئي جي مدد ڪندا رهن. دوستن کي هڪ ٻئي جي اصلاح ڪرڻ گهرجي.

دوستي جو رشتو هڪ اهڙو رشتو آهي جنهن ۾ ڪا به لوڀ يا لالچ سمائيل نه هجي. جيڪڏهن ڪنهن دوستيءَ ۾ ڪو خراب رستي تي اچي ٿو ته اها دوستي دشمني کان به بدتر آهي. دوستي جو رشتو ايڏو ته عظيم آهي جو رب سائين حضرت ابراهيم عليه اسلام کي پنهنجو دوست سڏيو آهي. حضرت ابراهيم عه جو لقب ان ڪري ئي خليل الله آهي. اها هڪ خدا ۽ بندي جي وچ ۾ دوستي هئي. جيڪا هن دنيا ۾ هڪ تمام وڏو مثال آهي. دوستي ڪنهن سان به ٿي سگهي ٿي. پر دوستي نياڻ جو سليقو هجڻ گهرجي.

ليڪڪ عثمان علي انصاري چوي ٿو ته مصطفيٰ نالي هڪ بزرگ شخص هيو. هو پنهنجي زماني ۾ ٻارنهن سال پرديس ۾ گذاري پنهنجي اباڻي وطن تي وريو. موٽڻ اڳ ئي ڏينهن سمونڊ ۾ بيٺل پيڙي ۾ چڙهڻ لڳو ته هن جي دل پرديس کي ڇڏڻ نه ٿي چاهيو. ۽ ان کان پوءِ جيڪي ماڻهو هن کان موڪلائڻ آيا هئا، انهن کيس عرض ڪيو ته ويندي ويندي اسان کي ڪي نصيحتون ڪندا وڃو. کائس ڪيترائي سوال پڇيا ويا. هڪ ماڻهوءَ کيس چيو ته اسان کي دوستيءَ جي باري ۾ ڪجهه ٻڌايو.

بزرگ فرمايو ته "دوست اوهانجي ضرورتن جو پيار پريو جواب آهي. دوستي هڪ اهڙو فصل آهي جيڪو محبت سان پوکيو ويندو آهي ۽ شڪري سان لڻبو آهي. پنهنجي دوست کان ڪڏهن به پاڻ کي نه لڪايو. جيڪڏهن هن کي فقط اوهانجي نيڪين جي خبر آهي ته، پنهنجون اوڻايون به مٿس نروار ڪيو."

خوبصورت ڳالهيون

انسان جو نقصان مال ۽ دولت جي وڃڻ سان نه بلڪ انسان جو سڀ کان وڏو نقصان ڪنهن جي نظرن مان ڪرڻ سان ٿئي ٿو.

عقلمند ۽ بيوقوف ۾ ڪو نه ڪو عيب ضرور ضرور هوندو آهي. بس فرق اهو آهي ته عقلمند پنهنجا عيب پاڻ ۾ بيوقوف جا عيب دنيا ڏسندي آهي.

ٿورو ذرو ڪوڙ جو به ماڻهو کي ائين ناس ڪري ٿو جيئن کير کي هڪ ڦڙو ڪٽائڻ جو.

سر جان مارشل

جان مارشل: موهن جي دڙي جي کوٽائي ڪندڙ مشهور آرڪيالاجسٽ. سر جان مارشل جو جنم 19 مارچ 1876ع ۾ چيسٽر، برطانيا ۾ ٿيو. سندس دلچسپيءَ جا مضمون تاريخ ۽ قديم آثار هئا. ان ڪري هن کي 1902ع ۾ هندستان جي قديم آثارن لاءِ سروي واري محڪمي جو ڊائريڪٽر جنرل مقرر ڪيو ويو. هن کان اڳ انهيءَ عهدي تي اليگزينڊر ڪنگهام فائز هو. جان مارشل ننڍي کنڊ ۾ قديم آثارن جي بچاءَ ۽ پٿرائيءَ لاءِ ڏاڍي ڪوشش ڪئي. ان جو مثالي ثبوت سندس دور جا هيٺيان دستاويز آهن:

Ancient Monuments Preservation Act 1904 (2) Archaeological Works code (1)

انهن دستاويزن هتان جي قديم آثارن کي قانوني، فني ۽ تاريخي تحفظ مهيا ڪيو ۽ انهن جي کوٽائي شروع ٿيو. سر جان مارشل جو پورو نالو 'Sir John Harbert Marshall' هو. هن جي نامور ڊسڪوريج ڪاليج ۽ ڪانس ڪاليج ڪيمبرج ۾ ٿي. هن مڪاني آثارن جي جائن کي سروي ڪوٽائين ۽ هنن جي اهم ڪم ڪيو. هن ٽيڪسلا، موهين جي دڙي سانچي، سارنات کان سواءِ ڪانجهيءَ جي زماني جي ڪوٽائين ۽ پورٽو ڪاليج يوناني بيتن ۾ ماڳ Crete شامل آهن. هن ٽيڪسلا جون کوٽايون 1913ع ۾ شروع ڪيون. انهن جي ڪري 20 سالن تائين جاري رهيون. هن ٽيڪسلا ۾ 1918ع ۾ 'Site Museum' جو بنياد رکيو. هن 1913ع ۾ کوٽائيءَ دوران سنڌ جي قديم تهذيب موهين جي دڙي جي صورت ۾ ڳولي لڌي. هن 'Knossos' ۽ 'Crete' تي 1898ع کان 1901ع جي وچ ۾ ڪم ڪرايو هئا. ان ڪري ننڍي کنڊ ۾ اچڻ کان اڳ ۾ به هن کي کوٽائين جي پوري ڄاڻ هئي. ٽيڪسلا ۽ موهين جي دڙي جي کوٽائين تي سندس ٽي شاهي جلد ڇپيل آهن. جن کي اڄ به هتان جي آرڪيالاجيءَ ۾ بنيادي حيثيت آهي. هن کي 1914ع ۾ سندس ڪيل خدمتن جي بطور 'Knighthood' ۽ 'سر' جو خطاب مليو. سر جان مارشل 1928ع ۾ گلوب فورڊ شهر ۾ وفات ڪئي. هن جي ٻين ڪتابن ۾ هيٺيان ڪتاب شامل آهن.

ماءُ جي محبت

ماءُ جي محبت هڪ سونو سونو آهي ڏٺي سائين پاران ڏنل پيارو ۽ بهترين تحفو. سچ پچ ته ماءُ جنت جو جُهوٽو آهي. ماءُ هڪ عورت آهي ۽ هڪ پيءُ جي پٽ جي ماءُ آهي. جيڪڏهن توهان چاهيو ٿا ته توهان جي ماءُ کي اهو تقدس ملي جيڪو سندس توهان وٽ آهي ته پوءِ ان جي پنهنجي ماءُ وانگر عزت ڪيو. ماءُ جو نافرمان اولاد نيٺ خوار ٿيندو آهي. هتي توڻي هتي ماءُ دعا چئي رهي ٿي ته ڪري ٿي ته ڪاميابي نه رڳو اولاد جا قدم چمندي آهي پر جڙ ته قسمت ئي بدلجي ٿي پوندي آهي. ماءُ جي دعا پر طاعت ۽ عظمت هوندي آهي. ماءُ جي نصيحت تي عمل ڪرڻ وارو اولاد ڪڏهن به ناڪام نٿو ٿي سگهي. ماءُ جي محبت جي خبر انهن کي وڌيڪ هوندي جن کان ماءُ ننڍپڻ ۾ جدا ٿي وئي. ماءُ پنهنجي پيار جو اظهار پنهنجي دل سان ڪندي آهي. ماءُ پنهنجي اولاد سان پيار پنهنجي صحت بلڪ جان کان به وڌيڪ ڪندي آهي. پنهنجون ننڍيون حرام ڪري راتين جا اوجاڳا ماءُ ڪندي آهي. جيڪڏهن سندس اولاد کي ٿورو به تپ بخاري يا ڪجهه پيو اهڙو ٿي پوندو آهي ته ننڍپڻ کان جوانيءَ تائين سارن سڀني اسان جي ماءُ ڪري اسان کي ڏکين حالتن مان پالي تاتي خيال ڪري وڏو ڪندي آهي. لطيف سائين پنهنجي سرن ۾ سسئيءَ جو رازدار سندس ماءُ کي بڻايو آهي. آيل ڪريان ڪيئن مهنجو نيٺن آ پليو نه رهي. مشهور ڪهاڻيڪار ميڪسم گورڪي جو ڪتاب ماءُ جي نالي سان آهي.

ماءُ سچ ته هڪ وڏي غنيمت آهي. هڪ اهڙو سهارو آهي جيڪو بنا ڪنهن لالچ جي سڄي حياتي پنهنجي اولاد جي خدمت ڪندي ٿي رهي. ماءُ جي محبت شڪ کان مٿانهين آهي. سندس پيٽ ڪنهن به ٻئي رشتي سان ڪرڻ بيوقوفو آهي.

اولاد کي پنهنجي ماءُ جو فرمانبردار هجڻ گهرجي. ماءُ جي پٽ پاراتي کان بچجي. ماءُ جون دعائون اگهاجن ٿيون. ماءُ جي خدمت ڪري سندس دعائون حاصل ڪجن. شال رب سائين سڀني امڙين کي وڏي حياتي ڏي ۽ سندن صحت ۽ تندرستي سدائين سلامت رهي. آمين

چين ڏانهن سفر

هڪ ڏينهن اهو ٻڌي مونکي ڏاڍي خوشي ٿي ته مان پنهنجي ڪاليج جي طرفان چواڻي ملي ٿي پر شريڪ ٿيڻ لاءِ ويندم، اهو به دنيا جي ترقي ڪيل ملڪن مان هڪ اهم ملڪ ڄاڻنا. جنهن کي اسين سنڌي ۾ چين به چوندا آهيون. 13 تاريخ رات پڇڻ کانپوءِ هٽل تي پهچي آرام ڪيوسين. صبح جو ناشتو ڪري اسان پنهنجي مقصد جي تياري ڪرڻ نڪتاسين، اتي هائيوڪو شهر جي چواڻي ملي ٿي هاڻي اها سڄي تياري ڪرڻ جو پلو ڪيو ويو هو. ڪجهه ڏينهن تائين اسان ائين ئي تياري ڪندا رهياسين. پوءِ هڪ ڏينهن اسان کي ملي ٿي پنهنجا جلوا ڏيکارڻ جو وقت به اچي ويو. اسان جي جتي کي يعني پاڪستاني شاگردن کي پنهنجي ثقافت کي ناچ جي شڪل ۾ چيني ماڻهن کي ڏيکارڻو هو. اسان دل لڳائي اهڙو ته پنهنجي فن جو مظاهرو ڪيوسين جو چيني ماڻهن اسان کي خوب داد ڏنو.

ميلو ختم ٿيو. اسان کي ٻئي ڏينهن تي خبر پئي ته پاڪستاني ٽيم ملي ٿي ۽ پهرين نمبر تي آيو. اسان خوشي ۾ نچي گڏي پياسين. ٻئي نمبر تي آمريڪا ۽ ٽئين نمبر تي چين آيا هئا. اسانکي گولڊ ميڊل مليو. اسان جو اعزاز حاصل ٿيو.

پوءِ اسان ان شهر جي مختلف جاين تي گهمياسين. مشهور آرٽي گالري، مشهور آرٽي مارٽ تي پڻ گهمڻ وياسين. تنهن پوءِ اٽان جي سهلي سڀني کي ڏسڻ ٿيو. چيني ڪوئليءَ تي مون کي پنهنجي مٽري ماءُ ۽ پياري بابا سائين سان گڏ ٻين گهر وارن جي ۽ پياري ڪاليج جي دوستن جي ياد اچي رهي هئي. دل چيو پئي ڪاش اهي به هن جڳهين تي گڏ هجن ها.

21 نومبر تي اسان کي پاڪستان واپس اچڻو هو. اسان رات جي جهاز ۾ اڏام جو سوچي واپس آياسون. ۽ ڪجهه ئي ڪلاڪن ۾ پنهنجي ملڪ جي جناح انٽرنيشنل ايئر پورٽ تي لٿاسين. هڪ ٻه ڏينهن پنهنجن گهرن ۾ رهڻ کان پوءِ ڪاليج ورتو پيو. جتي اسان جا ٽرمينل جا امتحان ٿيڻا هئا.

موهن جو دڙو

موتن جو دڙو دنيا جي قديم شهرن منجهان هڪ آهي. هي شهر قديم سنڌو تهذيب جي زماني ۾ اڄ کان ساڍا چار هزار سال اڳ ۾ آباد ٿيو هو. هن شهر ساڍا ٽي ميل هئي، اتي هر طبقي جا ماڻهو رهندا هئا. سول انجنيئرنگ جي خيال کان هن شهر جا روڊ رستا، گهر، گهٽيون وڏو هال، گڏ رسمي سنان ڪرڻ جو تلاءُ، ان دور جي سماجي ۽ معاشي حالتن بابت تمام گهڻي ڄاڻ ڏين ٿا. ماهرن جو خيال آهي ته هي شهر سنڌو درياءَ جي ٻوڏن سبب برباد ٿيو هو. هن شهر جي کوٽائي سر جان مارشل 1920ع ۾ ڪرائي هئي، جيڪا اڄ تائين مڪمل ناهي ٿي. علم تهذيب جي ماهرن جو خيال آهي ته هتي هڪ مٿان ٻيا ڏيڍ هزار سالن ۾ ڪل ست شهر اڏيا ويا هئا. 1980ع ۾ اقوام متحدا جي اداري يونيسڪو هن شهر کي انسان ذات جو عالمي ورثو قرار ڏئي ان کي ورلڊ هيريٽيج ۾ شامل ڪيو. چونڊ ڪيڊٽ علي نواز 16020 فاسم هائوس

شمس العلماء مرزا قليچ بيگ

اسان جي خدمتون ڪيون هن علم ۽ تي 1924ع ۾ ڏنا

پر ڪيترائي وڏا عالم ۽ اديب پيدا ٿيا آهن. جن پنهنجي ٻولي، ادب ۽ تعليم لاءِ گهڻيون خدمتون ڪيون هن علم ۽ تي 1924ع ۾ ڏنا

انهن انسانن مان مرزا قليچ بيگ به هڪ وڏو نالو آهي.

هي ته خدمت ڪئي جو کيس شمس العلماء يعني "عالمن جو سچ" جو خطاب سرڪاري طور تي 1924ع ۾ ڏنو ويو.

مرزا قليچ بيگ 4 آڪٽوبر 1853ع ۾ حيدرآباد جي هڪ ڳوٺ ٿنڊي ٺوڙهي ۾ پيدا ٿيو. سندس وڏا اصل گرجستان جا ٿرڪ هئا. جيڪي جنگين جا قيدي ٿي ايران تائين پهتا. ميرن جي ڏينهن ۾ جڏهن غلام خريد ڪري سنڌ ۾ آندا ويندا هئا تڏهن مرزا خسرو بيگ نالي هڪ آفيسر ايران مان مرزا فريدون بيگ کي خريد ڪري سنڌ وٺي آيو. جنهن کي پنهنجي ڌيءَ جو سڱ به ڏنائين. اڳتي هلي ان مان ست پٽ ۽ ٽي ڌيئرون ڄايس. جن ۾ مرزا قليچ جو ٽيون نمبر هو.

هن پنهنجي ننڍپڻ ۾ ئي قرآن شريف پڙهي پورو ڪيو. ۽ پوءِ حيدرآباد جي سنڌي اسڪول ۾ پڙهڻ ويٺو. اهو اسڪول هنن جي گهر کان گهڻو پري هو. هو صبح جي نيرن ڪري پنڌ ٿي پنڌ اسڪول ويندو هو. منجهند جي ماني به پاڻ سان گڏ کڻي ويندو هو. سڄو ڏينهن اسڪول ۾ پڙهي شام جو سچ لهند وقت گهر واپس ايندو هو.

مرزا صاحب ننڍپڻ کان ئي ڏاڍو ذهين ۽ محنتي هو. پڙهڻ سان هن کي گهڻي محبت هئي. هو پڙهي لکي وڏو ٿي مختيار ڪار ٿيو. ۽ ترقي ڪري ڊپٽي ڪليڪٽر جي عهدي تي پهتو. مرزا قليچ ننڍي هوندي کان علم ۽ ادب جا ڪتاب پڙهڻ جو شوقين هو. ۽ ان ئي شوق اڳتي هلي هن کان لڳ ڀڳ ساڍا چار سو ڪتاب لکرايا. جيڪي سنڌي ادب ۽ ٻولي ۾ بنيادي حيثيت رکن ٿا. اهي ڪتاب مضمون، ناول، ڪهاڻي، افساني، سفرنامي، شاعري، گرامر، شاهه لطيف پٺاڻي رح ۽ ٻين ڪيترن ئي موضوعن تي مشتمل آهن.

سنڌي ٻولي جي هن عظيم محسن مرزا قليچ صاحب تي جولاءِ 1929ع تي وفات ڪئي. کيس سندس ڳوٺ ٿنڊي ٺوڙهي ۾ دفن ڪيو ويو.

نا قابل یقین اظہارِ محبت

آج تم مسکرائی تو مجھے یوں لگا جیسے پاکستان نے انڈیا کو دس وکٹوں سے ہرایا ہو۔ میرا دل تمہارے حسن کو دیکھ کر یوں دھڑکا جیسے چمنڈواس کا دل شاہد آفریدی کے سامنے دھڑکتا ہے۔ تم سے دل کی بات کہنا چاہتا ہوں۔ لیکن کیسے کہوں کہ مجھے تم سے اتنی محبت ہے جتنی چاچا کرکٹ کھو کرکٹ سے ہے۔

مجھے تمہاری محبت نے اتنا پریشان کر دیا ہے جتنا نیروبی میں شاہد آفریدی نے سری لنکا کو پریشان کر دیا تھا۔ تمہاری جدائی نے مجھے آسٹریلیا کی وروی سے بھی زیادہ پیلا کر دیا ہے۔ آخر یہ تو بتا دو کہ میں کب تک ہاری ہوئی ٹیم کے تماشائیوں کی طرح تمہاری محبت میں جلتا رہوں گا۔ تمہیں کیا معلوم کہ تمہارا ملنا میرے لیے اتنا ضروری ہے جتنا آؤٹ ہونے کے لیے امپائر کی انگلی۔ خدارا میری چاہت کو سمجھنے کی کوشش کرو۔ ایسا نہ ہو کہ تمہاری یہ بے رحمی میرے کمزور دل کو کلین بولڈ کر دے اور میری جان بیلز کی طرح اڑ جائے۔ تمہیں حاصل کر کے میں اتنا خوش ہو جاؤں گا جیسے میں نے اس دن سعید انور کا 194 رنز کا ریکارڈ توڑا ہو۔

مجھے امید ہے کہ میری اس ناقابل فراموش کارکردگی کو دیکھ کر تم بھی مجھے پاکستان کرکٹ کی طرح سلیکٹ کر لو گی۔
والسلام آپ کی محبت کا وکٹ کیپر L.B.W

لاٹج بُری بلا ہے

ایک دفعہ کا ذکر ہے کہ ایک لڑکے کو لڑکوں میں چار دوست رہتے تھے۔ آفتاب، عزیز، عبدالنبی اور حق نواز گاؤں میں ان کی دوستی کی مثالیں دی جاتی تھیں پر ان میں لاٹج کی عادت تھی۔ انہوں نے کئی بار کوشش کی کہ عادت سے چھٹکارا پایا جائے مگر عادت سے چھٹکارا نہیں ملا۔ اسی عادت کی وجہ سے انہیں گاؤں میں نوکری نہ ملی اور پھر انہوں نے سوچا کہ کسی دوسرے شہر میں جا کر روزی کمائیں۔

اگلے دن صبح کو وہ شہر کی طرف روانہ ہو گئے۔ چلتے چلتے دھوپ سر پر آگئی تو انہوں نے آرام کرنا چاہا۔ ایک درخت کے نیچے انہوں نے ایک بڑا بستہ پایا جس میں ہیرے جوہرات تھے۔ انہوں نے خوش ہو کر ایک دوسرے کو مبارک باد دی اور پھر انہوں نے فیصلہ کیا کہ پہلے کھانا کھائیں پھر برابر برابر بانٹیں گے لہذا عبدالنبی اور حق نواز بازار کی طرف چلے گئے کھانا لینے تو انہوں نے راستے میں سوچا کہ آفتاب اور عزیز کے کھانے میں زہر ڈال دیں گے اور وہ سارے جوہرات آپس میں بانٹیں گے اور اُدھر آفتاب اور عزیز نے یہ ٹھان لیا تھا کہ جب وہ کھانا لیکر آئیں گے تو انہیں مار پیٹ کر سارے جوہرات لے کر آپس میں بانٹیں گے۔

جب عبدالنبی اور حق نواز کھانا لیکر آئے تو آفتاب اور عزیز احمد پر ٹوٹ پڑے اور ان کو وہیں مار دیا اور کھانا کھا گئے تو زہر سے وہ بھی مر گئے۔ چاروں کے چاروں وہیں مرے پڑے اور بستہ وہیں کا وہیں پڑا ہالہذا اسی لیے کہا جاتا ہے کہ لاٹج بُری بلا ہے۔

کیڈٹ کالج پٹارو کی زندگی

کیڈٹ کالج پٹارو پاکستان میں ایک بڑا نام ہی نہیں بلکہ ایک بڑا تعلیمی ادارہ بھی ہے جو طلبہ کو ایک اچھا شہری ہی نہیں بلکہ ایک اچھا انسان بھی بناتا ہے۔ اس کالج میں طلبہ کا داخلہ آسانی سے نہیں ہوتا بلکہ سخت محنت کرنی پڑتی ہے۔ یہاں پر بچوں کی زندگی بہت سخت ہوتی ہے۔ یہاں کی زندگی میں دوست، سینئر اور اساتذہ کے ساتھ ساتھ ملٹری اسٹاف بھی موجود ہے جو ہمیں تربیت دیتے ہیں سخت زندگی گزارنے کا طریقہ سکھاتے ہیں۔ ہمارے کالج میں پانچ جماعتی مراحل ہیں جو آٹھویں تا بارہویں جماعت تک ہیں۔

پٹارو میں زندگی گزارنے کے کچھ اصول بھی ہیں۔ ہمیں اپنے سینئر کی عزت کرنی ہے۔ ہمیں اپنے اساتذہ سے محبت کرنی ہے۔ ساتھ ساتھ ان کی نصیحتوں پر عمل کرنا ہے۔ ہم سب یہاں ایک خاندان کی طرح رہتے ہیں۔ ہم ساتھ ساتھ ایک بڑا گھرانہ بناتے ہیں۔ یہاں ایک دوسرے کا خیال رکھتے ہیں جس کی وجہ سے آپس میں ہماری محبت بہت زیادہ ہے۔ جب کوئی بیمار ہو جاتا ہے تو سزا دیتا ہے تو تمام ساتھی بھی ساتھ ہی مزا کھلتے ہیں۔ یہاں کی زندگی سے ہمیں بہت کچھ سیکھنے کو ملتا ہے۔ ساتویں اور آٹھویں جماعت پر سختی کم ہوتی ہے۔ نویں جماعت سے کیڈٹ کو سخت اور مضبوط بنایا جاتا ہے اُسے رگڑا بھی دیا جاتا ہے جس سے اس میں چمک پیدا ہوتی ہے دسویں جماعت میں اُسے کم رگڑا دیا جاتا ہے اور پڑھائی پر زیادہ زور دیا جاتا ہے جب کہ گیارہویں جماعت میں اُن کا زور پڑھائی کے ساتھ ساتھ کھیل کود پر بھی ہوتا ہے۔ بارہویں جماعت میں کیڈٹس پر زیادہ محنت کی جاتی ہے انہیں تیار کیا جاتا ہے کہ وہ تعلیم اور کھیل کے میدانوں میں کامیابیاں حاصل کریں۔ پاکستانی افواج میں شمولیت کے لیے انہیں تربیت دی جاتی ہے۔

جو کیڈٹس پٹارو میں زندگی گزارنے کے طریقے سیکھ جاتے ہیں اور یہاں خوش رہتے ہیں وہ عام زندگی میں بھی خوش رہتے ہیں۔ بارہویں جماعت کے کیڈٹس پاس آؤٹ ہوتی وقت یہاں سے جاتے ہوئے رو رو کر جاتے ہیں اور جب یہاں آٹھویں جماعت میں آتے ہیں تو اُس وقت بھی روتے رہتے ہیں۔ لیکن وقت گزرنے کے ساتھ ساتھ یہاں کی ہر چیز سے حد درجہ محبت ہو جاتی ہے جسے چھوڑ کر جاتے وقت بہت دکھ ہوتا ہے۔ اللہ تعالیٰ ہمارے کالج کو ہمیشہ یوں ہی قائم و دائم رکھے اور اسے روز بروز ترقی دے۔ (آمین)

سعادت

ہمارے کالج میں پیرنٹر سے کہہ کر آئے تھے اور ہم لوگ خوب محنت کر رہے تھے۔ بالآخر وہ دن بھی آ ہی گیا اور 19 دسمبر کو پیرنٹس ڈے ہوا تو ہم لوگوں کو فرصت میسر آئی۔ ہمارے تمام سردیوں کی چھٹیاں گزارنے اپنے گھروں کو جا رہے تھے دل بہت خوش تھا کہ سب کچھ باخیر و عافیت ہو گیا تھا۔ میں اپنے والدین کے ساتھ گھر کی جانب روانہ ہو چکا تھا اور یوں معلوم ہوتا تھا کہ ایک بہت بڑا بوجھ سر سے اتر چکا ہو۔

اچانک ابو نے مسکراتے ہوئے کہا کہ ایک خوشخبری ہے میں بھی تجسس سے ابو کی طرف دیکھنے لگا کہ کون سی خوشخبری ہے؟ پھر انہوں نے کہا کہ ہم آج رات بارہ بجے کی فلائٹ سے سعودی عرب عمرے پر جا رہے ہیں۔ میں بہت خوش اور حیران ہوا کہ تمام پروگرام بن گیا اور مجھے ایسا خوبصورت سرپرائز ملا، واہ جی مزہ آ گیا۔ گھر پہنچتے ہی میں تیار یوں میں لگ گیا اور بیگ تیار کیا۔ کچھ دیر آرام کیا اور پھر رات کا کھانا کھا کر ہم لوگ ایئرپورٹ کی طرف روانہ ہو گئے۔ ایئرپورٹ پہنچ کر اپنے سامان کی چیکنگ کروائی اور ڈیٹنگ روم میں بیٹھ کر اپنے جہاز کی روانگی کا انتظار کرنے لگے۔ بارہ بجے کے قریب جہاز کی روانگی کا اعلان ہوا تو ہم جہاز کی طرف روانہ ہوئے اور اُس میں سوار ہو گئے۔ دل کو بڑی بے چینی تھی اور من کر رہا تھا کہ جلد سے جلد سعودی عرب پہنچ جائیں۔

چار گھنٹے کے سفر کے بعد ہم لوگ سعودی عرب پہنچ گئے۔ ایئرپورٹ سے اپنا سامان لیا اور ٹیکسی میں بیٹھ کر ہوٹل کی طرف روانہ ہو گئے۔ ہوٹل پہنچ کر کچھ دیر آرام کیا اور پھر عصر کی نماز کی ادائیگی کے لیے مسجد نبویؐ کی طرف روانہ ہو گئے۔ نماز عصر کے بعد کچھ دیر مسجد نبویؐ کی سیر کی۔ پھر اسی طرح نہ جانے چار سے پانچ دن گزر گئے اور معلوم بھی نہ ہوا۔ پھر معلوم ہوا کہ کل ہمیں مکہ شریف جانا ہے۔ مکہ پہنچے حرم گئے اور عمرہ ادا کیا۔ دل کی کیفیت بڑی عجیب تھی جو بیان سے باہر ہے۔

دوسرے دن مسجد عائشہ رضی اللہ عنہا گئے اور دوبارہ احرام باندھ کر دوسرا عمرہ ادا کیا۔ پھر مکہ شہر کی زیارتیں دیکھیں اور پھر دوبارہ مدینہ منورہ چلے گئے۔ اور کچھ دن وہاں رہے۔ معلوم ہوا کہ کل ہماری پاکستان روانگی ہے۔ ایئرپورٹ پہنچے اور واپسی کا سفر شروع ہو گیا۔ پاکستان واپس آ کر وہاں کی چیزوں کی بڑی یاد آ رہی تھی اور اللہ تعالیٰ کا شکر بھی ادا کیا کہ اُس نے ایسی عظیم سعادت سے نوازا ہے تمام مسلمانوں کو اللہ تعالیٰ اپنے گھر کی زیارت نصیب فرمائے (آمین)

کمرے میں داخل ہوا تو میں نے اپنا پہلا قدم بسم اللہ کے ساتھ رکھا اور اندر میں نے ایک نعل انگلیں داخل میں پایا ادھر ہمارے جناب پرنسپل صاحب تشریف فرما تھے۔ میں ادھر تھوڑا سا گھبرا گیا تھا لیکن مجھے اپنے ابو سے کہتے تھے کہ "کبھی گھبرانا نہیں!" پرنسپل صاحب کو میں نے خود اعتمادی کے ساتھ تمام سوالات کے جوابات دیے اور اللہ حافظ کہہ کر پھرتے پھرتے میری چھٹیاں تھیں اور مجھے بس ایک خط کا انتظار تھا بہت عرصہ ہو گیا تھا کوئی خط نہیں آیا پھر ایک دن میرے ذہن میں آیا کہ میرے ابو کا لُج میں داخل سے ابھر اگلے دن اچانک دروازے پر دستک ہوئی میں دروازے کی طرف گیا اور وازا کھولا تو سامنے ایک ڈاکیا تھا وہ میرا خط لے گیا یہاں تھا اور اس خط میں لکھا تھا کہ میرا فاسل سلیکشن ہو چکا ہے ہم سب نے فوراً دو رکعت نفل نماز شکرانہ ادا کیا اور یہ سب اس پہلے قدم کی نسبت ہو رہا تھا۔ پھر آخر میں اپنے والدین کے ساتھ کیڈٹ کالج پٹارہ پہنچ گیا اور پٹارہ میں بسم اللہ پڑھ کر اور یہ سوچ کر کہ اب یہاں سے کچھ بن کر نکلنا ہے اور پٹارہ کا نام روشن کر کے نکلنا ہے یہ سوچ کر میں نے اپنا پہلا قدم پٹارہ میں رکھ دیا اور امید کی کہ اس قدم کی نسبت بھی میں آگے کامیاب ہوں گا۔ اور اس قدم کی برکت سے کیڈٹ کالج پٹارہ میں داخل ہوا وہاں مجھے لیاقت ہاؤس ملا اس کو میں نے اپنے لیے سعادت پایا کیوں کہ لیاقت علی خان پاکستان کے پہلے وزیر اعظم تھے اور پاکستان کے لیے انہوں نے بہت قربانیاں دیں تھیں۔ اللہ کے فضل و کرم سے پرنسپل، ایڈجوٹنٹ، اسٹور، وہاں آکا ماحول اور سب سے بڑھ کر دوست بہت اچھے لگے۔ اللہ سے دعا ہے کہ وہ مجھے اپنی تم نیاں عطا فرمائے آمین۔

وادی سندھ کی تہذیب موئن جو دڑو

انسانی تہذیب کی ابتداء ان علاقوں سے ہوئی جہاں آب و ہوا اور دوسرے جغرافیائی حالات زندگی بسر کرنے کے لیے زیادہ موزوں تھے۔ یہاں انسانی تہذیب نے جنم لیا۔ یہ مصر اور عراق کی تہذیبوں کے ہم عمر تھی۔ وادی سندھ سے مراد وہ علاقہ ہے جسے دریائے سندھ اور اس کے معاون دریا سیراب کرتے ہیں۔ اس کا موجودہ نام پاکستان ہے۔ موئن جو دڑو اور ہڑپہ کے مقامات پر قدیم ٹیلوں کی کھدائی کی گئی تو ایسے آثار قدیمہ سامنے آئے جن سے اس قدیم تہذیب کا پتا چلا۔ شہر کی عمارتیں، گلی کوچے، بازار، نالیاں، حمام کافی حد تک اپنی اصلی حالت میں موجود تھے۔ موئن جو دڑو اور ہڑپہ کے شہر وسیع اور گنجان آباد تھے۔

رہائشی مکانات کی تعمیر میں بڑا سلیقہ نظر آتا تھا۔ گھروں میں تازہ ہوا اور روشنی کا معقول انتظام تھا۔ پینے کے پانی کے لئے کنویں موجود تھے۔ گھر کے استعمال کی لئے برتن زیادہ تر پختہ مٹی تانبے اور کانسی کے بنے ہوئے تھے۔ یہاں بڑی تعداد میں دستیاب شدہ کھلونوں میں انسانوں اور جانوروں کے مٹی کے مجسمے شامل ہیں۔ زیورات میں جوہرات کا استعمال کیا جاتا تھا اس سے یہ بات معلوم ہوتی ہے کہ وادی سندھ کے مرد اور عورتیں زیورات کے شوقین تھے۔

آلات جنگ بھی دستیاب تھے مگر بہت کم تعداد میں اس سے پتہ چلتا ہے کہ وہ لوگ امن پسند تھے۔ وہاں جنگ میں مرنے والے لوگوں کو دفن کرنے کا بھی انتظام ہے۔ یہ تہذیب 4500 سال پہلے ختم ہو گئی تھی۔

میرا پہلا قدم

میری خوش نصیبی ہے کہ رات ایک مسلمان گھرانے سے ہے اور سب سے بڑی خوش نصیبی یہ ہے کہ مجھے اس دنیا کے سب سے عظیم تر ماں باپ ملے ہیں۔ انہوں نے مجھے تعلیم دینی دی۔ زندگی میں انسان کا پہلا قدم بہتر رکھتا ہے۔ اگر انسان اپنی زندگی کا پہلا قدم صحیح نہ رکھے تو اسے آگے دنیا میں بہت سی پریشانیاں چھلنی پڑتی ہیں۔ اس لئے انسان کو اپنی زندگی کا پہلا قدم بہت سوچ سمجھ کر رکھنا چاہیے۔ کیونکہ پہلا قدم بہت اہم ہوتا ہے۔ اس سے انسان کی سمت کا تعین ہوتا ہے۔ انسان کی زندگی کا دار و مدار اسی قدم کے گرد گھومتا ہے۔ انسان کا پہلا قدم صحیح سمت پر پڑ جاتا ہے تو اس کی آگے کی زندگی پُر آسائش اور آرام و سکون والی گزرتی ہے۔

میں نے بھی اپنا پہلا قدم اپنے والدین کے ساتھ رکھا۔ انہوں نے میرا پہلا قدم علاقے کے اعلیٰ ترین اور بہترین اسکول میں رکھوایا۔ انہوں نے پہلے قدم کے لئے میرے لیے ایک بہترین اسکول منتخب کیا۔ اسی اسکول میں داخلہ کرایا کہ میرے پہلے قدم کو ایک صحیح تعلیمی راہ کی طرف مائل کیا دین اور دنیاوی دونوں چیزوں پر زور دیا جیسے جیسے زندگی میں کامیابیاں نصیب ہوتی ہیں ویسے ویسے اس پہلے قدم کا احساس ہوتا رہا جو میرے والدین نے میرے لیے منتخب کیا تھا۔ پھر پانچویں جماعت میں میرے اندر کیڈٹ کالج پٹارہ میں داخلہ لینے کا جوش و دلولہ پیدا ہوا پھر یہی جوش میری خواہش میں تبدیل ہو گیا۔ پھر میں نے اور میرے والدین نے اس داخلہ کے لئے محنت شروع کر دی۔ اس کا سب سے پہلا مرحلہ ہوتا ہے "Written Test" اور پھر میرے والد نے اس کی تیاری کے لئے میرے لئے بہترین اساتذہ کا انتخاب کیا۔ پھر جب میں نے کیڈٹ کالج پٹارہ کا فارم جمع کروایا تو بے چینی کا عالم یہ تھا کہ رات کو نیند نہیں آتی تھی اور نہ کچھ کرنے کو دل چاہتا تھا۔ اور اب بس مجھے "Written Test" کا انتظار تھا اور آخر کار وہ دن بھی آ گیا جس کے لیے میں نے اتنی محنت کی تھی "8 جنوری 2017ء" میرا "Written Test" میں نے بسم اللہ پڑھ کر کمرہ امتحان میں اپنا پہلا قدم رکھا۔ اور الحمد للہ میرا ٹیسٹ بہت اچھا ہو گیا تھا۔ اور مجھے اللہ پر یقین تھا کہ وہ میری محنت رائیگاں نہیں کرے گا۔ اور اب مجھے اپنے ٹیسٹ کے رزلٹ کا انتظار تھا پھر جب ایک دن میں گھر آیا تو امی جان نے فرمایا کہ بیٹا "سعد کوئی خط آیا ہے" میں دوڑتے ہوئے اس خط کی جانب گیا اور جب کھول کر دیکھا تو اس میں لکھا تھا کہ آپ ٹیسٹ میں کلیئر ہو چکے ہیں آپ کا آخری مرحلہ "انٹرویو اینڈ میڈیکل" 15 فروری 2017ء کو ہو گا۔ یہ دیکھ کر ہم سب گھر والوں کی آنکھوں میں آنسو آ گئے اور میں نے سوچا کہ یہ سب اسی پہلے قدم کی برکت ہے۔ پھر ابو نے مجھے انٹرویو کی تیاری کروانا شروع کر دی۔ اور آہستہ آہستہ میرے اندر خود اعتمادی پیدا ہونے لگی۔ اب بس مجھے 15 فروری کا انتظار تھا۔ اللہ کے کرم سے سب بہت اچھا جا رہا تھا اور آخر وہ دن بھی آ گیا جب میں اپنی منزل کے آخری مرحلے کے لئے گھر سے روانہ ہو گیا۔ راستے میں بہت بے چینی ہو رہی تھی بس دل میں اللہ کا کلام پڑھتا گیا اور آخر کار میں اُدھر پہنچ گیا۔ میں اس

پٹارو کا پہلا دن

پٹارو کا پہلا دن میری زندگی کا یادگار دن ہے۔ اپنے گھر سے دور اور والدین سے دور پہلا دن۔ صبح کے وقت اٹھایا گیا کہ نماز ادا کریں، نماز ادا کرنے کے لیے ہم قریب ہی مسجد چلے گئے جہاں تمام ہاؤس کے کیڈٹ آئے۔ اس کے بعد ہمیں ہمارے سینئر کلک کیڈٹ سے متعارف کرایا گیا جس کو ہمیں وہاں رہنے کا طریقہ، اپنے روم کی صفائی اور بہت سی چیزیں سکھانے کے لیے بنایا گیا تھا۔ جب ہم میں ناشتہ کرنے گئے تو وہاں کلک کیڈٹ نے کھانے کا طریقہ بتایا اور وہاں سے اسمبلی جانے سے پہلے سارے کلک ڈبل اپ کا بول رہے تھے جو کہ ہمیں پہلے سمجھ میں نہ آیا لیکن بعد میں پتہ چلا بھانگے کو ڈبل اپ کہتے ہیں۔ بہر حال ہم اسمبلی حال گئے جہاں بیس منٹ ہم بنا موومنٹ کے کھڑے رہے۔ اس دوران تلاوت قرآن اور ترانہ پڑھا گیا۔ اس کے بعد ہم کلاس روم میں گئے جہاں نئی کلاس کی پڑھائی شروع ہوئی۔ ہمارے سات پیریڈ ہونے اور مختلف پیریڈ میں مختلف اساتذہ سے تعارف ہوا۔ کلاس ختم ہونے کے بعد ہم میں دوپہر کا کھانا کھانے گئے۔ وہاں کے باورچی بہت لذیذ کھانا تیار کرتے ہیں اور تمام صفائی کے ساتھ وہی کھانا پیش کرتے ہیں۔ ہمیں کھانے کا ایک مخصوص وقت دیا گیا اس وقت میں کھانا کھا کر پورا کرنا ہے۔ کھانے کے بدشگوار قبضہ پین کر نماز پڑھانا ہوا۔

نماز کے بعد 3 گھنٹے آرام کرنے کے لیے دیے گئے۔ اس وقت میں ہمارے کلک کیڈٹ نے ہمیں پڑھنے کے طور طریقے سکھانے پھر عصر کی نماز پڑھتے ہی ہم گراؤنڈ میں کھیلنے گئے۔ اس کے بعد ہمارا پریپ ٹائم ہوا مطلب اس دوران ہمیں کالج میں اور جو بھی دیے گئے کام پورے کرنے تھے۔ کالج کے پرنسپل اس دوران راولڈ لگاتے ہیں اور ہاؤس کا معائنہ کرتے ہیں پریپ کے بعد ہم کھانا کھانے گئے پھر نماز کے بعد ایک اور پریپ ہوئی۔ سونے سے پہلے نائٹ فالن ہوئے جس کا مطلب ہاؤس کے تمام کیڈٹ فالن کرتے اور ہاؤس ماسٹر آکر معائنہ کرتے پھر ہم سب اپنے بستروں پر آکر سو گئے۔

یہ ہمارا پہلا دن تھا جو ختم ہوا اور بہت اچھا گزرا پہلے بہت سے خیال آ رہے تھے اور گھبراہٹ تھی کہ کیسا ناٹم گزرا تھا۔ لیکن شکر ہے سب کچھ اچھا تھا اور یہ دن ہمارا یادگار دن ہے۔

اکبر دے نہیں جو سلطان کی فوج سے
لیکن شہید ہو گئے بیگم کی فوج سے
شیکسپیر واقعی عقل مند آدمی تھا۔ اپنی شادی کے دن گھر سے بھاگ گیا۔ ہم سب کو اس کے نقش قدم پر چلنا چاہیے۔
یہ ضروری نہیں کہ شادی صرف
میں اور راتیں سندر سپنوں میں گزار کر، جو ساری زندگی حسین شہزادوں کا تصور کرتے گزار دیتی ہیں وہ جب شادی کے بعد سات آٹھ بچوں کی
اماں بن جاتی ہیں تو تمام سپنوں کو بھول جاتے ہیں۔

ہو گئیں روشن نگاہیں اس قدر شادی کے بعد
آ رہے ہیں دن میں بھی تارے نظر شادی کے بعد
ہائے کیا رنگین تھی شادی سے پہلے زندگی
ہو گئی سنگین لیکن کس قدر شادی کے بعد
مگر شادی کا اصل کرب تو مردوں ہی کا مقدر ہوتا ہے۔ ایک شاعر بنیش سلیمی اس کرب کو یوں بیان کرتے ہیں:

اف یہ بیویاں، ہائے یہ بیویاں
لطف زندگی تو ہیں مگر بلائے جاں

اف یہ بیویاں۔ تین لفظوں میں ہے شوہروں کی داستان ہائے یہ بیویاں

ایک بیوی کے بجائے "بیویاں" کا لفظ نہایت کرب انگیز ہے ہمیں بے اختیار بنیش سلیمی پر ترس آتا ہے۔ غالب جیسا شخص بھی اس عذاب
سے بچ نہ سکا۔ مگر یہ اس کی عقل مندی کی دلیل ہے کہ اس زندگی کو جیل سے بدتر سمجھتا رہا۔ دسمبر ۱۸۵۸ء میں منشی ہر گوپال تفتہ کے نام خط میں
امراؤ سنگھ کے لیے یوں لکھا:

"اللہ اللہ۔۔۔ ایک وہ جلیل کہ دو بار بیڑیاں کٹ چکی ہیں۔ ایک ہم ہیں کہ ایک اوپر پچاس سے جو پھانسی کا پھندا گلے میں پڑا ہے نہ تو پھندا ہی
ٹوٹتا ہے نہ ہی دم نکلتا ہے۔"

باتیں تو بہت سی ہیں لیکن یقیناً اس مضمون کو شادی شدہ لوگ بھی پڑھیں گے۔ ان کا احترام بھی لازم ہے ایسا نہ ہو کہ اپنے مصائب کا ذکر سن
کر وہ رونے لگ جائیں اس لیے اس مضمون کو یہیں ختم کرتا ہوں۔

ازیت، مصیبت، ملامت، بلائیں،

اس ایک شادی میں کیا کیا نہ دیکھا۔

شادی کی ایک سالہ زندگی

ہزار بار حکیموں نے اس کو سلجھایا
مگر یہ مسئلہ زن رہا وہیں کا وہیں

شاعر مشرق اس شعر میں جس مسئلے کی طرف اشارہ کرتے ہیں وہ آلودگی کے بعد بنی نوع آدم اور خصوصاً مردوں کا سب سے بڑا مسئلہ ہے۔
اس لیے ٹیپو سلطان کی تقلید میں یہ کہنا غلط نہ ہو گا کہ:

"شادی کی ایک سالہ زندگی جیل کی سو سالہ زندگی سے بدتر ہے"

ایک مفکر جانشن نے ایک بار کہا تھا کہ:

"مغرب کی ترقی کی سب سے بڑی وجہ یہ ہے کہ اس کی آدمی آبادی غیر شادی شدہ ہے۔" مگر یہ قول اس لیے مستند نہیں ہو سکتا کیونکہ خود شادی شدہ تھا۔ اور اگر شادی تنزل کی وجہ ہوتی تو ہمارے ملک میں شادی ہال اسپلی سے زیادہ پسماندہ ہوتے۔ مگر جانشن کی غصے پر شبہ کرنا درست نہیں۔ وہ بھی دنیا کے ان مردوں میں سے تھا جو شادی کے ہاتھوں لٹ چکے تھے۔ شادی محض ایک لفظ نہیں بلکہ ایک طویل اور درد بھری کہانی ہے جس کا انجام موت ہے۔

یہ بات بھی درست نظر آتی ہے کہ آدمی پیدا انٹی الیو ہے کیونکہ وہ خواہ کی بیٹی سے اتنا متاثر ہے کہ ہر وہ کام اندھوں کی طرح کرنے لگتا ہے جسے وہ کرنا نہیں چاہتا۔ یہی معاملہ محبت کا بھی ہے۔ جب آدمی محبت کا آغاز کرتا ہے تو گویا وہ نیند کی حالت میں ہوتا ہے۔ اور یہ نیند اس وقت ٹوٹتی ہے جب بار آتی بھی واپس جا چکے ہوتے ہیں اور آدمی خود کو ایک بڑے طوفان کے سامنے پاتا ہے۔ جس سے راہ فرار ممکن نہیں مشہور ہے کہ "شادی بور کے لڈ وہیں جو کھائے وہ بچھتائے اور جو نہ کھائے وہ بھی بچھتائے"۔ ویسے یہ بات حقیقت بھی ہو سکتی ہے مگر کسی عقل مند کو اس کی صداقت پر کھنے کی توفیق نہ ہوتی۔ اگر دانش مندانہ نگاہ سے دیکھا جائے تو معلوم ہوتا ہے کہ شادی شدہ آدمی جمہوریت کے قائل نہیں ہو سکتے۔ کیوں کہ وہ اپنی آزادی زبان و بیان اور قوت فیصلہ سب اپنی بیگم کو منتقل کر دیتی ہیں جو فوراً مارشل لاء کا نفاذ کر دیتی ہے۔ اس لیے ہر "شریف آدمی" اپنی بیوی سے ڈرتا ہے بقول شاعر:

وہ جو لپکے میری جانب، لے کے جوتا ہاتھ میں
دم دبا کے ایسا بھاگا میں کہ انجن ہو گیا۔

کہتے ہیں کہ ایک مرتبہ شوہروں نے اپنی بیویوں کے مظالم کے خلاف ایک خفیہ اجلاس منعقد کیا۔ بیویوں کو خبر ہو گئی اور وہ وہاں پہنچ گئیں۔ سب شوہر بھاگ لیے۔ مگر ایک صاحب بیٹھے رہے۔ لوگ ان کی جو انمردی کی تعریف کرنے لگے لیکن جب قریب جا کر دیکھا۔۔۔

إِنَّ اللَّهَ وَإِنَّا لِيَوْمِ رَاجِعُونَ۔

ہمارا ماحول

اللہ تعالیٰ نے جب انسان پیدا کیا تو اس کی رہائش، غذا اور آرام و سکون کے لئے "زمین" کا انتخاب کیا۔ زمین پر ہر چیز مناسب مقدار میں پیدا کی کہ "اشرف المخلوق" انسان کی خاطر ہی جانوروں کی تخلیق ہوئی کہ ان سے غذا حاصل کریں اور نباتات بھی اس ہی کے لیے وجود میں آئے کہ انہیں کھائیں اور پھل اور میوہ جات سے اسے فائدہ پہنچائیں۔ غرض ہر چیز ایک مقصد کے تحت پیدا ہوئی اور ایک نظام کے تحت چل رہی ہے۔

۱۸ویں (اٹھارویں) صدی میں صنعت کے میدان میں انقلاب آیا۔ ضروریات زندگی فیکٹریوں میں بننے لگیں۔ یہ چیزیں دستی چیزوں سے بہتر اور پائیدار تھیں۔ لیکن انہوں نے ماحول کو آلودہ کرنا شروع کیا۔ بنی آدم نے درختوں کی بے دریغ کٹائی شروع کر دی۔ فیکٹریوں اور گھروں کے گند کچرے کو دریا کے صاف شفاف پانی میں پھینکا۔ مضر کیمیائی گیسوں اور دھوئیں کے اخراج سے فضا کو آلودہ کیا۔ کچھ عرصے تک تو کوئی نقصان سامنے نہ آیا لیکن پھر بیماریاں عام ہو گئیں۔ آنکھوں کے امراض سے لیکر کینسر، غرض کئی چھوٹی بڑی بیماریوں کی شکایات موصول ہونے لگیں۔ سائنسدان جو کہ نئی ایجادات میں مصروف تھے، سب کچھ چھوڑ کر وجوہات کی تلاش میں سرگرداں ہو گئے۔ آخر کار وجہ سامنے آگئی کہ ماحولیاتی آلودگی بہت بڑھ چکی ہے جس کی وجہ سے کئی جانوروں کی نسلیں نایاب ہوتی جا رہی ہیں۔ سبزہ بھی خطرے کی حد تک کم ہو رہا ہے اور انسان بے پناہ مشکلات کا شکار ہو رہا ہے جس میں امراض کی بے حد طویل فہرست شامل ہے۔

زمین تباہی کے دہانے پر کھڑی ہے اور اس کا ذمہ دار صرف انسان ہے کہ اس نے اپنے ہاتھوں سے اپنی تباہی اور ہلاکت کے اسباب پیدا کیے۔ ہماری اپنی نسل وقت کا شکار ہے۔ حیوان، پرند پرند اور حشرات اپنے ٹھکانوں سے محروم ہو رہے ہیں۔ آبی جانوروں کی ایک کثیر تعداد بھی کیمیائی دھاتیں نکل کر ہلاک ہو جاتی ہیں۔ فضا میں موجود اوزون کی تہ جو سورج کی مضر شعاعوں سے تحفظ کی ضمانت ہے غائب ہوتی جا رہی ہے۔ فصلیں مضر صحت پانی سے کاشت کی جاتی ہے جو کہ بعد میں انسان کی زندگی میں پیچیدگیوں کا باعث بنتی ہیں۔ غرض ہم اپنی تباہی کے خود ذمہ دار ہیں۔

لیکن ہم یہ پریشانیاں کم کر سکتے ہیں اور آخر کار ختم بھی۔ ہم جانتے ہیں کہ ہم درخت آگا کر زمین کے زخموں پر مرہم رکھ سکتے ہیں۔ ہمیں پتہ ہے کہ ہم کچرے کو صحیح طور پر ٹھکانے لگا کر فضائی، آبی اور زمینی آلودگی کو کم کر سکتے ہیں۔ ہم جنگل آگا سکتے ہیں۔ ہم پانی کو کم سے کم استعمال کر سکتے ہیں اور گندے پانی کو سائنس کی مدد سے صاف کر سکتے ہیں۔ ہم کچرے کو "ری سائیکل" کر کے دوبارہ استعمال کے قابل بنا سکتے ہیں۔ ہم فیکٹریوں کے دھوئیں اور فضلے کو بھی ٹھکانے لگا سکتے ہیں۔ ہم زمین کو دوبارہ جنت بنا سکتے ہیں۔

اس کے لیے ہمیں تھوڑی سی محنت اور جدوجہد درکار ہے۔ ہمیں اپنی زندگی میں تھوڑی سی سادگی اپنانا ہوگی۔ ہمیں زیادہ سے زیادہ درخت اور پودے، جنگل باغ "گرین بیلٹ" کی صورت میں آگانا ہوں گے۔ پھر ہم ایک نیا منظر دیکھیں گے کہ مشرق سے ابھرنا سورج جب رات کی تاریکیاں سمیٹے گا تو گند کچرے کے بجائے ہریالی ہوگی، درختوں پر بیٹھے پرندے اپنی چچھاہٹ سے فضا کو مترنم بنا دیں گے اور جب ہم سانس لیں گے تو ہمیں تازگی اور مسرت ملے گی۔ تو پھر آئیں، زمین اور اپنے مستقبل دونوں کو محفوظ کریں۔

والدین

اللہ تعالیٰ نے اس کائنات کو انتہائی خوبصورت اور حسین بنایا ہے اور اللہ تعالیٰ نے اس کائنات میں سمندر پہاڑ، دریا، وادیاں، جنگلات اور بہت ساری چیزیں بنائیں۔ یہ سب اللہ تعالیٰ نے انسانوں کے لیے بنائی ہیں۔ اللہ تعالیٰ نے انسانوں کو بے شمار نعمتیں عطا کی ہیں۔ ان میں سے والدین بھی ایک بہت بڑی نعمت ہیں۔

انسان کی پیدائش سے لے کر اس کی جوانی تک والدین اپنی اولاد کا ذمہ اٹھائے رکھتے ہیں جب ایک بچہ اس دنیا میں تشریف لاتا ہے تو بغیر کپڑوں کے آتا ہے اور وہ کچھ بھی نہیں جانتا اس وقت اس کی ماں اسے کپڑے پہناتی ہے اور اسے چلنا سکھاتی ہے اس کی ایک آواز پر دوڑتے ہوئے آتی ہے۔ ساری رات اپنے بچے کی نیند کا انتظار کرتی ہے اور جب اسے نیند آجاتی ہے تو ماں کو چین ملتا ہے ماں اپنے بچے کو سونے کی آواز سے محفوظ رکھتی ہے اس کی تکالیف کو اپنی تکالیف سمجھتی ہے اس کی بیماری کو اپنی بیماری بنا لیتی ہے۔ اس کا والد بھی ہر وقت اس کے پاس گھومتا رہتا ہے اور اس سے کھیل کود کرتا رہتا ہے اس کو کوئی تکلیف یا آج نہیں آنے دیتا ہمیشہ اس کے بارے میں سوچتا رہتا ہے۔ آہستہ آہستہ وہ بچہ بڑا ہونے لگتا والدین اسے ہر چیز سکھانے کی کوشش کرتے ہیں تاکہ آگے اس کو کوئی تکلیف نہ ہو۔ والدین اس بچے کو اچھے اسکول میں بھیجتے ہیں اور اس کے آگے کی زندگی کے بارے میں سوچتے رہتے ہیں والدین اس بچے کی زندگی کو اپنی زندگی بنا لیتے ہیں اور اس کے مقصد کو اپنا مقصد بنا لیتے ہیں اور آہستہ آہستہ وہ بچہ جوان ہونے لگتا ہے آخر کار شادی کر لیتا ہے اس کے والدین کے سر پر سے بوجھ ہلکا ہو جاتا اور سکون محسوس کرتے ہیں لیکن وہ اپنے بچے کو آج بھی چھوٹا سمجھتے ہیں اور وہ جوان خود بچوں والا ہو جاتا ہے۔

اس کو یہاں تک اس کے والدین نے پہنچایا اور والدین کے اس پر ان گنت احسانات ہیں لیکن وہ اس سے کچھ بھی نہیں مانگتے صرف اسے خوش دیکھنا چاہتے ہیں۔ لیکن اس بچے کو اس کے حقوق ادا کرنے ہوں گے اور اگر وہ بوڑھے ہو جائیں تو ان کو آف تک نہ کہو اور انہیں ہمیشہ خوش رکھنے کی کوشش کرو اور ان کے ساتھ وقت بناؤ ان سے اپنی دل کی باتیں کہو اور سنو ان کی خواہشات کو پورا کرنے کی کوشش کرو اور ہر دعا میں ان کے لیے دعا کرو ہمیشہ ان کو دیکھ کر مسکراؤ اگر وہ فوت ہو جائیں تو ان کے لیے ہمیشہ مغفرت کی دعا مانگتے رہو۔ اسلام میں بھی یہی ہے۔ ہم اپنے والدین کے احسانات کو کبھی بھی نہیں اتار سکتے مگر ان باتوں پر عمل کر کے کچھ حد تک ان کو قبر میں خوشی محسوس کروا سکتے ہیں۔

وقت کی پابندی

سید محمد رسول اللہ ﷺ تمام نام کی گھر ہو یا بازار، خوشی ہو غمی، خوشحالی ہو یا تنگدستی، سفر ہو یا حضر، ہر حال میں آپ ﷺ کی حیات طیبہ بہترین نمونہ عمل اور تقاضا ہے، آپ ﷺ کے ارشادات اور معمولات سے معلوم ہوتا ہے کہ انسان کے اچھے اور برے ہونے کا معیار یہ ہے کہ اس کا اپنے گھر والوں کے ساتھ سلوک کیسا ہے چنانچہ آپ ﷺ نے فرمایا:

"تم میں سے سب سے بہتر وہ ہے جو اپنے اہل خانہ سے بہتر سلوک کرتا ہو"

حضور اکرم ﷺ کی گھریلو زندگی نہایت سادہ پرکشش اور محبت و پیار والی تھی۔ آپ ﷺ کو اپنی ازواج مطہرات سے سچی محبت تھی۔ اور جب آپ ﷺ سفر کا ارادہ فرماتے تو ازواج مطہرات کے درمیان قرعہ ڈالتے۔ جس کے نام کا قرعہ نکل آتا اسے ساتھ لے جاتے تاکہ کسی کے دل میں رنجش باقی نہ رہ جائے۔ نرم مزاجی کی شان یہ تھی کہ کبھی کسی خادم یا بیوی کو مارنا تو دور جھڑکا تک نہیں۔ اگر کوئی بات ناگوار خاطر ہوتی تو التفات میں کمی کر دیتے تاکہ وہ خود سمجھ کر اپنی اصلاح کریں۔

نبی کریم ﷺ بچوں سے بہت پیار کرتے تھے اور اس کو نبوت کے شان اور مرتبے کے خلاف نہیں سمجھتے تھے۔ آپ ﷺ کے ایک بیٹے تھے حضرت ابراہیم علیہ السلام، جس کو رضاعت کے لئے مدینہ کے بالائی حصے میں ایک گھر میں رکھا گیا تھا۔ آپ ﷺ ان کو دیکھنے کے لیے خاصا فاصلہ چل کر تشریف لے جاتے۔ آپ ﷺ وہاں بیٹھتے اور بچے کو گود میں لے کر پیار کرتے۔ اس بیٹے کی وفات ہو گئی تو آپ ﷺ کی آنکھیں اشکبار ہو گئیں اور آپ ﷺ فرمانے لگے۔ آنکھیں اشکبار اور دل غمزہ ہے، لیکن ہم اپنی زبان پر ایسی بات نہیں لانا چاہتے جو اللہ تعالیٰ کی ناراضگی کا سبب بنے۔ اے ابراہیم! ہم آپ کے فراق میں غمزہ ہیں۔ آپ ﷺ کو تمام اولاد سے محبت تھی۔ آپ ﷺ اپنے کپڑوں کی دیکھ بھال خود ہی کر لیتے۔ بکری کا دودھ خود دوتے اور اپنی ضروریات خود ہی پوری کر لیتے۔ اپنے کپڑوں کو خود ہی پیوند لگاتے۔

مطلب حضور اکرم ﷺ اپنی زندگی میں بے مثال باپ، بے مثال شوہر اور مہربان، شفیق انسان تھے۔ آپ ﷺ کا ہر عمل و کردار قابل تقلید ہے۔ ہم آپ ﷺ کی گھریلو زندگی پر عمل کر کے اپنی گھریلو زندگی پر سکون اور خوشحال بنا سکتے ہیں۔

پیش کیے جن کو وہاں موجود لوگوں نے خوب سراہا۔ 29 جولائی کو ہمیں "پانڈا کی آفرانش کے مرتبہ نے جوہانہ جہاں ایک "نوزائیدہ پانڈا کے بچے" کو ایک مشین (Incubator) میں رکھا ہوا تھا۔ دریافت کرنے پر معلوم ہوا کہ یہاں کے لوگ "پانڈا" کو اپنی جان سے زیادہ عزیز رکھتے ہیں۔ اس کے بعد ہم "چن شا عجائب گھر" (Jinsha Museum) گئے۔ یہاں تقریباً تین ہزار سال پرانی چینی تہذیب کے آثار محفوظ کیے گئے ہیں۔ اس معاملے میں بھی ہمیں وہ قوم زیادہ ذمہ دار نظر آئی۔ 30 جولائی 2017ء کو ہم "مشہور گلوبل سینٹر" اور یونیورسٹی کے شمالی دروازے کے باہر کچھ فاصلے پر واقع "سپر مارکیٹ" دیکھنے گئے یہ ہماری آخری تفریح تھی کیوں کہ چین کے وقت کے مطابق رات کے تین بجے ہمیں ایئرپورٹ کے لیے روانہ ہونا تھا اور 31 جولائی کی صبح چھ بجے ہمیں چندو سے بیجنگ جانے کے لیے جہاز میں سوار ہونا تھا لہذا طے شدہ پروگرام کے مطابق ہم سب نے اپنا اپنا سامان تیار کیا۔ اس کے بعد ہم سب ہوٹل کے استقبال پر جمع ہو گئے۔ وہاں پر سمرکمپ کی انچارج مس علیشا (لی چنگ) اپنی رضاکار طالبات کے ساتھ موجود تھیں۔ ان سب نے ہمارے لیے کارڈ تیار کیے اور فرداً فرداً سب کو دیے۔ ہم نے بھی انہیں کالج کی خوبصورت ٹی شرٹ تحفے کے طور پر پیش کی جو انہوں نے انتہائی خوشی سے قبول کر لی اور اسی وقت کمرے میں جا کر پہن کر آئیں اور پھر تصویریں کھنچو آئیں۔ اس وقت بالکل چھوٹے بچوں کی طرح خوش ہو رہی تھیں۔

اب ہمارے روانہ ہونے کا وقت ہو گیا تھا۔ ہم رضاکار طالبات اور مس علیشا کی رہنمائی میں بس میں سوار ہوئے۔ پانچ بج گئے۔ ہمارے ساتھ پٹارو کے دو سابق طالب علم زید اور آفتاب بھی تھے جو چھٹیوں کے دوران پاکستان نہیں آئے تھے۔ ان کا ساتھ مل جانے کی وجہ سے ہمارے لیے مزید آسانیاں ہو گئی تھیں۔ ہم نے وہاں پہنچ کر امیگریشن کے مراحل طے کیے اور اب ہم قطار بنا کر کھڑے ہو گئے یہی وہ مرحلہ تھا جب ہم نے اپنے چینی میزبانوں سے رخصت چاہی۔ جب ہم نے ان سے الوداعی کلمات کہے تو وہ جذباتی ہو گئیں اور چند لمحوں بعد ہی ان کی آنکھیں بھر آئیں۔ وہ بڑا عجیب منظر تھا دیگر لوگ ہمیں دیکھ رہے تھے اور حیران بھی ہو رہے تھے۔ میں نے مس علیشا کی طرف دیکھا تو وہ بھی آنسو بہا رہی تھیں۔ اب میں نے زید اور آفتاب کو دیکھا تو وہ بھی نشوونما سے آنسو پونچھ رہے تھے۔ سب سے پہلے تو میں نے انھی دونوں کو دلاسا دیا۔ اس کے بعد مس علیشا اور پھر فرداً فرداً گولے ای، کرشین، جینی فر، لیسٹی وغیرہ کو چپ کرایا کیوں کہ وہ سب بچوں کی طرف رونے لگے تھے۔ مس علیشا نے کہا "سر! آپ لوگوں کا اخلاق، آپ کا وقت کی پابندی سے ہر جگہ پہنچا، کیڈٹس کا خیال رکھنا، ان کے بارے میں فکر مند رہنا اور انہیں نظم و ضبط کا پابند رکھنا، مجھے یہ سب باتیں بہت یاد آئیں گی"۔ مجھے ان کے یہ خیالات جان کر بڑی خوشی ہوئی۔ بالآخر ہم جہاز پر سوار ہونے کے لیے آگے چلے گئے۔ جہاز اپنے مقررہ وقت پر چندو سے روانہ ہو کر بیجنگ پہنچا اور وہاں سے دوسری پرواز کے ذریعے ہم پاکستانی وقت کے مطابق رات کے تقریباً دس بجے کراچی پہنچ گئے۔ ہوائی اڈے سے باہر کیڈٹس کے والدین منتظر تھے۔ ہم نے کیڈٹس کو ان کے حوالے کیا اور کالج کی گاڑی میں سوار ہو کر ہٹارو واپس پہنچ گئے۔ چین میں اپنے قیام کے دوران میں نے وہاں کوئی بھکاری نہیں دیکھا بوڑھے لوگوں کو بھی دیکھا تو وہ کسی نہ کسی کام میں مصروف نظر آئے۔ میں سمجھ گیا کہ یہ قوم کام کی عظمت پر یقین رکھتی ہے۔ ایک اور بات دیکھی کہ وہاں ہمارے ملک کی طرح بجلی کی لوڈ شیڈنگ کا نام و نشان تک نہ تھا۔ یونیورسٹی میں جگہ جگہ شمسی توانائی کے پنیل لگے ہوئے ہیں۔ میں حیران بھی تھا اور متاثر بھی کہ پاکستان کے بعد آزاد ہونے والا ملک آج ہم سے اتنا آگے نکل چکا ہے اور ہم ہاتھ پہ ہاتھ دھرے منتظر فردا ہیں۔

دیکھا ہم نے چین

یہ سن 2015ء کی بات ہے جب میرے دو بیٹوں محمد خاور اور محمد بُرہان حکومت چین کے ایک اسکالر شپ پروگرام کے تحت چینی زبان پڑھنے کے لیے منتخب ہوئے اور سچوان نارمل یونیورسٹی چندو پنچ گئے تو کچھ دنوں بعد میں بھی چین جانے کے خواب دیکھنے لگا۔ میرے ذہن میں یہ خیال آنے لگا کہ ممکن ہے کہ جب دونوں بیٹوں کو ڈگری ملنے کی تقریب ہو تو میں جاسکوں۔

میری خوش نصیبی کہ مئی 2017ء میں کالج انتظامیہ نے مجھے یہ ذمہ داری سونپی کہ جولائی 2017ء میں ہونے والے سمرکیمپ میں کیڈٹس کے ساتھ سچوان (چین) جانے کی تیاری کر لوں۔ میں نے یہ تیاری شروع کر دی اور اللہ تعالیٰ کا شکر بھی ادا کیا کہ میرا خواب حقیقت میں ڈھلنے والا تھا۔ بالآخر وہ وقت بھی آ ہی گیا جب 17 جولائی 2017ء کو شام کے چھ بجے میں ایئر پورٹ پہنچ گیا۔ میں طلبہ (کیڈٹس) اور دو اساتذہ پر مشتمل یہ قافلہ چینی ایئر لائن کی پرواز پر بیجنگ روانہ ہوا اور 18 جولائی 2017ء کو چینی وقت کے مطابق صبح کے دس بجے بیجنگ کے ایئر پورٹ پر پہنچے تو معلوم ہوا کہ لوگوں کا ایک جھوم ہے جو ہمارے لئے اپنی باری کے انتظار میں کھڑا ہے۔ میرے ذہن میں اُس وقت ایک غزل کا یہ شعر گونجنے لگا کہ:

اک تم ہی نہیں زسوا لفت میں مر رہی تنہا

اس شہر میں تم جیسے دیوانے ہزاروں ہیں

خیر خدا خدا کر کے امیگریشن کے مسائل سے فارغ ہوئے تو معلوم ہوا کہ جس پرواز کے ذریعے ہمیں سچوان (چندو) جانا تھا وہ تو کب کی جا چکی ہے۔ اب میں بڑا پریشان کہ کیا کیا جائے کہ "زبان یار من چینی دمن چینی نمی دانم"۔ بہر حال اپنی ٹوٹی پھوٹی رسکے شاہی قسم کی انگریزی سے کام لیا اور کالج انتظامیہ کے مشورے سے وہ رات بیجنگ ایئر پورٹ پر ٹھہرنے کا پروگرام طے کر لیا۔ کیڈٹس کو بھی سمجھایا اور پورے قافلے نے چینی ایئر لائن کے دفتر کے قریب ہی ڈیرہ ڈال دیا۔ طے یہ ہوا کہ پہلے مرحلے میں ریاض ظفر صاحب اور کیڈٹس آرام کریں گے جب کے دوسرے مرحلے میں حسن، جاوید، رافع (کیڈٹس) اور میں (انیس) آرام کریں گے۔

میں نے تقریباً ایک ہی گھنٹہ آرام کیا اُس کے بعد اس "آن چاہے" قیام کے دوران ایئر پورٹ کا جائزہ لینا شروع کر دیا۔ دیکھا تو معلوم ہوا کچھ لوگ ایک ایئر لائن کے کاؤنٹر پر تو کچھ دوسری ایئر لائن کے کاؤنٹر پر ایک دوسرے سے تلخ الفاظ کے تبادلے میں مصروف ہیں۔ میں یہ سوچنے لگا کہ بعض معاملات میں ہر جگہ کے لوگ ایک ہی جیسے ہوتے ہیں اور صبر کا دامن ہاتھ سے چھوڑ بیٹھتے ہیں۔ لیکن یہ تصویر کا ایک رخ تھا کیونکہ جب ہم 19 جولائی کو چندو ایئر پورٹ پر پہنچے تو جذبات کا عالم کچھ اور ہی تھا۔

جو صوبہ دیکھنے سے رہتا تھا۔ لہذا گذشتہ سال یعنی 2016ء کی موسم سرما کی چھٹیوں میں کوئٹہ جانے کا قصہ کیا۔ صوبہ بلوچستان امن و امان کے حوالے سے کچھ ایسا ہی نہیں رکھتا ہے اسی لئے سفر سے پہلے اور دوران سفر ذہن میں کچھ خدشات بھی تھے لیکن تجربے کے لئے سفر ہے شرط اس لئے دسمبر کے آخری ہفتے میں کوئٹہ جانے کا پروگرام بنایا۔ اللہ کا نام لیکر ایک دن علی الصبح سفر کا آغاز کیا۔ پٹارو سے نکلنے کے بعد جو راستہ اختیار کیا وہ انڈس ہائی وے تھا۔ سہون شریف، دادو، لاڑکانہ، شکارپور، جبکہ آباد اور ڈیرہ اللہ یار (جعفر آباد) سے ہوتے ہوئے شام کو ڈیرہ مراد جمالی (نصیر آباد) میں ایک دوست کے گھر قیام کیا۔ ڈیرہ مراد جمالی بھی بلوچستان کے دیگر شہروں کی طرح ایک پسماندہ علاقہ ہے۔ مگر یہاں کی آب و ہوا میں خلوص اور محبت کی خوشبو نمایاں تھی۔ یہاں کے لوگ مہمان نوازی میں اپنا ہنسی نہیں رکھتے۔ ان کے اس برتاؤ کی وجہ سے ذہن میں پلنے والے تمام خدشات نے دم توڑ دیا اور آگے کا سفر مزید خوشگوار ہو گیا۔ سب کے بعد ڈھاڈر میں پیر غائب کے نزدیک دریائے بولان پر تھوڑی دیر تفریح کی غرض سے رُکے۔ دریا کا پانی کافی ٹھنڈا تھا لیکن بچوں نے کافی مزے کیے اور خوب نہائے۔ اس کے بعد کا تمام راستہ پہاڑی علاقہ پر مشتمل تھا اور جگہ جگہ کوئلے کی کانیں تھیں۔ پہاڑوں پر انگریزی دور کی بنائی ہوئی ریلوے لائن اور سرنگیں کافی دلکش منظر پیش کر رہی تھیں۔

ڈیرہ مراد جمالی سے صبح کے وقت نکلنے کے بعد، ہم دن کے تقریباً دو بجے کوئٹہ شہر میں داخل ہوئے۔ شہر کے داخلی اور خارجی راستوں پر حفاظتی انتظامات کافی سخت تھے۔ انہی انتظامات میں سے ایک انتظام اسپید بریکر کا بھی تھا۔ حفاظتی رکاوٹ سے پہلے اور بعد میں گاڑی جس چیز پر سے گزری وہ اسپید بریکر تھے۔ جیسے جیسے شہر میں داخل ہوتے گئے تقریباً ہر ایک ایک کلومیٹر کے بعد اسپید بریکر کا سامنا کرنا پڑا۔ جہاں اسپید بریکر کی تعداد شہر میں کافی زیادہ تھی وہیں ان کی بناوٹ اور ساخت میں بھی کافی تنوع تھا۔ کچھ کافی لمبوترے تھے تو کچھ کافی اونچے، کچھ اینٹوں سے بنے تھے اور کچھ کنکریٹ سے۔ کئی مرتبہ گاڑی کی چنچلی سطح اور بریکرز میں تصادم بھی ہوا لیکن شکر ہے کہ گاڑی کی کوئی چیز ٹوٹی نہیں۔ اتنی بڑی تعداد میں شہر کی ہر چھوٹی بڑی سڑک پر اسپید بریکرز کو دیکھ کر یہ اندازہ لگانا مشکل نہ تھا کہ شہر کوئٹہ کی حفاظت کی ذمہ داری کافی حد تک ان اسپید بریکرز نے سنبھالی ہوئی تھی اور قانون کی عمل داری میں اپنا حصہ ڈالا ہوا تھا۔ اس احساس کے ہوتے ہی میں نے اپنی گاڑی کی فکر تو چھوڑ دی اور یہ خیال کرنے لگا کہ اب کی باری گاڑی جب اسپید بریکر سے گزاروں گا تو کوشش کروں گا اسپید بریکر کو کوئی تکلیف نہ ہو اور اس کے ساتھ مکمل تعاون کروں گا۔

سلام ہے ان اسپید بریکرز اور ان کے بنانے والوں پر کہ جنہوں نے اپنے شہر کو کسی بھی حادثے سے محفوظ رکھنے کی ممکنہ کوشش کر رکھی تھی۔

سفر میں ایک منزل یہ بھی

اک روئے دل فریب و دلآرا ہے زندگی
اک اور زندگی کا اشارہ ہے زندگی
یا میری چشم مست کا دھوکا ہے زندگی
اے رب ذوالجلال بتا کر زندگی

قصر شب کی قید میں جینا ہے زندگی
محرومیوں کی آگ میں جلنا ہے زندگی

بے سود انتظار میں مرنا ہے زندگی
ایک شہر اجنبی کا تماشا ہے زندگی
ملتی ہے اس سفر میں کہیں منزل مراد
یا پھر اسی طرح سے بھٹکانا ہے زندگی

یہ راز خاص مجھ پہ کبھی آشکار کر
مجھ کو بھی اپنے دل کا کبھی راز دار کر
اپنی یاد میں شفیق کو بھی مالدار کر

وعا

ندامت بھرے اس دل کو تو بدل دے مولا
اس حمدِ نافرمان کو توفیقِ عمل دے مولا

زندگی کو میں گذاروں تیرے در پہ مولا
اب کوئی بھی نہ اس میں تو خلل دے مولا

جلا پھر مجھ میں اک بار وہی آتش ایمان
تجھے ہوئے اس بندھن کو پھر پھیل دے مولا

بس رہ گئی اب یہ آرزو ہے میری
درِ نبیؐ پر مجھ کو تو اجل دے مولا

نہ حسن نہ کمال، نہ جلال و جمال دے
جادو طاعت سے مجھ کو بنا تو اٹل دے مولا

یا الہی ایسا اخلاق دے صد کو
ہدایت کر کے کس کو، تو اس کو سنبھل دے مولا
